§ 89-r. Retirement of county park police officers in Suffolk county. a. Any member who is employed by Suffolk county as a park police officer shall be eligible to retire pursuant to the provisions of this section. Such eligibility shall be an alternative to the eligibility provisions available under any other plan of this article to which such member is subject. The parks commissioner of the Suffolk county department of parks shall certify to the comptroller, periodically and at such intervals of time as may be required of him or her and in such fashion as may be prescribed, the identity of the eligible park police officers in his or her employ.

b. Such member shall be entitled to retire upon the completion of twenty-five years of total creditable service by filing an application therefor in the manner provided for in section seventy of this article.

c. Upon completion of twenty-five years of such service and upon retirement, each such member shall receive a pension which, together with an annuity which shall be the actuarial equivalent of his or her accumulated contributions at the time of his or her retirement and an additional pension which is the actuarial equivalent of the reserved-for-increased-take-home-pay to which he or she may then be entitled shall be sufficient to provide him or her with a retirement allowance equal to one-half of his or her final average salary.

d. As used in this section "creditable service" shall include any and all services performed as a park police officer of the Suffolk county department of parks, and any and all services performed as a park ranger of the Suffolk county department of parks.

e. Credit for service as a member or officer of the state police or as a paid firefighter, police officer or officer of any organized fire department or police force or department of any county, city, village, town, fire district or police district, or as a criminal investigator in the office of a district attorney, provided that service as such investigator shall have been rendered prior to January first, nineteen hundred sixty and that credit therefor shall not exceed five years, shall also be deemed to be creditable service and shall be included in

computing years of total service for retirement pursuant to this section, provided such service was performed by the member while contributing to the retirement system pursuant to the provisions of this article or article eight of this chapter.

f. A member contributing on the basis of this section at the time of retirement, shall retire after the completion of twenty-five years of total creditable service. Application therefor may be filed in a manner similar to that provided in section seventy of this article. Upon completion of twenty-five years of such service and upon retirement, each such member shall receive a pension which, together with an annuity which shall be the actuarial equivalent of his or her accumulated contributions at the time of his or her retirement and an additional pension which is the actuarial equivalent of the reserve-for-increased-take-home-pay to which he or she may then be entitled shall be sufficient to provide him or her with a retirement allowance equal to one-half of his or her final average salary.

g. In computing the twenty-five years of total service of a member pursuant to this section full credit shall be given and full allowance shall be made for service of such member in time of war after World War I as defined in section two of this chapter, provided such member at the time of his or her entrance into the armed forces was in the service of the county of Suffolk.

h. Nothing herein shall be construed to prevent a member, who does not retire pursuant to the provisions of this section, from utilizing service which is creditable service pursuant to the provisions of this section for service credit pursuant to the provisions of any other plan of this article to which such member is subject.

i. The provisions of this section shall be controlling notwithstanding any other provision in this article to the contrary.
