§ 72-0502. Waste transporter program fees.

1. All persons required to obtain a permit, certificate or approval pursuant to the waste transporter permit requirements set forth in title three of article twenty-seven of this chapter shall submit annually to the department a fee in an amount to be determined as follows:

a. In the case of persons permitted pursuant to title three of article twenty-seven of this chapter to transport industrial-commercial waste or low-level radioactive waste:

(i) $500.00 for the first vehicle permitted pursuant to title three of article twenty-seven of this chapter; and

(ii) $200.00 per each additional vehicle permitted.

b. In the case of all other persons:

(i) $250.00 for the first vehicle permitted pursuant to title three of article twenty-seven of this chapter; and

(ii) $100.00 per each additional vehicle permitted.

2. All persons required to obtain a permit, certificate or approval pursuant to the waste transporter permit requirements set forth in title 15 of article 27 of this chapter shall submit annually to the department a fee in the amount of five hundred dollars ($500.00) for the first vehicle permitted, certified or approved for the transportation of regulated medical waste, and two hundred dollars ($200.00) for each additional vehicle so permitted, certified or approved.

Provided, however, that where a city or county is delegated the authority to administer the state waste transporter program pursuant to subdivision four of section 27-0305 of this chapter and such city or county collects a fee in connection with the issuance of a permit, certificate or approval for a waste transporter, no additional liability for fees under this section shall accrue.
