§ 347. Report. Two years after the date on which this article takes effect, and on or before the thirty-first of January of each year thereafter, the special task force shall issue a report on its activities and on the apparel industry in New York state. This report shall be delivered to the labor committees and ways and means and finance committees of the legislature. The special task force shall report on a regular basis to the apparel industry advisory committee of the department, or its successor.
