§ 72-0202. Collection of annual program fees.

1. Bills issued for the air quality control, hazardous waste, and state pollutant discharge elimination system annual program fees due for the state fiscal year beginning April first, nineteen hundred eighty-five shall cover the period April first, nineteen hundred eighty-five through December thirty-first, nineteen hundred eighty-five. The fee for the period April first, nineteen hundred eighty-five through December thirty-first, nineteen hundred eighty-five shall be equal to three-quarters of the amount calculated in the manner prescribed by sections 72-0302, 72-0402 and 72-0602 of this article.

2. Air quality control, hazardous waste, and state pollutant discharge elimination system program fees for periods beginning after December thirty-first, nineteen hundred eighty-five shall be calculated based upon the calendar year.

3. Waste transporter program fees shall be calculated based upon the permit year.
