§ 7201. Definitions. In this article:

(a) "Domestication" means the reorganization pursuant to the provisions of this article of the United States branch of an alien insurer whereby a domestic or foreign insurer succeeds to all business and assets and assumes all liabilities of such branch.

(b) "United States branch" means the business unit through which business is transacted within the United States by an alien insurer and the assets and liabilities of such insurer within the United States pertaining to such business.

(c) "Domestic insurer" means a stock insurance company incorporated under the laws of this state.

(d) "Foreign insurer" means a stock insurance company incorporated under the laws of any other state.
