§ 2004. Duties of commissioner. The commissioner shall promulgate rules and regulations to implement the provisions of this article, including but not limited to:

1. defining a person representing or employed by a facility and defining a person with a valid scientific interest;

2. establishing the form, content and manner of filing the Alzheimer's disease report;

3. prescribing the permissible uses for the information made available pursuant to this article; and

4. establishing procedures to maintain the confidentiality of information provided to persons pursuant to this article.
