§ 1214. Acting for foreign corporation which has not designated superintendent as attorney. No person acting for himself or for others shall solicit or procure, or aid in soliciting or procuring, policies or certificates of insurance from, or adjust losses or in any manner aid the transaction of any business for, any foreign insurance corporation which has not executed and filed in the superintendent's office a written appointment of the superintendent as its true and lawful attorney in and for this state, upon whom all lawful processes in any proceeding against it may be served.
