*** § 4403-b. Development of comprehensive health services plans.** The commissioner is authorized, after consultation with the commissioner of social services, and subject to the approval of the director of the budget, to make grants to diagnostic and treatment centers and general hospitals operating pursuant to article twenty-eight of this chapter, to aid in the planning, development and implementation of comprehensive health services plans. The total amount expended pursuant to this section shall not exceed the amount appropriated for such purposes in any fiscal year.
