§ 7.43 The children's plan.

The commissioner of mental health, in consultation with the state council on children and families pursuant to section four hundred eighty-three-f of the social services law, shall oversee the implementation of the children's plan, developed pursuant to chapter six hundred sixty-seven of the laws of two thousand six, and shall assist such council with the development of future reports and plans. Both short-term and long-term recommendations of such report shall also be made a discrete part of the office of mental health's statewide comprehensive five year plan.
