§ 846-g. Rules and regulations to be promulgated by the commissioner. The commissioner shall issue and promulgate rules and regulations for the administration of this article, which shall include provisions concerning requirements as to eligibility for contracting with the commissioner; the form of applications for contracts; supervision and evaluation of companies; reporting, budgeting and record keeping requirements; provisions for renegotiation, modification, termination, extension and renewal of contracts; provisions for technical services and assistance to companies and such other matters not inconsistent with the purposes and provisions of this article as the commissioner shall deem necessary, proper or appropriate. The division shall cooperate with all applicants for funding as set forth in this article.
