§ 51-0103. Allocation of moneys.

The moneys received by the state from the sale of bonds pursuant to the environmental quality bond act of nineteen hundred seventy-two shall be expended pursuant to appropriations, in the following amounts and (a) for deposit in the water pollution control revolving fund established by section twelve hundred eighty-five-j of the public authorities law, or (b) as specifically provided for in titles 3, 5, 7, 9 and 11 of this article:

1. For preserving, enhancing, restoring and improving the quality of water as set forth in title 3 of this article or in section twelve hundred eighty-five-j of the public authorities law and section 17-1909 of this chapter, six hundred fifty million dollars ($650,000,000); and

2. For preserving, enhancing, restoring and improving the quality of air as set forth in title 5 of this article, one hundred fifty million dollars ($150,000,000); and

3. For preserving, enhancing, restoring and improving the quality of land as set forth in titles 7, 9 and 11 of this article, three hundred fifty million dollars ($350,000,000).
