§ 3448. Involuntary unemployment insurance policies. (a) In this section, the term "policy of involuntary unemployment insurance" includes any policy covering the kind of insurance described in paragraph thirty of subsection (a) of section one thousand one hundred thirteen of this chapter.

(b) A policy of involuntary unemployment insurance shall not be subject to section three thousand four hundred twenty-five or three thousand four hundred twenty-six of this article.

(c) The superintendent may promulgate regulations regarding involuntary unemployment insurance policies, including, but not limited to, regulations governing policy terms and conditions, and may establish other reasonable limitations.
