§ 814. Local, regional and state joint apprenticeship committees. Local and state joint apprenticeship committees may be approved, in any trade or group of trades, in cities, regions of the state or trade areas, by the industrial commissioner, whenever the apprentice training needs of such trade or group of trades or such regions justify such establishment. Such local, regional or state joint apprenticeship committees shall be composed of an equal number of employer and employee representatives chosen from names submitted by the respective local or state employer and employee organizations in such trade or group of trades; also such additional members representing local boards of education or other educational agencies as may be deemed advisable. In a trade or group of trades in which there is no bona fide employer or employee organization, the joint committee shall be composed of persons known to represent the interests of employers and of employees respectively or a state joint apprenticeship committee may be approved as, or the state apprenticeship council may act itself as, the joint committee in such trade or group of trades. Subject to the review of the industrial commissioner and in accordance with the standards established by the industrial commissioner, such committees may devise standards for apprenticeship agreements and give such aid as may be necessary in their operation, in their respective trades and localities.
