§ 71-3301. Applicability of this title.

This title shall apply to the enforcement of article forty-three of this chapter. In addition to the provisions contained herein, the provisions of sections 71-0101 and 71-0301 and titles two and five of this article shall apply to enforcement of article forty-three of this chapter; provided, however, whenever such sections reference the department or commissioner, such references shall be deemed to be references to the Lake George park commission for the purposes of this article.
