§ 58-1103. Reporting.

1. No later than sixty days following the end of each fiscal year, each department, agency, public benefit corporation, and public authority receiving an allocation or allocations of appropriation financed from the clean water, clean air, and green jobs environmental bond act of 2022 shall submit to the commissioner in a manner and form prescribed by the department, the following information as of March thirty-first of such fiscal year, within each category listed in this title: the total appropriation; total commitments; year-to-date disbursements; remaining uncommitted balances; and a description of each project.

2. No later than one hundred twenty days following the end of each fiscal year, the department shall submit to the governor, the temporary president of the senate, and the speaker of the assembly a report that includes the information received. A copy of the report shall be posted on the department's website.
