I ask that the title of the resolution be read and move for its immediate 11 12 adoption. 13 ACTING PRESIDENT JOHNSON: Senator Klein, has this resolution been deemed 14 15 privileged and submitted by the office of the 16 Temporary President? 17 SENATOR KLEIN: Yes, it has, 18 Mr. President. ACTING PRESIDENT JOHNSON: 19 The 20 Secretary will read. 21 THE SECRETARY: By Senator 22 Sampson, legislative resolution commemorating the 50th anniversary of the United Federation 23 of Teachers. 24 25 ACTING PRESIDENT JOHNSON:

Senator Sampson. 1 2 SENATOR SAMPSON: Thank you very much, Mr. President. 3 4 I just rise and I just want to 5 thank my friend and partner, the president of UFT, Michael Mulgrew, for his leadership and б 7 commitment to improving the quality of 8 education for all New Yorkers. 9 His desire to continue in the work 10 of Charles Cogen, Albert Shanker, Sandy Feldman, and Randi Weingarten has been nothing 11 less than stellar. Mike had some big shoes to 12 fill, and he's done an extraordinary job. 13 14 Some people think of the UFT as --15 when they talk about UFT, some might think of it in the political sense, but I think of it 16 more from the personal sense, being that my 17 18 mother was a UFT paraprofessional. And I grew up in a union household to understand the most 19 20 important thing, the commitment to a union 21 body. But most of all, I'm a person who 22 attended all public institutions with respect 23 to educating myself. And I have the privilege 24 25 to represent a public institution in the

New York State Senate today.

And at every twist and turn in my life, there was a teacher, a mentor, a school aide like my mother who made the difference and who I give the credit for putting me in the position I'm here today.

For 50 years, UFT has been a strong
voice and a tireless advocate for educators,
students, and parents. During its decades of
service, the UFT has put people through
school, improved our schools, and given
parents and students greater input into how
our schools operate.

We all know this is an extremely 14 15 difficult year and we have to make difficult decisions. We need to balance our checkbook 16 like we are asking the public to balance their 17 18 checkbook. However, we still have to make sure that we provide our students -- but most 19 20 of all, the ones that we love -- an education 21 that is second to none. And with the help of 22 UFT, we have been doing that for many, many 23 years. 24 So I just want to congratulate the

UFT on celebrating 50 years of success,

50 years of dedication, and 50 years of 1 leadership. And may they continue to do what 2 they always have been doing, fighting not only 3 4 for the rights of their own union members but 5 most of all making sure that all our children throughout the city and throughout the state б 7 have an education that is exemplary. 8 Thank you very much, Mr. President. 9 ACTING PRESIDENT JOHNSON: Thank 10 you very much, Senator Sampson. Senator Toby Stavisky. 11 12 SENATOR STAVISKY: Thank you, Mr. President. 13 I rise as a former member of the 14 15 UFT. I taught in the New York City public high schools for about six and a half years or 16 17 so. 18 But my father was a teacher who retired before the UFT was founded. And he 19 20 taught in the New York City school system, all on the Lower East Side, for 48 years. 21 And when he retired, there was no Social Security 22 for teachers. The theory was that they had a 23 pension and didn't need Social Security. 24 Men 25 were paid more than women. High school

teachers were paid more than elementary school 1 teachers, and so on. 2 3 And this demonstrates the progress 4 that the UFT has made for the working men and 5 women in our schools, whether they be paras or teachers or whatever role they play in the 6 7 school community. 8 And I'm very proud to stand here 9 today. My husband received the John Dewey 10 Award from the UFT back in the 1970s. And the 11 UFT has played such an important role in the 12 lives of all New Yorkers that I am delighted to congratulate them. And another 50 years of 13 14 progress, because they've been on the leading 15 edge of progress on progressive issues throughout our state's history. 16 17 Thank you, Mr. President. 18 ACTING PRESIDENT JOHNSON: Thank you very much, Senator. 19 20 Senator Diane Savino. SENATOR SAVINO: 21 Thank you, Mr. President. 22 23 I want to commend Senator Sampson for introducing this resolution memorializing 24 25 the 50th anniversary of the United Federation

of Teachers.

1

2	Dignity, respect, professionalism,
3	competitive wages and benefits, due process
4	all of the hallmarks of what a union does, all
5	of those things for teachers in the City of
6	New York did not exist 50 years ago.
7	The United Federation of Teachers
8	was founded and it grew in a city that did not
9	respect collective or actually did not
10	grant collective bargaining rights to teachers
11	or to any other public-sector workers. But
12	yet they continued to organize, not just for
13	their own members, but to improve the schools
14	and the lives of the children that they
15	mentored every day.
16	The United Federation of Teachers
17	has a unique place in labor history in
18	New York State. It was one of their
19	strikes along with some of the other
20	public-sector unions in New York City,
21	including my own in 1965 that led finally
22	to the passage of the Taylor Law.
23	And while the Taylor Law sometimes
24	gets a bad rap, people don't quite understand
25	it, they have no idea what its predecessor was

like. The Condon-Wadlin Act was draconian by 1 anybody's standards. 2 But it was because of the 3 4 organizing efforts by the UFT and other unions 5 at that time to demand dignity, respect, competitive wages and due process for their 6 7 members -- and supporting other working people 8 in New York to get them -- that we have collective bargaining rights for public-sector 9 10 workers in New York State. 11 They also have another very unique 12 place in history. You know, we all see them every day up here in the halls of Albany 13 advocating on behalf of their members in the 14 15 school districts and advocating on behalf of the children in the programs, so we see the 16 17 UFT constantly. 18 We forget, though, that at New York City's darkest moment in the 1970s, when the 19 20 city was on the verge of bankruptcy and no one could figure out how to help the city come out 21 of it, the president of the United Federation 22 of Teachers at the time, Al Shanker, joined 23 with the executive director of District 24 25 Council 37, Victor Gotbaum, and along with

Barry Feinstein from the Teamsters and Wall 1 Street and our own Lieutenant Governor, Dick 2 3 Ravitch, and the governor then, Hugh Carey, 4 and came up with a plan that saved the City of 5 New York from bankruptcy and put it on its path to solvency. б 7 So the UFT's history in New York is 8 not just representing workers, advocating for children, but they have a unique place in 9 10 saving the City of New York. And we know that they have many ideas to help us save the state 11 in our fiscal crisis these days. 12 So I want to thank Senator Sampson 13 and congratulate the United Federation of 14 15 Teachers on their 50th anniversary. And a message to my friend Michael Mulgrew, who is 16 17 the new president: We hope that you have as 18 much success as president of the UFT as Al Shanker and all of your predecessors. 19 20 ACTING PRESIDENT JOHNSON: Thank 21 you very much, Senator. 22 Senator Huntley. 23 SENATOR HUNTLEY: Yes, Mr. President. I would like very much to 24 25 congratulate Senator Sampson for bringing this

to us.

1

2	And I must say the UFT has been an
3	integral part of my life for many, many years,
4	with my history in schools of being a Parent
5	Association president, then the President of
6	the school board and president of the CEC. So
7	I go back many, many years with them.
8	And I must say, Al Shanker was one
9	of the finest union presidents that we've ever
10	seen in history. And I must say that they
11	have worked in my community, they still are.
12	And every year at my annual
13	luncheon, I give out an award to a UFT member
14	which is called the Neil Shanahan Award. Neil
15	Shanahan was a teacher in my district who
16	passed away from cancer, and he worked very
17	well in the community and with all of our
18	young people and our parents. And a great UFT
19	member. So every year I honor him by doing
20	that.
21	So again, I want to thank the
22	Senator for bringing this. And I wish the UFT
23	a lot of luck, and we'll continue to work
24	together.
25	Thank you.

Thank 1 ACTING PRESIDENT JOHNSON: 2 you, Senator. 3 Senator Marcellino. 4 SENATOR MARCELLINO: Thank you, 5 Mr. President. I too rise as a former member of 6 7 the United Federation of Teachers. And I can 8 remember back to 1967 when I graduated from 9 college, from graduate school, and went into 10 teaching. And my father said to me, he says? "You're going to go out and you're going to 11 become a teacher," and he said, "There's a 12 great union that's involved in the teachers 13 and involved with the teachers in making the 14 15 profession respected and setting up proper standards." 16 My father was a member of Local 3 17 18 of the electricians union and would not tolerate his son even considering not joining 19 20 the union and not being part of that union. 21 I had many opportunities to meet 22 with Al Shanker during those days. He would visit our high school, Grover Cleveland High 23 School, many times during the various strikes. 24 25 My first year of teaching, I went

on strike -- I had a job for three days and I 1 went on strike under the Condon-Wadlin Act, 2 before the Taylor Law, which basically said 3 4 the minute you went on strike as a public 5 employee, you were terminated. That was it. And we went out, and Al came to the 6 7 school in a meeting. And everybody was a bit 8 nervous. We weren't too happy with this concept of being out of work. After all, we 9 10 were making all of \$5200 a year, paid monthly 11 in those days. By the end of the month, if 12 you had \$2 in your pocket, you had a lot of 13 money. 14 But Al came to us and he basically 15 said, he said, "Have no fear." He says, "We're going to prevail. We're not going to 16 allow the city to treat us like dirt. They're 17 18 going to pay us a living wage. They're going to respect the profession as a profession. 19 20 We're going to set some ground rules and some rules of work so that nobody can be abused and 21 that you'll be treated like human beings 22 instead of chattel." 23 And it worked out that way. It all 24 25 worked out for the good.

I can't help but wonder what Al 1 2 would say today if he was to come here in the times we're in now and read the budget 3 4 resolution that was passed here the other day 5 which cut \$1.4 billion out of education. Ι have a feeling the halls of this Capitol would 6 7 be reverberating with the sound of his voice. 8 He would not accept it mildly, and he would not have accepted it kindly. He would have 9 10 railed against it. Hopefully we will get and obviously 11 12 we will get past these times. Hopefully calmer heads and saner heads will prevail and 13 those cuts will not stand. Because they would 14 15 in fact be devastating to education as we know it. 16 So I thank Senator Sampson for 17 18 bringing this resolution forward. I am pleased to vote for it. The UFT is an 19 20 honorable organization, and many of its -- all of its leaders I have respected. And I have 21 had the opportunity, since Mr. Shanker, to 22 23 meet with each and every one of them -- fine people all, with the best of intentions for 24 25 not only the teachers but for public at large

and the students they serve. 1 So, Mr. President, thank you for 2 3 hearing me, and I vote aye on this resolution. 4 ACTING PRESIDENT JOHNSON: Thank 5 you very much, Senator Marcellino. 6 Senator Montgomery. 7 SENATOR MONTGOMERY: Thank you, 8 Mr. President. 9 I rise to also express my 10 commendation to the UFT and thank my leader Senator Sampson for introducing this 11 12 resolution. And I would like to just add to what my colleagues have said about the work of 13 14 the union in organizing and representing 15 teachers. But very personally, I want to 16 thank the teachers, especially those that work 17 18 so hard to mold and shape young people in our city. It is so difficult. And I know this 19 20 because my son was in public school all of his school life. And it was always amazing to me 21 how teachers were able to be in a classroom 22 with 25, 28, 30 children, young children, and 23 somehow still be able to work and be 24 25 successful in helping them transition from not

being able to read to being able to read and 1 to being able to function at a higher and 2 3 higher level. 4 And so I have a lot of respect for 5 what teachers do. And certainly this is very, very important that we recognize them for the 6 7 work that they do. And I thank them 8 personally and professionally and in every other way for what they have done for my son 9 10 and so many other children and young people who are in our public school system in the 11 City of New York. 12 So, Mr. President, I join my leader 13 14 and my colleagues in expressing our 15 commendation to the UFT and commemorating their 50th anniversary. Thank you. 16 ACTING PRESIDENT JOHNSON: 17 Thank 18 you very much, Senator Montgomery. Senator Parker. 19 20 SENATOR PARKER: Thank you, Mr. President. 21 First let me just commend you on 22 how wonderful you look up there as the 23 presiding officer today. I hope that will 24 25 give me a little bit more time to talk about

this resolution.

I actually am just rising to add my voice to those who are commemorating the United Federation of Teachers today on their 50th anniversary.

This is really an honor and really 6 7 a pleasure for me to get up and just really 8 thank people who have -- maybe for better or 9 worse -- made me who I am today. That both my 10 mother, being a member of the union for a period when she was a teacher, and as well as 11 12 my being a product of the New York City public schools, going through P.S. 193, Andres Junior 13 14 High School, and Midwood High School, the UFT 15 and its members have helped in my personal development. 16

But as we look at one of the finest 17 18 educational systems in the entire country, the UFT has been an important part of that, 19 20 educating, as we speak, 1.1, 1.2 million schoolchildren. And in developing important 21 22 programs like Dial A Teacher that help people with their homework after school, they have 23 made sure that teachers are given both the 24 25 wages, dignity and respect in the field that

they are operating in. 1 2 These are the folks who are the 3 real caretakers of our children day to day. 4 And certainly taking a moment out in our 5 deliberations to honor their 50-year anniversary and their accomplishments, and б 7 just to say thank you to all the teachers in 8 all of our lives, I think is worth doing. 9 And so "hear, hear," to all of the 10 teachers of the UFT. ACTING PRESIDENT JOHNSON: Thank 11 12 you very much, Senator Parker. 13 Are there any other Senators that wish to be heard on the resolution? 14 15 The question is on the resolution. All those in favor please signify by saying 16 17 aye. 18 (Response of "Aye.") ACTING PRESIDENT JOHNSON: 19 20 Opposed, nay. 21 (No response.) ACTING PRESIDENT JOHNSON: 22 The 23 resolution is adopted. Senator Sampson has indicated he 24 25 would like to open the resolution to the

entire body for cosponsorship. Any Senator 1 2 wishing not to be a cosponsor please notify 3 the desk. 4 Senator Klein. 5 SENATOR KLEIN: Mr. President, I believe there's a resolution at the desk by б 7 Senator Serrano. I ask that the resolution be 8 read in its entirety and move for its 9 immediate adoption and give Senator Serrano 10 the opportunity to speak on his resolution. ACTING PRESIDENT JOHNSON: 11 Senator Klein, has the resolution been deemed 12 privileged and submitted by the office of the 13 14 Temporary President? 15 SENATOR KLEIN: Yes, it has, Mr. President. 16 ACTING PRESIDENT JOHNSON: 17 The 18 Secretary will read. 19 THE SECRETARY: By Senator 20 Serrano, legislative resolution memorializing 21 Governor David A. Paterson to declare 8:30 p.m. on Saturday, March 27, 2010, as 22 23 Earth Hour in the State of New York. "WHEREAS, It is the sense of this 24 25 Legislative Body to increase public awareness

of and appreciation for the natural resources 1 of this great Empire State, as well as 2 recognize the role all citizens have in 3 4 protecting the environment and the quality of 5 life within New York; and "WHEREAS, On Earth Hour, cities 6 7 across the world ask their residents and 8 businesses to turn off all nonessential lights for one hour in a collective show of action 9 10 against global warming; and "WHEREAS, This year, cities ranging 11 from Suva, Fiji, to Chicago, Illinois, from 12 Tel Aviv, Israel, to Copenhagen, Denmark, have 13 14 pledged to observe Earth Hour; and 15 "WHEREAS, New York State should take its place among these world sites and 16 give a strong show of support for this 17 18 symbolic action that will have the real effect of lowering the state's carbon emissions and 19 20 environmental impact; and "WHEREAS, Having iconic sites such 21 as the Empire State Building, the Capitol, the 22 Executive Mansion and Niagara Falls go dark 23 will have a deep and meaningful impact to 24 25 people around the world. The time for action

on global warming has come, and although Earth 1 Hour is not the solution to the problem, it is 2 3 a real start and will play an important role 4 in galvanizing support to combat the dire 5 threat our planet faces; now, therefore, be it "RESOLVED, That this Legislative 6 7 Body pause in its deliberations to memorialize 8 Governor David A. Paterson to declare 8:30 p.m. on Saturday, March 27, 2010, as Earth 9 10 Hour in the State of New York; and be it further 11 12 "RESOLVED, That a copy of this resolution, suitably engrossed, be transmitted 13 14 to the Honorable David A. Paterson, Governor 15 of the State of New York." ACTING PRESIDENT JOHNSON: 16 17 Senator Serrano. 18 SENATOR SERRANO: Thank you, Mr. President. Thank you, Senator Klein. 19 20 Today I'm introducing a very important resolution for the third year in a 21 This resolution will declare this 22 row. Saturday, March 27th, at 8:30 p.m. as Earth 23 24 Hour. 25 Earth Hour is a globally observed

hour conceived as a statement of action 1 2 against global climate change. It calls upon 3 people from all over the world to turn off 4 their nonessential lights for one hour. 5 Last year nearly 2,400 cities, towns, and municipalities in over 83 countries б 7 observed Earth Hour. This year, cities 8 ranging from Tel Aviv, Israel, to Copenhagen, 9 Denmark, have already pledged to observe Earth 10 Hour. 11 By flipping the switch for one hour 12 and turning off their nonessential lights, citizens around the world signify that they 13 14 understand the urgency of climate change and 15 are prepared to tackle the challenge head-on. Actions taken by our state have 16 both a symbolic effect and a very tangible 17 18 effect on the rest of the world. According to Environmental Advocates of New York, our state 19 20 is the 8th largest emitter of greenhouse gases 21 in the country, rivalling the output of some 22 European nations. To put that in perspective, the very first Earth Hour, in Sydney, 23 Australia, had the same effect as taking a 24 25 whopping 48,000 cars off the road for that one

hour.

1

2	Last year, at my request, the
3	Empire State Building and a number of other
4	cities went dark for an hour. It is my hope
5	that participation will be even greater this
6	year and that all of my colleagues here today
7	will join me in helping to increase
8	participation within their own districts and
9	surrounding neighborhoods.
10	I am proud to have received
11	numerous cosponsors from both sides of the
12	aisle on this very important resolution. And
13	I hope that you will join me in support as we
14	declare 8:30 p.m., March 27, 2010, as Earth
15	Hour throughout the great State of New York.
16	Thank you, Mr. President.
17	ACTING PRESIDENT JOHNSON: Thank
18	you very much, Senator Serrano.
19	Are there any other Senators that
20	wish to be heard on the resolution?
21	The question is on the resolution.
22	All those in favor please signify by saying
23	aye.
24	(Response of "Aye.")
25	ACTING PRESIDENT JOHNSON:

Opposed, nay. 1 2 (No response.) 3 ACTING PRESIDENT JOHNSON: The 4 resolution is adopted. Senator Serrano has indicated that 5 he would like to open the resolution to the б 7 entire body for cosponsorship. Any Senator 8 wishing not to be a cosponsor please notify 9 the desk. 10 Senator Klein. Mr. President, I 11 SENATOR KLEIN: believe there's a resolution at the desk by 12 13 Senator Parker. I ask that the title of the resolution be read and move for its immediate 14 15 adoption. 16 ACTING PRESIDENT JOHNSON: Senator Klein, has the resolution been deemed 17 18 privileged and submitted by the office of the 19 Temporary President? 20 SENATOR KLEIN: Yes, it has, 21 Mr. President. ACTING PRESIDENT JOHNSON: 22 The Secretary will read. 23 THE SECRETARY: 24 By Senator 25 Parker, legislative resolution memorializing

1	Governor David A. Paterson to proclaim
2	March 23, 2010, as American Diabetes
3	Association Alert Day in the State of
4	New York, in conjunction with the 22nd
5	American Diabetes Association Alert Day.
6	ACTING PRESIDENT JOHNSON:
7	Senator Parker.
8	SENATOR PARKER: Thank you,
9	Mr. President.
10	This resolution would ask Governor
11	Paterson to proclaim March 23, 2010, as
12	American Diabetes Association Alert Day in the
13	State of New York, in conjunction with the
14	22nd American Diabetes Alert Day.
15	It really serves as a wake-up call
16	asking the American public: What would you do
17	to stop diabetes? Do you know your risk? And
18	what are things that are available to people
19	in the community to make sure we fight
20	diabetes?
21	This debilitating disease is, you
22	know, prevalent throughout our societies,
23	particularly as we talk about the issues
24	around childhood obesity that oftentimes very
25	much is connected to also the issues of

diabetes.

1

2	I've had a number of family
3	members, including my mom, who suffers from
4	diabetes. I often say that with diabetes,
5	dying is not even the worst thing that can
6	happen to you. You literally see people
7	physically waste away and have parts of their
8	bodies removed. And certainly this is
9	something that we ought to be aware of and
10	combat.
11	That's the bad news. The good news
12	is that in both Type 1 and Type 2 diabetes,
13	that these illnesses can be prevented and
14	sometimes even reversed with our own behavior.
15	Diabetes is a serious disease that
16	strikes nearly 24 million children and adults
17	in the United States. An additional
18	57 million, or one in five Americans, have
19	prediabetes, which puts them at a high risk
20	for developing Type 2 diabetes.
21	This silent killer must be stopped.
22	And so I hope that my colleagues will join in
23	this resolution and that they will spread the
24	word about diabetes and the fact that we in
25	fact need to organize ourselves in our own

communities to stop this silent killer. 1 2 Thank you, Mr. President. ACTING PRESIDENT JOHNSON: 3 Thank 4 you, Senator Parker. 5 Senator DeFrancisco. SENATOR DeFRANCISCO: I think 6 7 this is a wonderful resolution, and it shows 8 the support for trying to cure a very, very serious disease and showing support for those 9 10 who are afflicted with it. 11 I think there's another way and I 12 think a much more productive way to do the same thing. And that is Senate Bill 1492A, 13 14 that I sponsor, provides for, on a tax return, 15 a voluntary check-off for donations to help cure diabetes to the Diabetes Association. 16 Right now there are five other 17 18 organizations that are allowed voluntary check-offs on our tax returns, and this would 19 20 be a wonderful bill to supplement a resolution that states the goals of the State of 21 New York. 22 23 And what's really good about this bill is that the Assembly has already passed 24 25 it. The Assembly has already passed it. Ιt

could become a law and we could do something 1 2 substantive with respect to this disease. 3 So I would urge my colleagues on 4 the majority side of the aisle to pick this 5 bill up and -- keep the same name as sponsor, though; that would be a good idea -- and then б 7 pass the bill so we can make this law. 8 Thank you. 9 ACTING PRESIDENT JOHNSON: Thank 10 you very much, Senator DeFrancisco. Are there any other Senators that 11 wish to be heard on the resolution? 12 The question is on the resolution. 13 14 All those in favor please signify by saying 15 aye. (Response of "Aye.") 16 ACTING PRESIDENT JOHNSON: 17 18 Opposed, nay. 19 (No response.) 20 ACTING PRESIDENT JOHNSON: The resolution is adopted. 21 Senator Parker has indicated that 22 23 he would like to open the resolution to the entire body for cosponsorship. Any Senator 24 25 wishing not to be a cosponsor please notify

the desk. 1 Senator Klein. 2 3 SENATOR KLEIN: Mr. President, at 4 this time I move we adopt the Resolution 5 Calendar in its entirety, with the exception 6 of Senate Resolutions 3910 and 4312. 7 ACTING PRESIDENT JOHNSON: All 8 those in favor of adopting the Resolution 9 Calendar, with the exception of Senate 10 Resolutions 3910 and 4312, please signify by 11 saying aye. 12 (Response of "Aye.") 13 ACTING PRESIDENT JOHNSON: 14 Opposed, nay. 15 (No response.) 16 ACTING PRESIDENT JOHNSON: The Resolution Calendar is adopted. 17 18 Senator Klein. 19 SENATOR KLEIN: Mr. President, I 20 move to take up Senate Resolution 3910, by 21 Senator Foley. I ask that the resolution be 22 read in its entirety and move for its immediate adoption. 23 ACTING PRESIDENT JOHNSON: 24 The 25 Secretary will read.

THE SECRETARY: By Senator Foley, 1 Legislative Resolution Number 3910, 2 3 recognizing the many contributions of the 4 Pakistani-American community residing 5 throughout the State of New York. Senator Klein. 1 2 SENATOR KLEIN: Mr. President, at 3 this time can we take up Senate Resolution 4 4312, by Senator Stachowski. I ask that the 5 resolution be read in its entirety and move for its immediate adoption. б 7 ACTING PRESIDENT JOHNSON: The 8 Secretary will read. 9 THE SECRETARY: By Senator 10 Stachowski, Legislative Resolution Number 11 4312, honoring Ryan Miller upon the occasion 12 of his designation as the Most Valuable Player of the Olympic Hockey Tournament at the 2010 13 14 Winter Olympics in Vancouver, British 15 Columbia. "WHEREAS, It is the sense of this 16 Legislative Body to extend its full 17 18 recognition and grateful tribute to the outstanding athletes of New York State who 19 20 have dedicated their purposeful lives to athletic achievement and proudly represented 21 22 their great state and nation in Olympic competition; and 23 "WHEREAS, This Legislative Body is 24 25 justly proud to join the community of Buffalo,

1	New York, in honoring a young man of great
2	skill, personal courage, and unparalleled
3	dedication, whose career and athletic
4	achievements are world-renowned and personify
5	the highest ideals of the American spirit and
6	Olympic competition; and
7	"WHEREAS, Born July 17, 1980, in
8	East Lansing, Michigan, Ryan Miller of the
9	Buffalo Sabres in the National Hockey League
10	grew up in East Lansing, Michigan, and
11	graduated from East Lansing High School and
12	Michigan State University; and
13	"WHEREAS, As a college player for
14	the Michigan State University Spartans, Ryan
15	Miller set an NCAA record with 26 career
16	shutouts and was the winner of the Hobey Baker
17	Award in 2001. He is only the second Spartan
18	in history to win the Hobey Baker Award; and
19	"WHEREAS, At Michigan State, Ryan
20	Miller was the CCHA's Goaltender of the Year
21	all three of his seasons and twice was the
22	league's overall Most Valuable Player when he
23	led the country in wins, winning percentage,
24	save percentage, goals-against average and
25	shutouts. He was also the 2001 Big Ten-Jesse

1	Owens Men's Athlete of the Year; and
2	"WHEREAS, Ryan Miller was selected
3	as starting goalie for the United States of
4	America in the 2010 Winter Olympics in
5	Vancouver. Although the United States team
6	was not a medal favorite, he led the team to a
7	perfect 5-0 start, including a 5-3 win over
8	gold-medal favorite Canada in the preliminary
9	round, where he rendered a stellar performance
10	in stopping 42 of 45 shots; and
11	"WHEREAS, The five wins in the 2010
12	Olympic ice hockey competition, including
13	victories over Switzerland and Finland in the
14	quarterfinals and semifinals respectively,
15	brought the Miller-led United States team to
16	the gold-medal game, where they faced the
17	favored Canadian team for the second time.
18	The United States lost the gold-medal game by
19	a score of 3-2 in overtime despite Miller's
20	brilliant 36 saves; and
21	"WHEREAS, Ryan Miller's United
22	States Olympic hockey team won the silver
23	medal, and he was named the Most Valuable
24	Player of the tournament, with a save
25	percentage of 0.946, and an American Olympic

record goals-against average of 1.35. Along 1 with being honored as the MVP, he won IHF Best 2 3 Goaltender honors and was named to the Olympic 4 All-Star team; and 5 "WHEREAS, Many will only dream of competing in the Olympic Games. This gifted б 7 athlete from this great Empire State, through 8 hard work and a tenacious spirit, has made that vision a reality. He has proudly 9 10 represented his country in competition among the world's finest athletes, an honor that 11 12 gives just cause for his family, community and state to be exceedingly proud of his athletic 13 14 achievements; now, therefore, be it 15 "RESOLVED, That this Legislative Body pause in its deliberations with praise 16 17 and pride to honor Ryan Miller upon the 18 occasion of his designation as the Most Valuable Player of the Olympic Hockey 19 20 Tournament at the 2010 Winter Olympic Games in Vancouver, British Columbia; and be it further 21 "RESOLVED, That a copy of this 22 resolution, suitably engrossed, be transmitted 23 24 to Ryan Miller." 25 ACTING PRESIDENT JOHNSON:

Senator Stachowski.

1

SENATOR STACHOWSKI: 2 Yes, 3 Mr. President, I'd just like to rise to say a 4 few words on the resolution. 5 Obviously everybody in the state is б aware of the performance that Ryan Miller did 7 in the Olympic Games. To say he was 8 spectacular is an understatement in this case. He carried a team that was not favored at all 9 10 to be in the final game all the way to the finals, led them undefeated into that game, 11 12 and unfortunately they lost in overtime. But Ryan Miller was unbelievable, 13 14 recording shutouts, setting a record for 15 goals-against. And for the world stage, he was dominant. And the fact is Ryan Miller has 16 been in the main cog in the Sabres' success 17 18 this year, and hopefully we'll be able to get him here right after the Sabres win the 19 20 Stanley Cup this year and maybe we'll do a resolution then naming him the MVP of the 21 Stanley Cup. Hopefully, as we in Buffalo hope 22 that we would win one. 23 24 So I just wanted to take time today 25 to recognize his accomplishments by this body,

and the fact that we're very proud of somebody 1 2 that plays professionally in Buffalo, 3 New York, and pretty much lives there now 4 because of the length of the hockey season. 5 And we wish Ryan Miller continued б success. And hopefully at the next Olympics, 7 which would be his second -- this was the 8 first time he was ever chosen for the Olympic team -- he will be able to get the team all 9 10 the way to the Gold Medal. So congratulations on the Silver 11 12 Medal. More importantly, congratulations on 13 an MVP award on a runner-up team, which is not 14 always the case. But a spectacular 15 performance that I thought raised the level of people's awareness of hockey across the United 16 17 States and made all people in every state, but 18 particularly New York State, proud of the performance of this particular young man and 19 20 the team he played on. 21 Thank you. ACTING PRESIDENT JOHNSON: 22 Thank you very much, Senator Stachowski. 23 Senator Little, on the resolution. 24 25 SENATOR LITTLE: Thank you,

Mr. President.

1

2	If I may, I would like to join
3	Senator Stachowski in congratulating Ryan
4	Miller on his wonderful achievements at the
5	Olympics. It was just great fun watching them
6	play, and tremendous skill, and certainly to
7	have gone into an overtime in the championship
8	game was wonderful, winning the Silver Medal.
9	I'd also like to point out there
10	are two other resolutions in our packet today,
11	one honoring the Olympic skier, Andrew
12	Weibrecht, of Lake Placid, upon the occasion
13	of winning a Bronze Medal in downhill skiing,
14	and a second one honoring Bill Demong of
15	Vermontville, in the Saranac Lake area, who
16	after attending his fourth Olympics, and he
17	was 29 years old he had participated in
18	skiing, and he did the jumping and the
19	cross-country skiing as well but he won a
20	Gold Medal and a Silver Medal.
21	So I'm sure we all join together
22	being proud of our Olympic athletes, but these
23	were also included in today's resolutions.
24	Thank you.
25	ACTING PRESIDENT JOHNSON: Thank

you very much, Senator Little. 1 2 Are there any other Senators that 3 wish to be heard on the resolution? 4 The question is on the resolution. 5 All those in favor please signify by saying б aye. 7 (Response of "Aye.") 8 ACTING PRESIDENT JOHNSON: 9 Opposed, nay. 10 (No response.) ACTING PRESIDENT JOHNSON: 11 The 12 resolution is adopted. Senator Stachowski has indicated 13 14 that he would like to open the resolution to 15 the entire body for cosponsorship. Any Senator wishing not to be a cosponsor please 16 notify the desk. 17 18 Senator Klein. SENATOR KLEIN: Thank you, 19 20 Mr. President. At this time can we please take up 21 Senate Resolution 4102, by Senator Stavisky, 22 which was previously adopted on March 9th. I 23 ask that the title of the resolution be read 24 25 and move for its immediate adoption and allow

Senator Stavisky to speak on her resolution. 1 2 ACTING PRESIDENT JOHNSON: The 3 Secretary will read. 4 THE SECRETARY: By Senator 5 Stavisky, Legislative Resolution Number 4102, memorializing Governor David A. Paterson to 6 7 proclaim April 18 through 24, 2010, as 8 Osteopathic Medicine Week in the State of 9 New York, in conjunction with National 10 Osteopathic Medicine Week and in tribute to 11 the osteopathic physicians of this state. 12 ACTING PRESIDENT JOHNSON: 13 Senator Stavisky. 14 SENATOR STAVISKY: Thank you, 15 Mr. President. And it is good to see you up there. 16 There are about 5,000 osteopathic 17 18 doctors in New York State, about 500 in New York City, and they provide primary care 19 20 in underserved areas, for the most part. They contribute to the well-being and the health of 21 22 our community. 23 Very briefly, this resolution does 24 proclaim April 18 to 24 as Osteopathic 25 Medicine Week in New York State. And we are

here to welcome a group of them to Albany. 1 2 They are members and representatives of the 3 New York State Osteopathic Medical Society, 4 known as DOs, for doctor of osteopathy. 5 But earlier I explained to them that in the New York State Legislature, "DO" б 7 to us has a different connotation, district 8 office. But now we are hearing about a different kind of DO, where they do provide 9 10 service. 11 They are here doing currently their 12 postgraduate training in residency programs throughout the state, the osteopathic medical 13 students at the New York College of 14 15 Osteopathic Medicine in Old Westbury, New York, and at the Touro College of 16 Osteopathic Medicine in Harlem. 17 18 It's interesting to note that the College of Osteopathy in Old Westbury 19 20 graduates about 300 doctors per year, and Touro will produce about 140 a year. 21 So this 22 is a growing segment of our healthcare community. 23 24 We welcome them to Albany, and we 25 encourage them, as I said earlier, to please

stay in New York State and pay taxes and help 1 2 us with our budget problems. 3 Thank you, Mr. President. 4 ACTING PRESIDENT JOHNSON: Thank 5 you very much, Senator Stavisky. 6 Are there any other Senators 7 wishing to be heard on this resolution? 8 This resolution was unanimously 9 adopted on March 9th. 10 Senator Klein. 11 SENATOR KLEIN: Mr. President, 12 before I proceed with my motion, I think congratulations are in order. One of our 13 14 colleagues, Senator Aubertine, is the proud 15 first-time grandfather of a baby girl. Let's give him a big hand, everyone. 16 17 (Applause.) 18 SENATOR KLEIN: Gracie Margaret, 7 pounds, 1 ounce. 19 20 ACTING PRESIDENT JOHNSON: Congratulations, Senator Aubertine. 21 22 Senator Klein. 23 SENATOR KLEIN: On behalf of Senator Valesky, I move that the following 24 25 bills be discharged from their respective

committees and be recommitted with 1 instructions to strike the enacting clause: 2 3 Senate Number 3495. 4 ACTING PRESIDENT JOHNSON: So 5 ordered. Senator Klein. б 7 SENATOR KLEIN: On behalf of 8 Senator Smith, Mr. President, I hand up the following committee notice and ask that it be 9 10 filed in the Journal. ACTING PRESIDENT JOHNSON: To be 11 filed in the Journal. 12 Senator Klein. 13 14 SENATOR KLEIN: Mr. President, is 15 there any further business at the desk? ACTING PRESIDENT JOHNSON: 16 Senator Klein, the desk is clear. 17 18 SENATOR KLEIN: There being no further business, Mr. President, I move that 19 20 we adjourn until Wednesday, March 24th, at 3:00 p.m. 21 ACTING PRESIDENT JOHNSON: 22 There 23 being no further business to come before the Senate, on motion, the Senate stands adjourned 24 25 until Wednesday, March 24th, at 3:00 p.m.
