The deadline to make such election for every member described in this subdivision in such service shall be December thirty-first, two thousand twenty-six or within one year of employment in an eligible title, whichever is later. Upon completion of twenty-five years of such service and upon retirement, each such member shall receive a pension which, together with an annuity, if any, which shall be the actuarial equivalent of such member's accumulated contributions at the time of their retirement and an additional pension which is the actuarial equivalent of the reserve-for-increased-take-home-pay to which such member may then be entitled, if any, shall be sufficient to provide such member with a retirement allowance equal to fifty-five percent of their final average salary.
