§ 1147-t. Arbitration of disputes. In the event any dispute arises relating to the construction, improvement, extension, operation, funding or any other matter pertaining to the providing of sewer facilities or the operation of the sewer system and which any village or town wholly or partially within the boundaries of the authority has the right to participate in determining if, when and how the carrying out of that construction, improvement, extension, operation, funding or any other matter pertaining to the providing of sewer facilities or the operation of the sewer system shall be undertaken then such dispute shall be resolved by arbitration in the manner provided in article seventy-five of the civil practice law and rules.
