§ 457. Relocation of magazines. 1. When any magazine is moved from the location for which it was certified according to section four hundred fifty-six of this article, and the magazine is or is intended to be used for the storage of explosives and will be in the new location for more than twenty-four hours, the commissioner shall be notified as to the new location of the magazine. Such notification shall be made no later than one business day prior to the move. The notification shall contain all of the information required by the commissioner.

In such cases the commissioner shall be notified as soon as practicable after the relocation but in no case more than two business days following such relocation.

3. When a magazine is abandoned, sold or removed from service, the certificate holder shall notify the commissioner no later than three business days from the date of such action and shall surrender the certificate to the commissioner.
