§ 920. Data collection and inventory. 1. The secretary shall maintain a resource inventory of information collected pursuant to coastal and inland waterways program planning including significant natural areas, historic sites, agricultural lands and water dependent use areas.

2. The secretary may collect additional information to supplement the inventory and may delegate the preparation of such information to appropriate state and local agencies.

3. The secretary shall make this inventory available to state agencies, local governments and the public for planning purposes.
