§ 1269-f. Mission statement and measurement report. 1. The authority shall submit to the governor, the temporary president of the senate and the speaker of the assembly, on or before October thirty-first, two thousand nine, a proposed authority mission statement and proposed measurements. The proposed mission statement and proposed measurements shall have the following components: a brief mission statement expressing the purpose and goals of the authority; a description of the stakeholders of the authority and their reasonable expectations from the authority, which stakeholders shall include at a minimum: the residents and taxpayers of the area of the state served by the authority, the persons that use the services provided by the authority, and the employees of the authority and any employee organization; the goals of the authority in response to the needs of each group of stakeholders; and a list of measures by which performance of the authority and the achievement of its goals may be evaluated.

2. The authority shall thereafter reexamine its mission statement and measurements on an annual basis, and publish on its website self evaluations based on the stated measures.
