1-a. No person shall engage in the business of gunsmith or dealer in firearms unless licensed pursuant to this section. An applicant to engage in such business shall also be a citizen of the United States, more than twenty-one years of age and shall be required to maintain a place of business in the city or county where the license is issued. For such business, if the applicant is a firm or partnership, each member thereof shall comply with all of the requirements set forth in this subdivision and if the applicant is a corporation, each officer thereof shall so comply.

1-b. For purposes of subdivision one of this section, serious offense shall include an offense in any jurisdiction or the former penal law that includes all of the essential elements of a serious offense as defined by subdivision seventeen of section 265.00 of this chapter. Nothing in this subdivision shall preclude the denial of a license based on the commission of, arrest for or conviction of an offense in any other jurisdiction which does not include all of the essential elements of a serious offense.

2. Types of licenses. A license for gunsmith or dealer in firearms shall be issued to engage in such business. A license for a semiautomatic rifle, other than an assault weapon or disguised gun, shall be issued to purchase or take possession of such a semiautomatic rifle when such transfer of ownership occurs on or after the effective date of chapter two hundred twelve of the laws of two thousand twenty-two that amended this subdivision. A license for a pistol or revolver, other than an assault weapon or a disguised gun, shall be issued to (a) have and possess in his dwelling by a householder; (b) have and possess in his place of business by a merchant or storekeeper; (c) have and carry concealed while so employed by a messenger employed by a banking institution or express company; (d) have and carry concealed by a justice of the supreme court in the first or second judicial departments, or by a judge of the New York city civil court or the New York city criminal court; (e) have and carry concealed while so employed by a regular employee of an institution of the state, or of any county, city, town or village, under control of a commissioner of correction of the city or any warden, superintendent or head keeper of any state prison, penitentiary, workhouse, county jail or other institution for the detention of persons convicted or accused of crime or held as witnesses in criminal cases, provided that application is made therefor by such commissioner, warden, superintendent or head keeper; (f) have and carry concealed, without regard to employment or place of possession subject to the restrictions of state and federal law, by any person; and (g) have, possess, collect and carry antique pistols which are defined as follows: (i) any single shot, muzzle loading pistol with a matchlock, flintlock, percussion cap, or similar type of ignition system manufactured in or before 1898, which is not designed for using rimfire or conventional centerfire fixed ammunition; and (ii) any replica of any pistol described in clause (i) hereof if such replica;

(1) is not designed or redesigned for using rimfire or conventional centerfire fixed ammunition, or

(2) uses rimfire or conventional centerfire fixed ammunition which is no longer manufactured in the United States and which is not readily available in the ordinary channels of commercial trade.

3. Applications. (a) Applications shall be made and renewed, in the case of a license to carry or possess a pistol or revolver or to purchase or take possession of a semiautomatic rifle, to the licensing officer in the city or county, as the case may be, where the applicant resides, is principally employed or has his or her principal place of business as merchant or storekeeper; and, in the case of a license as gunsmith or dealer in firearms, to the licensing officer where such place of business is located. Blank applications shall, except in the city of New York, be approved as to form by the superintendent of state police. An application shall state the full name, date of birth, residence, present occupation of each person or individual signing the same, whether or not he or she is a citizen of the United States, whether or not he or she complies with each requirement for eligibility specified in subdivision one of this section and such other facts as may be required to show the good character, competency and integrity of each person or individual signing the application. An application shall be signed and verified by the applicant. Each individual signing an application shall submit one photograph of himself or herself and a duplicate for each required copy of the application. Such photographs shall have been taken within thirty days prior to filing the application. In case of a license as gunsmith or dealer in firearms, the photographs submitted shall be two inches square, and the application shall also state the previous occupation of each individual signing the same and the location of the place of such business, or of the bureau, agency, subagency, office or branch office for which the license is sought, specifying the name of the city, town or village, indicating the street and number and otherwise giving such apt description as to point out reasonably the location thereof. In such case, if the applicant is a firm, partnership or corporation, its name, date and place of formation, and principal place of business shall be stated. For such firm or partnership, the application shall be signed and verified by each individual composing or intending to compose the same, and for such corporation, by each officer thereof.

(b) Application for an exemption under paragraph seven-b of subdivision a of section 265.20 of this chapter. Each applicant desiring to obtain the exemption set forth in paragraph seven-b of subdivision a

of section 265.20 of this chapter shall make such request in writing of the licensing officer with whom his application for a license is filed, at the time of filing such application. Such request shall include a signed and verified statement by the person authorized to instruct and supervise the applicant, that has met with the applicant and that he has determined that, in his judgment, said applicant does not appear to be or poses a threat to be, a danger to himself or to others. He shall include a copy of his certificate as an instructor in small arms, if he is required to be certified, and state his address and telephone number. He shall specify the exact location by name, address and telephone number where such instruction will take place. Such licensing officer shall, no later than ten business days after such filing, request the duly constituted police authorities of the locality where such application is made to investigate and ascertain any previous criminal record of the applicant pursuant to subdivision four of this section. Upon completion of this investigation, the police authority shall report the results to the licensing officer without unnecessary delay. The licensing officer shall no later than ten business days after the receipt of such investigation, determine if the applicant has been previously denied a license, been convicted of a felony, or been convicted of a serious offense, and either approve or disapprove the applicant for exemption purposes based upon such determinations. If the applicant is approved for the exemption, the licensing officer shall notify the appropriate duly constituted police authorities and the applicant. Such exemption shall terminate if the application for the license is denied, or at any earlier time based upon any information obtained by the licensing officer or the appropriate police authorities which would cause the license to be denied. The applicant and appropriate police authorities shall be notified of any such terminations.

4. Investigation. Before a license is issued or renewed, there shall be an investigation of all statements required in the application by the duly constituted police authorities of the locality where such application is made, including but not limited to such records as may be accessible to the division of state police or division of criminal justice services pursuant to section 400.02 of this article. For that

purpose, the records of the appropriate office of the department of mental hygiene concerning previous or present mental illness of the applicant shall be available for inspection by the investigating officer of the police authority. Where the applicant is domiciled in a foreign state, the investigation shall include inquiry of the foreign state for records concerning the previous or present mental illness of the applicant, and, to the extent necessary for inspection by the investigating officer, the applicant shall execute a waiver of confidentiality of such record in such form as may be required by the foreign state. In order to ascertain any previous criminal record, the investigating officer shall take the fingerprints and physical descriptive data in quadruplicate of each individual by whom the application is signed and verified. Two copies of such fingerprints shall be taken on standard fingerprint cards eight inches square, and one copy may be taken on a card supplied for that purpose by the federal bureau of investigation; provided, however, that in the case of a corporate applicant that has already been issued a dealer in firearms license and seeks to operate a firearm dealership at a second or subsequent location, the original fingerprints on file may be used to ascertain any criminal record in the second or subsequent application unless any of the corporate officers have changed since the prior application, in which case the new corporate officer shall comply with procedures governing an initial application for such license. When completed, one standard card shall be forwarded to and retained by the division of criminal justice services in the executive department, at Albany. A search of the files of such division and written notification of the results of the search shall be forwarded to the investigating officer and shall be made without unnecessary delay. Thereafter, such division shall notify the licensing officer and the executive department, division of state police, Albany, of any criminal record of the applicant filed therein subsequent to the search of its files. A second standard card, or the one supplied by the federal bureau of investigation, as the case may be, shall be forwarded to that bureau at Washington with a request that the files of the bureau be searched and notification of the results of the search be made to the investigating police authority. Of the remaining two fingerprint cards, one shall be filed with the executive department, division of state police, Albany,

within ten days after issuance of the license, and the other shall remain on file with the investigating police authority. No such fingerprints may be inspected by any person other than a peace officer, who is acting pursuant to his or her special duties, or a police officer, except on order of a judge or justice of a court of record either upon notice to the licensee or without notice, as the judge or justice may deem appropriate. Upon completion of the investigation, the police authority shall report the results to the licensing officer without unnecessary delay.

4-a. Appeals from denial of an application, renewal, recertification or license revocation. If an application for a license is denied, not renewed, not recertified, or revoked, the licensing officer shall issue a written notice to the applicant setting forth the reasons for such denial. An applicant may, within ninety days of receipt of such notice, request a hearing to appeal the denial to the appeals board created by the division of criminal justice services and the superintendent of state police. An individual may be represented by counsel at any appearance before the appeals board and shall be afforded an opportunity to present additional evidence in support of their application. The commissioner of criminal justice services and the superintendent of state police shall promulgate rules and regulations governing such appeals process.

4-b. Processing of license applications. Applications for licenses shall be accepted for processing by the licensing officer at the time of presentment. Except upon written notice to the applicant specifically stating the reasons for any delay, in each case the licensing officer shall act upon any application for a license pursuant to this section within six months of the date of presentment of such an application to the appropriate authority. Such delay may only be for good cause and with respect to the applicant. In acting upon an application, the licensing officer shall either deny the application for reasons specifically and concisely stated in writing or grant the application and issue the license applied for.

4-c. Westchester county firearms safety course certificate. In the

county of Westchester, at the time of application, the licensing officer to which the license application is made shall provide a copy of the safety course booklet to each license applicant. Before such license is issued, such licensing officer shall require that the applicant submit a certificate of successful completion of a firearms safety course and test issued in his or her name and endorsed and affirmed under the penalties of perjury by a duly authorized instructor.

5. Filing of approved applications. (a) The application for any license, if granted, shall be filed by the licensing officer with the clerk of the county of issuance, except that in the city of New York and, in the counties of Nassau and Suffolk, the licensing officer shall designate the place of filing in the appropriate division, bureau or unit of the police department thereof, and in the county of Suffolk the county clerk is hereby authorized to transfer all records or applications relating to firearms to the licensing authority of that county. Except as provided in paragraphs (b) through (f) of this subdivision, the name and address of any person to whom an application for any license has been granted shall be a public record. Upon application by a licensee who has changed his place of residence such records or applications shall be transferred to the appropriate officer at the licensee's new place of residence. A duplicate copy of such application shall be filed by the licensing officer in the executive department, division of state police, Albany, within ten days after issuance of the license. The superintendent of state police may designate that such application shall be transmitted to the division of state police electronically. In the event the superintendent of the division of state police determines that it lacks any of the records required to be filed with the division, it may request that such records be provided to it by the appropriate clerk, department or authority and such clerk, department or authority shall provide the division with such records. In the event such clerk, department or authority lacks such records, the division may request the license holder provide information sufficient to constitute such record and such license holder shall provide the division with such information. Such information shall be limited to the license holder's name, date of birth, gender, race, residential address, social security number and firearms possessed by

said license holder. Nothing in this subdivision shall be construed to change the expiration date or term of such licenses if otherwise provided for in law. Records assembled or collected for purposes of inclusion in the database established by this section shall be released pursuant to a court order. Records assembled or collected for purposes of inclusion in the database created pursuant to section 400.02 of this chapter shall not be subject to disclosure pursuant to article six of the public officers law.

(b) Each application for a license pursuant to paragraph (a) of this subdivision shall include, on a separate written form prepared by the division of state police within thirty days of the effective date of the chapter of the laws of two thousand thirteen, which amended this section, and provided to the applicant at the same time and in the same manner as the application for a license, an opportunity for the applicant to request an exception from his or her application information becoming public record pursuant to paragraph (a) of this subdivision. Such forms, which shall also be made available to individuals who had applied for or been granted a license prior to the effective date of the chapter of the laws of two thousand thirteen which amended this section, shall notify applicants that, upon discovery that an applicant knowingly provided false information, such applicant may be subject to penalties pursuant to section 175.30 of this chapter, and further, that his or her request for an exception shall be null and void, provided that written notice containing such determination is provided to the applicant. Further, such forms shall provide each applicant an opportunity to specify the grounds on which he or she believes his or her application information should not be publicly disclosed. These grounds, which shall be identified on the application with a box beside each for checking, as applicable, by the applicant, shall be as follows:

(i) the applicant's life or safety may be endangered by disclosure because:

(A) the applicant is an active or retired police officer, peace officer, probation officer, parole officer, or corrections officer;

(B) the applicant is a protected person under a currently valid order of protection;

(C) the applicant is or was a witness in a criminal proceeding

involving a criminal charge;

(D) the applicant is participating or previously participated as a juror in a criminal proceeding, or is or was a member of a grand jury; or

(E) the applicant is a spouse, domestic partner or household member of a person identified in this subparagraph or subparagraph (ii) of this paragraph, specifying which subparagraph or subparagraphs and clauses apply.

(ii) the applicant has reason to believe his or her life or safety may be endangered by disclosure due to reasons stated by the applicant.

(iii) the applicant has reason to believe he or she may be subject to unwarranted harassment upon disclosure of such information.

(c) Each form provided for recertification pursuant to paragraph (b) of subdivision ten of this section shall include an opportunity for the applicant to request an exception from the information provided on such form becoming public record pursuant to paragraph (a) of this subdivision. Such forms shall notify applicants that, upon discovery that an applicant knowingly provided false information, such applicant may be subject to penalties pursuant to section 175.30 of this chapter, and further, that his or her request for an exception shall be null and void, provided that written notice containing such determination is provided to the applicant. Further, such forms shall provide each applicant an opportunity to either decline to request the grant or continuation of an exception, or specify the grounds on which he or she believes his or her information should not be publicly disclosed. These grounds, which shall be identified in the application with a box beside each for checking, as applicable, by the applicant, shall be the same as provided in paragraph (b) of this subdivision.

(d) Information submitted on the forms described in paragraph (b) of this subdivision shall be excepted from disclosure and maintained by the entity retaining such information separate and apart from all other records.

(e) (i) Upon receiving a request for exception from disclosure, the licensing officer shall grant such exception, unless the request is determined to be null and void, pursuant to paragraph (b) or (c) of this subdivision.

(ii) A request for an exception from disclosure may be submitted at

any time, including after a license or recertification has been granted.

(iii) If an exception is sought and granted pursuant to paragraph (b) of this subdivision, the application information shall not be public record, unless the request is determined to be null and void. If an exception is sought and granted pursuant to paragraph (c) of this subdivision, the information concerning such recertification application shall not be public record, unless the request is determined to be null and void. Notwithstanding the foregoing provisions of this subparagraph, local and state law enforcement shall, upon request, be granted access to and copies of such application information provided that such information obtained by law enforcement pursuant to this subparagraph shall not be considered a public record of such law enforcement agency.

(f) The information of licensees or applicants for a license shall not be disclosed to the public during the first one hundred twenty days following the effective date of the chapter of the laws of two thousand thirteen, which amended this section. After such period, the information of those who had applied for or been granted a license prior to the preparation of the form for requesting an exception, pursuant to paragraph (b) of this subdivision, may be released only if such individuals did not file a request for such an exception during the first sixty days following such preparation; provided, however, that no information contained in an application for licensure or recertification shall be disclosed by an entity that has not completed processing any such requests received during such sixty days.

(g) If a request for an exception is determined to be null and void pursuant to paragraph (b) or (c) of this subdivision, an applicant may request review of such determination pursuant to article seventy-eight of the civil practice laws and rules. Such proceeding must commence within thirty days after service of the written notice containing the adverse determination. Notice of the right to commence such a petition, and the time period therefor, shall be included in the notice of the determination. Disclosure following such a petition shall not be made prior to the disposition of such review.

6. License: validity. Any license issued pursuant to this section shall be valid notwithstanding the provisions of any local law or ordinance. No license shall be transferable to any other person or

premises. A license to carry or possess a pistol or revolver, or to purchase or take possession of a semiautomatic rifle, not otherwise limited as to place or time of possession, shall be effective throughout the state, except that the same shall not be valid within the city of New York unless a special permit granting validity is issued by the police commissioner of that city. Such license to carry or possess shall be valid within the city of New York in the absence of a permit issued by the police commissioner of that city, provided that (a) the firearms covered by such license have been purchased from a licensed dealer within the city of New York and are being transported out of said city forthwith and immediately from said dealer by the licensee in a locked container during a continuous and uninterrupted trip; or provided that (b) the firearms covered by such license are being transported by the licensee in a locked container and the trip through the city of New York is continuous and uninterrupted; or provided that (c) the firearms covered by such license are carried by armored car security guards transporting money or other valuables, in, to, or from motor vehicles commonly known as armored cars, during the course of their employment; or provided that (d) the licensee is a retired police officer as police officer is defined pursuant to subdivision thirty-four of section 1.20 of the criminal procedure law or a retired federal law enforcement officer, as defined in section 2.15 of the criminal procedure law, who has been issued a license by an authorized licensing officer as defined in subdivision ten of section 265.00 of this chapter; provided, further, however, that if such license was not issued in the city of New York it must be marked "Retired Police Officer" or "Retired Federal Law Enforcement Officer", as the case may be, and, in the case of a retired officer the license shall be deemed to permit only police or federal law enforcement regulations weapons; or provided that (e) the licensee is a peace officer described in subdivision four of section 2.10 of the criminal procedure law and the license, if issued by other than the city of New York, is marked "New York State Tax Department Peace Officer" and in such case the exemption shall apply only to the firearm issued to such licensee by the department of taxation and finance. A license as gunsmith or dealer in firearms shall not be valid outside the city or county, as the case may be, where issued. Notwithstanding any inconsistent provision of state or local law or rule or regulation, the

premises limitation set forth in any license to have and possess a pistol or revolver in the licensee's dwelling or place of business pursuant to paragraph (a) or (b) of subdivision two of this section shall not prevent the transport of such pistol or revolver directly to or from (i) another dwelling or place of business of the licensee where the licensee is authorized to have and possess such pistol or revolver, (ii) an indoor or outdoor shooting range that is authorized by law to operate as such, (iii) a shooting competition at which the licensee may possess such pistol or revolver consistent with the provisions of subdivision a of section 265.20 of this chapter or consistent with the law applicable at the place of such competition, or (iv) any other location where the licensee is lawfully authorized to have and possess such pistol or revolver; provided however, that during such transport to or from a location specified in clauses (i) through (iv) of this paragraph, the pistol or revolver shall be unloaded and carried in a locked container, and the ammunition therefor shall be carried separately; provided further, however, that a license to have and possess a pistol or revolver in the licensee's dwelling or place of business pursuant to paragraph (a) or (b) of subdivision two of this section that is issued by a licensing officer other than the police commissioner of the city of New York shall not authorize transport of a pistol or revolver into the city of New York in the absence of written authorization to do so by the police commissioner of that city. The term "locked container" shall not include the glove compartment or console of a vehicle.

7. License: form. Any license issued pursuant to this section shall, except in the city of New York, be approved as to form by the superintendent of state police. A license to carry or possess a pistol or revolver or to purchase or take possession of a semiautomatic rifle shall have attached the licensee's photograph, and a coupon which shall be removed and retained by any person disposing of a firearm to the licensee. A license to carry or possess a pistol or revolver shall specify the weapon covered by calibre, make, model, manufacturer's name and serial number, or if none, by any other distinguishing number or identification mark, and shall indicate whether issued to carry on the person or possess on the premises, and if on the premises shall also

specify the place where the licensee shall possess the same. If such license is issued to a noncitizen, or to a person not a citizen of and usually a resident in the state, the licensing officer shall state in the license the particular reason for the issuance and the names of the persons certifying to the good character of the applicant. Any license as gunsmith or dealer in firearms shall mention and describe the premises for which it is issued and shall be valid only for such premises.

8. License: exhibition and display. Every licensee while carrying a pistol or revolver shall have on his or her person a license to carry the same. Every person licensed to possess a pistol or revolver on particular premises shall have the license for the same on such premises. Every person licensed to purchase or take possession of a semiautomatic rifle shall have the license for the same on his or her person while purchasing or taking possession of such weapon. Upon demand, the license shall be exhibited for inspection to any peace officer, who is acting pursuant to his or her special duties, or police officer. A license as gunsmith or dealer in firearms shall be prominently displayed on the licensed premises. A gunsmith or dealer of firearms may conduct business temporarily at a location other than the location specified on the license if such temporary location is the location for a gun show or event sponsored by any national, state, or local organization, or any affiliate of any such organization devoted to the collection, competitive use or other sporting use of firearms. Any sale or transfer at a gun show must also comply with the provisions of article thirty-nine-DD of the general business law. Records of receipt and disposition of firearms transactions conducted at such temporary location shall include the location of the sale or other disposition and shall be entered in the permanent records of the gunsmith or dealer of firearms and retained on the location specified on the license. Nothing in this section shall authorize any licensee to conduct business from any motorized or towed vehicle. A separate fee shall not be required of a licensee with respect to business conducted under this subdivision. Any inspection or examination of inventory or records under this section at such temporary location shall be limited to inventory consisting of, or records related to, firearms held or disposed at such temporary

locations. Failure of any licensee to so exhibit or display his or her license, as the case may be, shall be presumptive evidence that he or she is not duly licensed.

9. License: amendment. Elsewhere than in the city of New York, a person licensed to carry or possess a pistol or revolver or to purchase or take possession of a semiautomatic rifle may apply at any time to his or her licensing officer for amendment of his or her license to include one or more such weapons or to cancel weapons held under license. If granted, a record of the amendment describing the weapons involved shall be filed by the licensing officer in the executive department, division of state police, Albany. The superintendent of state police may authorize that such amendment be completed and transmitted to the state police in electronic form. Notification of any change of residence shall be made in writing by any licensee within ten days after such change occurs, and a record of such change shall be inscribed by such licensee on the reverse side of his or her license. Elsewhere than in the city of New York, and in the counties of Nassau and Suffolk, such notification shall be made to the executive department, division of state police, Albany, and in the city of New York to the police commissioner of that city, and in the county of Nassau to the police commissioner of that county, and in the county of Suffolk to the licensing officer of that county, who shall, within ten days after such notification shall be received by him or her, give notice in writing of such change to the executive department, division of state police, at Albany.

10. License: expiration, certification and renewal. (a) Any license for gunsmith or dealer in firearms and, in the city of New York, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not limited to expire on an earlier date fixed in the license, shall, except as otherwise provided in paragraph (d) of this subdivision, expire not more than three years after the date of issuance. In the counties of Nassau, Suffolk and Westchester, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not limited to expire on an earlier date fixed

in the license, shall expire not more than five years after the date of issuance; however, in the county of Westchester, any such license shall be certified prior to the first day of April, two thousand, in accordance with a schedule to be contained in regulations promulgated by the commissioner of the division of criminal justice services, and every such license shall, except as otherwise provided in paragraph (d) of this subdivision, be recertified every five years thereafter. For purposes of this section certification shall mean that the licensee shall provide to the licensing officer the following information only: current name, date of birth, current address, and the make, model, caliber and serial number of all firearms currently possessed. Such certification information shall be filed by the licensing officer in the same manner as an amendment. Elsewhere than in the city of New York and the counties of Nassau, Suffolk and Westchester, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not previously revoked or cancelled, shall be in force and effect until revoked as herein provided. Any license not previously cancelled or revoked shall remain in full force and effect for thirty days beyond the stated expiration date on such license. Any application to renew a license that has not previously expired, been revoked or cancelled shall thereby extend the term of the license until disposition of the application by the licensing officer. In the case of a license for gunsmith or dealer in firearms, in counties having a population of less than two hundred thousand inhabitants, photographs and fingerprints shall be submitted on original applications and upon renewal thereafter at three year intervals. Upon satisfactory proof that a currently valid original license has been despoiled, lost or otherwise removed from the possession of the licensee and upon application containing an additional photograph of the licensee, the licensing officer shall issue a duplicate license.

(b) All licensees shall be recertified to the division of state police every five years thereafter, except as otherwise provided in paragraph (d) of this subdivision.
