§ 742. Diversion attempts. (a) Whenever a petition is filed pursuant to this article, the lead agency designated pursuant to section seven hundred thirty-five of this article shall file a written report with the court indicating any previous actions it has taken with respect to the case.

(b) At the initial appearance of the respondent, the court shall review any termination of diversion services pursuant to such section, and the documentation of diligent attempts to provide appropriate services and determine whether such efforts or services provided are sufficient. The court may, at any time, subject to the provisions of section seven hundred forty-eight of this article, order that additional diversion attempts be undertaken by the designated lead agency. The court may order the youth and the parent or other person legally responsible for the youth to participate in diversion services. If the designated lead agency thereafter determines that a case referred for diversion efforts under this section has been successfully resolved, it shall so notify the court, and the court shall dismiss the petition.
