§ 361-d. Agreement with the office of parks, recreation and historic preservation. Notwithstanding any other provision of law, and consistent with agreements with bondholders and noteholders, the authority may enter into agreements and contracts with the office of parks, recreation and historic preservation permitting the use of an electronic toll collection system used by the authority or components thereof for payment of any entrance fee or parking fee at any historic site, park or recreational facility subject to the provisions of this chapter, policies and such other conditions as may be established by the authority.
