§ 2999-w. Benefits. 1. A PACE organization shall provide the following benefits to its enrollees:

(a) all benefits under Medicaid, including under section three hundred sixty-four-j of the social services law;

(b) all benefits under Medicare, for enrollees that are enrolled in Medicare; and

(c) other services determined necessary by the PACE organization's interdisciplinary team to improve and maintain the enrollee's overall health status.

2. A PACE organization may provide fiscal intermediary services if approved under section three hundred sixty-five-f of the social services law.
