§ 2310. Informational filings. * (a) Every insurer and rate service organization shall furnish to the superintendent, on or before the date of their use, all changes in the rating rules and schedules of rates which are not subject to prior approval pursuant to subsection (b) of section two thousand three hundred five of this article and the statistical, rating and other information in support of changes in such rating classifications and territories. Such rules, schedules and information shall be available for public inspection at the department.

* NB Expires July 1, 2026

(b) The rates for inland marine risks which by general custom of the business are not written according to manual rates or rating plans shall not be filed pursuant to subsection (a) hereof, unless the superintendent directs that they be filed.

(c) Specific inland marine rates on risks specially rated, made by a rate service organization, shall be filed pursuant to subsection (a) hereof.
