§ 367-t. Payment for emergency physician services. Amounts payable under this title for medical assistance for items and services provided to eligible persons by qualified emergency physicians, provided in an emergency room of an entity certified pursuant to article twenty-eight of the public health law to treat an emergency condition, as defined in subdivision three of section forty-nine hundred of the public health law, which are authorized pursuant to section three hundred sixty-five-a of this title shall be no less than twenty-five dollars per visit. For the purpose of this section eligible persons shall not include persons provided items and services by the medicaid managed care program.
