§ 527-i. General and administrative provisions. 1. The division shall provide for the review, at least annually, of the performance of approved eligible applicants pursuant to this title. Such review shall, among other things, be for the purposes of ascertaining conformity to contractual provisions and the financial condition of the youth center as it relates to its ability to comply with the requirements of this title.

2. No youth center shall be sited, constructed, reconstructed, rehabilitated, altered or improved pursuant to a grant or award made pursuant to this title, except in compliance with the requirements of local laws, ordinances, codes, charters or regulations applicable to such siting, construction, reconstruction, rehabilitation, alteration or improvement.
