§ 38-0105. Distribution and sale of products containing chlorofluorocarbon compounds.

3. The commissioner shall be prepared to implement regulations developed pursuant to section 38-0107 of this chapter limiting or prohibiting the distribution, sale, or offer or exposure for sale of any aerosol spray can containing a restricted use chlorofluorocarbon compound as of January first, nineteen hundred seventy-eight should the commissioner affirmatively find pursuant to that section that the distribution, sale, or offer or exposure for sale of restricted use chlorofluorocarbon compounds will create significant environmental or public health hazards.
