§ 33-0719. Suspension of pesticide registration.

Notwithstanding any other provision of this article, the commissioner may, by order, suspend the registration of a pesticide immediately when he finds that such action is necessary to prevent an imminent hazard to the public or any other non-target organism. In such case, he shall give the registrant prompt notice of such action and afford the registrant the opportunity to have the matter submitted to an advisory committee and for an expedited hearing under this article.
