18 SENATOR ANDREA STEWART-COUSINS, Acting President

19 ANGELO J. APONTE, Secretary

1 P R O C E E D I N G S

2 ACTING PRESIDENT STEWART-COUSINS:

3 The Senate will please come to order.

4 I ask everyone present to rise and  
5 recite with me the Pledge of Allegiance to our  
6 Flag.

7 (Whereupon, the assemblage recited  
8 the Pledge of Allegiance to the Flag.)

9 ACTING PRESIDENT STEWART-COUSINS:

10 Today's invocation will be provided by the  
11 Reverend Peter G. Young, of Mother Teresa  
12 Community in Albany.

13 REVEREND YOUNG: Thank you,  
14 Senator.

15 As we have just celebrated Memorial  
16 Day, we must remember the symbol of our Empire  
17 State, that it is represented by our New York  
18 State in stained glass above the President's  
19 chair in this Senate chamber. I draw your  
20 attention to it as a proud New York State  
21 American.

22 The State Seal has the motto  
23 "Excelsior" -- "ever upward" -- and it  
24 replaced the place of the crown in 1777. Lady  
25 Liberty, with a peasant cap representing

1 democratic rule, has her left foot stepping on  
2 the crown, representing the rejection of  
3 royalty.

4 As citizens of the Empire State, we  
5 have been the leader with our constitution  
6 12 years before the federal Constitution. As  
7 a national leader, You have given these  
8 Senators a great power and responsibility. We  
9 pray that they will always work in Your image  
10 and honor for all of our New York State  
11 citizens.

12 Amen.

13 ACTING PRESIDENT STEWART-COUSINS:

14 Thank you, Father.

15 The reading of the Journal.

16 The Secretary will read.

15          President, to explain my vote.

16                  ACTING PRESIDENT STEWART-COUSINS:  
17          Senator Maziarz, to explain his vote.

18                  SENATOR MAZIARZ:       Thank you very  
19          much, Madam President.

20                   This is the -- I think a two-week  
21          extender to the Power for Jobs program, a very  
22          valuable program.  It provides low-cost  
23          hydropower produced at Niagara and  
24          St. Lawrence to almost 500 businesses in  
25          New York State.

1                   And we in this Senate, there's one  
2           thing -- after a day like yesterday -- I think  
3           we could truly point to with a great deal of  
4           pride, that we in the Senate have worked  
5           together, both sides of the aisle, to come up  
6           with what the people in business, the people  
7           in labor, the people in the field of energy  
8           all agree is a very good compromise.

9                   It protects those industries that  
10          currently get an allocation of Power for Jobs;  
11          it expands the pool of companies in New York,  
12          particularly manufacturing companies, that  
13          will be eligible for Power for Jobs; it  
14          protects upstate residential ratepayers in the  
15          three utility districts -- National Grid,  
16          RG&E, and New York State Gas and Electric.  
17          And we did this in a very professional,  
18          bipartisan manner here.

19                  The real problem is not in this  
20          house but over in the other house, where they  
21          just can't seem to negotiate, they don't want  
22          to, it appears to me, to negotiate any kind of  
23          a final agreement. They just want to keep  
24          extending and extending and extending.

25                  So I think that we clearly should

1 do this for those almost 500 businesses. But  
2 I do think that we have to draw a line  
3 somewhere and say that we are not going to go  
4 any further with this.

5 So, Madam President, I vote in the  
6 affirmative. Thank you.

7 ACTING PRESIDENT STEWART-COUSINS:  
8 Senator Maziarz to be recorded in the  
9 affirmative.

10 Senator Griffo, to explain his  
11 vote.

12 SENATOR GRIFFO: Thank you,  
13 Madam President.

14 I agree with Senator Maziarz, and I  
15 do believe that we are working very hard in  
16 this house to try and find common ground.

17 In fact, in the first Energy  
18 Committee that we began to discuss the  
19 possibility of a short-term extender, I warned  
20 that it should be a longer version of that,  
21 because if we only go in these two-week  
22 increments that we're going to see problems,  
23 particularly in the other house.

24 I'm also concerned about the  
25 Governor and his position. There's some

1       indication that there may be an unwillingness  
2       to sign any extender. And I would hope that  
3       he would not jeopardize all of these important  
4       manufacturers who are relying upon this. And  
5       when we're at a time when we are concerned  
6       about jobs and the future of our economy, I  
7       would hope that he would continue to support  
8       this as we try to work on a product and a  
9       final bill that will bring Power for Jobs into  
10      a permanent policy.

11                So I will be voting yes today, and  
12      I'm hopeful that we can get everybody to  
13      continue to be focused and supportive of the  
14      initiative of Power for Jobs in a permanent  
15      perspective.

16                ACTING PRESIDENT STEWART-COUSINS:  
17      Senator Griffo to be recorded in the  
18      affirmative.

19                Senator DeFrancisco, to explain his  
20      vote.

21                SENATOR DeFRANCISCO:     Thank you.  
22                I also am going to vote aye on this  
23      bill, but there's a point that I made before  
24      and I just want to reemphasize it, is there's  
25      just so much power that's being allocated for

1 jobs. There's a limited number of kilowatts,  
2 and we've got to use it most effectively.

3 And the most effective way to use  
4 this is by assisting manufacturing companies,  
5 those that provide the greatest, the best  
6 jobs. They also provide the spinoffs for  
7 other companies that do business for the  
8 manufacturing companies.

9 And I would hope that as the  
10 negotiations go forward that we restrict the  
11 eligibility to manufacturing companies, as  
12 opposed to arts organizations or nonprofit  
13 organizations or universities and the like. I  
14 just don't think that with the limited amount  
15 of power that we should not use it for the  
16 biggest bang for the buck; namely,  
17 manufacturers. So I vote aye with that  
18 understanding.

19 Thank you, Madam President.

20 ACTING PRESIDENT STEWART-COUSINS:

21 Senator DeFrancisco to be recorded in the  
22 affirmative.

23 Senator Libous, to explain his  
24 vote.

25 SENATOR LIBOUS: Madam President,

1       thank you.

2                   I stand frustrated on this piece of  
3       legislation. As I said the first time when  
4       Senator Aubertine had a bill on the floor  
5       about a month ago, I said that this was not  
6       real because there's no bill in the Assembly  
7       and we're giving false hope to businesses.  
8       Then we did an extender and the Assembly did  
9       an extender.

10                   This is what's wrong with state  
11       government, Madam President. You know, today  
12       I would applaud Senator Maziarz because at  
13       least this house, together, is trying to move  
14       Power for Jobs forward in a permanent way.  
15       But the Assembly, Madam President, fails to  
16       negotiate, fails to work with Senator Maziarz,  
17       the chairman of the Energy Committee, to move  
18       forward on this issue.

19                   And it seems like every time this  
20       house begins to move forward on an issue, the  
21       Assembly stalls. And that's what's wrong with  
22       state government. That's what the people  
23       outside of these walls, the people who live in  
24       New York State, are frustrated with. June  
25       1st, no budget, and here we are again, another

1       Power for Jobs extender.

2               So I stand with my colleagues  
3       today. I'm going to support this because it's  
4       good for New York. And I say thank you to the  
5       members of this chamber for at least trying to  
6       put an initiative forward.

7               Madam President, the Assembly has  
8       to pay attention to what we're doing here.  
9       Because if they don't want to cooperate and  
10      negotiate, the state will continue to be  
11      dysfunctional. I will vote aye.

12              ACTING PRESIDENT STEWART-COUSINS:  
13      Senator Libous to be recorded in the  
14      affirmative.

15              Are there any other Senators  
16      wishing to explain his or her vote?

17              Announce the results.

18              THE SECRETARY:     Ayes, 61. Nays,  
19      0.

20              ACTING PRESIDENT STEWART-COUSINS:  
21      The bill is passed.

22              Senator Klein, that completes the  
23      reading of the noncontroversial supplemental  
24      active list.

25              SENATOR KLEIN:     Madam President,

1 is there any further business at the desk?

2 ACTING PRESIDENT STEWART-COUSINS:

3 Senator Klein, the desk is clear.

4 SENATOR KLEIN: There being no  
5 further business, Madam President, I move that  
6 we adjourn until Thursday, June 3rd, at  
7 10:00 a.m.

8 ACTING PRESIDENT STEWART-COUSINS:

9 There being no further business to come before  
10 the Senate, on motion, the Senate stands  
11 adjourned until Thursday, June 3rd, at  
12 10:00 a.m.

13 (Whereupon, at 4:42 p.m., the  
14 Senate adjourned.)
