§ 25.05 Reimbursement from other sources.

The office shall not provide a voluntary agency or a program operated by a local governmental unit with financial support for obligations incurred by or on behalf of such program or agency for substance use disorder and/or compulsive gambling services for which reimbursement is or may be claimed under any provision of law other than this article, unless such financial support was provided as part of any federal paycheck protection program loan forgiveness funding, or other extraordinary federal funding provided in response to the COVID-19 pandemic, as determined by the office.
