privileged resolution at the desk by Senator 1 2 Perkins. May we please have the title read, and I believe you will then call on Senator 3 Perkins and we will ask for its immediate 4 5 adoption. ACTING PRESIDENT GRIFFO: 6 Thank 7 you, Senator Libous. 8 The Secretary will read. 9 THE SECRETARY: By Senator 10 Perkins, Legislative Resolution Number 629, 11 commemorating Harlem's Historic African Burial 12 Ground, in recognition of Black History Month, February of 2011. 13 14 ACTING PRESIDENT GRIFFO: Senator 15 Perkins. SENATOR PERKINS: Thank you very 16 much. 17 18 I want to read: "With February being Black History Month, it is a time to 19 20 reflect on the struggles and victories of African-Americans throughout our country's 21 22 history and to recognize their numerous valuable contributions to society. 23 "Last year, in February, downtown 24 25 at the federal General Services Administration Building, with pomp and fanfare a new visitor's center opened near the 'Negro's Cemetery,' rediscovered in 1991, that was active during the 17th and 18th centuries as the final resting place of tens of thousands of African slaves whose unpaid labor helped to make New York the nation's great commercial capital.

"Additionally, yet another 'Negro's Cemetery' existed in East Harlem, El Barrio, below what is now the MTA's 126th Street Bus Depot. This colonial-era burial ground for African-American slaves and free blacks occupies a quarter-acre lot on the original Dutch Reformed Church grounds, on First Avenue between 126th and 127th Streets, and was in operation until as late as 1845.

"In New York State, slavery,
gradually abolished in 1827, persisted until
1830, and laws enacted prior to that date,
though encouraging the conversion of Negroes
and Indians to the Christian faith, strictly
stipulated 'that the baptism of any slave
should not be deemed a manumission of such
slave,' and even in death blacks were denied

human dignity conferred by ceremony, with a law passed in 1722 inspired by fear of conspiracies, decreeing that 'all Negro and Indian slaves dying within the City should be buried by daylight ... that not more than 12 slaves should attend any funeral, under penalty of a public whipping ... that no pall, gloves or favors of any sort were to be worn, and any slave who was found to have held a pall or worn gloves or favors was to be whipped. The non-Christian character of the blacks prevented burial in consecrated ground.'

"Even late into the 19th century, the remains of whites were disinterred and reburied with a solemn church service at Woodlawn Cemetery, while those of blacks were left in place and desecrated.

"Harlem's oldest congregation, the
Elmendorf Reformed Church, made up of
descendants of enslaved people, under the
heroic leadership of The Reverend Dr. Patricia
A. Singletary valiantly led the fight to gain
Harlem's African Burial Ground's preservation,
recognition, and fitting commemoration."

I want to thank my colleague 1 2 Senator Serrano, who actually represents that 3 area, for the leadership that he has helped to 4 provide to rerecognize that burial ground. 5 And I would hope that we would pause for a moment to recognize the history of 6 7 Harlem's historic African Burial Ground and 8 those who are buried there. 9 Thank you very much, Mr. Chair. 10 And I'd like to ask that my colleagues join me 11 in signing onto the resolution. 12 ACTING PRESIDENT GRIFFO: Senator Serrano, on the resolution. 13 14 SENATOR SERRANO: Thank you very 15 much. I want to extend my gratitude to 16 Senator Bill Perkins for putting this 17 18 resolution forth. A year ago, he and I held a public 19 20 meeting in East Harlem to discuss the cultural and historical significance of this African 21 Burial Ground that indeed is in East Harlem, 22 in my district. And it was a wonderful 23 display, a wonderful educational opportunity 24

for the residents of the district and the

1 area.

It just goes to show the important cultural impact that a burial ground such as this has, and the importance of preserving the legacy of this burial ground, not only for the current historical and cultural value, but for future generations to come.

So I want to thank Senator Perkins and all of my colleagues in government and all of the local elected officials and the African Burial Ground Task Force in East Harlem, of which I'm a part of, as we continue to ensure that the local agencies there respect and understand the historical and cultural significance of this burial ground and that we preserve its heritage for generations to come.

Thank you, Mr. President.

ACTING PRESIDENT GRIFFO: Thank you, Senator Serrano.

Is there any other Senator wishing to be heard on the resolution?

There being none, the question is on the resolution. All in favor signify by saying aye.

(Response of "Aye.")

4	ACTING PRESIDENT GRIFFO: The
5	resolution is adopted.
6	Senator Libous, with your consent,
7	we will afford the standard practice of
8	allowing all on the resolution. Those who do
9	not intend to be considered as a part of the

11	Senator Libous.
12	SENATOR LIBOUS: Thank you,
13	Mr. President.
14	I believe there's another
15	privileged resolution at the desk, by Senator
16	Stavisky. And would we have its title read
17	and call on Senator Stavisky and then move for
18	its adoption.
19	ACTING PRESIDENT GRIFFO: The
20	Secretary will read.
21	THE SECRETARY: By Senator
22	Stavisky, legislative resolution memorializing
23	Governor Andrew M. Cuomo to proclaim Monday,
24	February 28, 2011, as Family Dysautonomia
25	Awareness Day in the State of New York.

ACTING PRESIDENT GRIFFO: Senator 1 2 Stavisky. 3 SENATOR STAVISKY: Thank you, 4 Mr. President. 5 This resolution memorializes the Governor to proclaim today as Familial 6 7 Dysautonomia Awareness Day. This is a genetic 8 disease affecting one in 27 people of Eastern 9 European Jewish ancestry. But fortunately, 10 those who are affected would carry the recessive gene for it. 11 It's also known as FD, or Riley-Day 12 Syndrome. And this is a disease that at one 13 time children lived to approximately 5 years 14 15 of age. But today the life span is much longer, with the research that's being done 16 through the foundation that was set up. 17 18 It is fortunately a rare disease. But as I said, it affects people of Eastern 19 20 European Jewish ancestry. And it is a 21 devastating disease that affects families. 22 And to have children born with this genetic 23 disorder is very, very troubling, obviously, for the families that are involved. 24 25 Today there is still no cure.

There is a privileged resolution at 1 the desk by Senators Larkin, Saland, and Ball. 2 Mr. President, could we have it read in its 3 4 entirety, and then I would ask that you call 5 on Senators Larkin, Saland and Ball, in that order, before we actually vote on the 6 resolution. 7 8 ACTING PRESIDENT GRIFFO: The 9 Secretary will read. 10 THE SECRETARY: By Senators Larkin, Saland and Ball, legislative 11 12 resolution mourning the untimely death of City of Poughkeepsie Police Officer John M. Falcone 13 14 on February 18, 2011. 15 "WHEREAS, It is the sense of this Legislative Body to convey its grateful 16 appreciation and heartfelt regret in 17 18 recognition of the loss of a courageous police officer who dedicated his purposeful life and 19 20 career in faithful service to his family, 21 community, and the City of Poughkeepsie Police 22 Department; and 23 "WHEREAS, It is with profound 24 sadness that this Legislative Body records the 25 passing of City of Poughkeepsie Police Officer

John M. Falcone, who made the ultimate 1 sacrifice on February 18, 2011, while 2 3 faithfully and courageously executing his 4 responsibilities in the line of duty, serving 5 with dedication, loyalty and compassion, and who devoted his purposeful life and career to 6 7 serve and protect; and 8 "WHEREAS, A 44-year-old resident of Marlboro, New York, John M. Falcone was born 9 10 in Brooklyn, New York, on January 21, 1967, to 11 John and Margaret Falcone; and "WHEREAS, Police Officer John M. 12 Falcone was a 20-year law enforcement veteran 13 and rendered 18 years of outstanding and 14 15 dedicated service as a police officer for the City of Poughkeepsie Police Department and was 16 17 recently promoted to detective; and 18 "WHEREAS, On February 18, 2011, Police Officer John M. Falcone was tragically 19 20 shot and killed after he had heroically rescued a 3-year-old female child from a 21 22 violent domestic dispute in the City of Poughkeepsie, New York; and 23 "WHEREAS, Exemplifying what it 24 25 truly means to give of himself in providing

vital police services in keeping with the noble mission of the City of Poughkeepsie

Police Department, John M. Falcone lived his life with great dignity and genuine grace, always demonstrating a deep and continuing concern for the welfare of others; and

"WHEREAS, John M. Falcone is survived by his loving parents, John and Margaret Falcone. He is also survived by his sister, Victoria Fiorisi, and by his two adoring nephews, Giovanni M. and Michael V. Fiorisi; and

"WHEREAS, This Legislative Body will remember Police Officer John M. Falcone for his courage and dedication to duty and for his heroism in saving the life of an innocent child, and mourns for a life tragically cut short by a senseless act of violence; and

"WHEREAS, Armed with a humanistic spirit, imbued with a sense of compassion, and comforted by a loving family, Police Officer John M. Falcone leaves behind a legacy which will long endure the passing of time and will remain as a comforting memory to all he served and befriended. He will be deeply missed and

truly merits the grateful tribute of this 1 Legislative Body; now, therefore, be it 2 "RESOLVED, That this Legislative 3 4 Body pause in its deliberations to mourn the 5 untimely death of City of Poughkeepsie Police Officer John M. Falcone, noting the 6 7 significance of his contributions on behalf of 8 the citizens of this noble Empire State, and expressing its deepest condolences to his 9 10 family; and be it further "RESOLVED, That a copy of this 11 12 resolution, suitably engrossed, be transmitted to the family of John M. Falcone." 13 ACTING PRESIDENT GRIFFO: 14 I ask 15 the chamber to please remain silent as we undertake this resolution. 16 17 And I call upon Senator Saland. 18 SENATOR SALAND: Thank you, Mr. President. 19 20 Mr. President, we all at one time or another have to deal with the issue of 21 death or the passing of an individual member 22 of our family, a friend, and acquaintance. 23 And it certainly is an experience which is 24 25 painful and which is traumatic.

Perhaps as painful as that is, it's even more so painful when that life is taken by an act of extreme violence, and even more so painful when the person whose life is taken is a sworn officer of the law doing his duty in defense of others, attempting to save the life of a child, a child who was brought to the city of Poughkeepsie by her mother, who had just recently been savagely murdered by her father. Poughkeepsie happened to be a destination point, a dropoff point where an exchange was to be made.

Officer Falcone, recently Detective Falcone, a very well respected member of the City of Poughkeepsie Police force, a man who was well known in law enforcement circles, universally respected in the community, did what his sworn duty imposed upon him to do. He was in the area, he responded, and he attempted to deal with a situation which is a law enforcement officer's worst nightmare, intervening in a domestic violence dispute.

Officer Falcone is a much decorated officer, an experienced officer -- and I should refer to him as "Detective"; I knew him

far longer as "Officer." He responded as the professional that he was. He responded and did it apparently by the book. Here's a man who had served for some 18 years, a young man, a man who, as I said, had numerous decorations, commendations. A man who was truly a cop's cop. A man who earned the admiration of those with whom he served, the respect of those with whom he served, and the respect of the greater community.

The loss to his family, his

parents, his sister -- as was mentioned, his

nephews -- is probably unbearable,

particularly given the way his life was taken.

But his loss was a loss that touches not only

each and every one of the people that live in

the city of Poughkeepsie -- because he was

there on their behalf as the embodiment of

public safety -- but his loss is a loss to all

of us.

His loss, much like the loss of a policeman, a sheriff, a trooper, a highway patrolman anywhere in this country who gives his or her life in the name of public safety, in the name of protecting others, in the name

of attempting to resolve a matter not with 1 ultimate or fatal force, but by the skills 2 that he's been blessed with, or given -- when 3 4 dealing with such confrontations, only to be 5 violently cut down by a far more violent and far more ruthless individual. 6 7 His loss is to be mourned not 8 merely by his family, but it is to be mourned 9 by all of us. My heart, my prayers go out to 10 his family. And I can safely say that the family of the City of Poughkeepsie mourn his 11 12 loss and pay their respects to him, to his 13 memory, to those with whom he served, and 14 especially to his family. 15 Thank you, Mr. President. ACTING PRESIDENT GRIFFO: 16 Senator Larkin. 17 18 SENATOR LARKIN: Thank you, Mr. President. 19 20 I want to thank my colleague Senator Saland for giving an excellent outline 21 of Officer Falcone's life and his contribution 22 to his community. 23

You know, there's a lot more to

this, as Steve said -- and brought it out

24

carefully -- how important this individual was to that community. We're talking about a community that is like a lot of other small cities across this state, striving. But when you get a young man of that age, 44 -- when you reach that age, Joe, you'll really know what it means.

This was serious. This man was a detective on run near a train station in Poughkeepsie, and he grabbed this 3-year-old child out of the arms of this intruder, turned the child over to someone in safety, and then became part of the full attack. This individual killed his wife, killed a police officer, and then put the bullet to his own head.

As Steve said about the family, just think about the mother and father and sister and the two nephews. I don't know how many of you have ever been in combat, but when you have to write a letter, you don't have the golden opportunity of picking up a phone. But can you imagine, the first thing says "Mrs. Falcone, I regret to inform you that your son, providing a gracious act of humanity

to take care of somebody else, was shot and 1 2 killed at the train station this afternoon." That's a serious, serious thing. 3 4 We are blessed in having young people such as 5 Mr. Falcone enter the law enforcement field 6 and provide a decent aspect of what law 7 enforcement is all about. It's a sad day in 8 Poughkeepsie, it's a sad day in my district, in Marlboro, where Mr. Falcone was known, 9 10 loved and respected. And it's a very sad day in Carmel, where his parents reside. 11 12 Thank you, Mr. President. ACTING PRESIDENT GRIFFO: 13 Senator Ball. 14 15 SENATOR BALL: Thank you, Mr. President. 16 You couldn't ask for a more 17 18 beautiful family than this family. And John's sister being married to my cousin, Officer 19 20 Falcone was an extended member of my family. And I just wanted to say to John and to 21 22 Margaret and to his sister Vicky, not only on behalf of this State Legislature but on behalf 23 of the Ball family, on behalf of myself, that 24 25 our heart absolutely goes out to that family,

to you and John's memory.

You know, I was at that service.

And what a beautiful tribute to what was an amazing man and who was an amazing man. There were over 10,000 law enforcement personnel that showed up in John's memory. And he was a warrior of warriors. He was always in the thick of it. And the stories that were told to me over the course of those few days shows that he was a man amongst men.

But as we all leave and go live our daily lives, to the Falcone family, just know that on behalf of this Legislature, on behalf of my family, we will always be here. And hopefully we can always work to make that memory of that amazing and loving man fitting, and that our good work can empower his great memory. Because this is not the first life that John saved. He saved the life of another child. Unfortunately, the life saved that day will be the last life ever saved by John.

But we have law enforcement personnel throughout the United States of America and New York State that, when they walk out the door, their loved ones don't know

```
if they'll ever return. And it's our
 1
 2
         responsibility as a Legislature to make sure
 3
         that those families know that the full weight
 4
         of this body and New York State government
 5
         stands solidly behind our men and women in
         uniform.
 6
 7
                    Thank you.
 8
                    ACTING PRESIDENT GRIFFO:

8	ACTING PRESIDENT GRIFFO:
9	Congratulations, Senator Ritchie.
10	Senator Libous, that completes the

12	SENATOR LIBOUS: Then,
13	Mr. President, may we go to the controversial
14	reading of the calendar, please.
15	ACTING PRESIDENT GRIFFO: The
16	Secretary will ring the bell.
17	The Secretary will read.
18	THE SECRETARY: Calendar Number
19	47, by Senator Little, Senate Print 554, an
20	act to amend the Parks, Recreation and
21	Historic Preservation Law.
22	SENATOR LIZ KRUEGER:
23	Explanation.
24	ACTING PRESIDENT GRIFFO: An
25	explanation is requested by Senator Krueger.

1	Senator Little.
2	SENATOR LITTLE: Thank you,
	- ·
3	Mr. President.
4	This bill would allow for a person
5	under 14 years of age to participate in a
6	snowmobile event, special event, which is
7	called a snocross event. And it would have to
8	have the authorization of the commissioner of
9	Parks, Recreation and Historic Preservation,
10	it would have to have a written consent of his
11	or her parent or legal guardian, and would
12	have to be using the rules and regulations of
13	the snocross event.
14	And there are two organizations, an
15	International Series of Champions and an East
16	Coast Snocross Event.
17	ACTING PRESIDENT GRIFFO: Thank
18	you, Senator Little.
19	Senator Krueger.
20	SENATOR LIZ KRUEGER: Thank you,
21	Mr. President. If the sponsor would please
22	yield for some questions.
23	ACTING PRESIDENT GRIFFO: Senator
24	Little, will you yield?
25	SENATOR LITTLE: Yes.

1	ACTING PRESIDENT GRIFFO: Senator
2	Krueger.
3	SENATOR LIZ KRUEGER: Thank you.
4	What is the age that's currently
5	allowed under New York State law for
6	snowmobiling?
7	SENATOR LITTLE: Well, currently
8	you can ride a snowmobile with your parent.
9	But this is for an event, to allow someone
10	under the age of 14 to participate in a
11	snocross event.
12	SENATOR LIZ KRUEGER: Through
13	you
14	SENATOR LITTLE: And the ages are
15	from 4 to 14.
16	SENATOR LIZ KRUEGER: If through
17	you, Mr I'm sorry.
18	I'm sorry, Betty, I didn't mean to
19	cut you off. I apologize.
20	SENATOR LITTLE: There are class
21	events in some events from ages from 4 to 14.
22	This would allow anyone under the age of 14 to
23	participate, with those caveats: written
24	parental permission, a parent or a legal
25	guardian has to be present.

1	SENATOR LIZ KRUEGER: Thank you.
2	Through you, Mr. President, if the
3	sponsor would continue to yield.
4	ACTING PRESIDENT GRIFFO: Senator
5	Little, will you continue to yield?
6	SENATOR LITTLE: Yes.
7	ACTING PRESIDENT GRIFFO: Senator
8	Krueger.
9	SENATOR LIZ KRUEGER: Thank you.
10	So I understand that current law is
11	you must be 18 years of age to operate a
12	snowmobile by yourself, with the exceptions
13	being, as you mentioned, if you are 14 years
14	of age or older on land owned or leased by
15	your parent or guardian, and a number of other
16	scenarios where you must have a certificate
17	from the commissioner of the Office of Parks,
18	Recreation and Historic Preservation.
19	Do you know how many of these
20	certificates have been provided by the
21	commissioner of the Office of Parks,
22	Recreation and Historic Preservation?
23	SENATOR LITTLE: No, I don't.
24	SENATOR LIZ KRUEGER: Thank you.
25	Through you, if the sponsor would

continue to yield, please, Mr. President. 1 ACTING PRESIDENT GRIFFO: 2 Senator 3 Little, do you continue to yield? 4 SENATOR LITTLE: Yes, I do. 5 ACTING PRESIDENT GRIFFO: Senator 6 Krueger. 7 SENATOR LIZ KRUEGER: Thank you. 8 So in your bill it specifically 9 says allowing properly supervised children of 10 any change to participate in a special event which is authorized by the commissioner of the 11 Office of Parks, Recreation and Historic 12 Preservation, as long as the rider can show 13 14 written consent from a parent or guardian. 15 Can you give me an example of what these special events are? What are we 16 allowing these children under 14 to do? 17 18 SENATOR LITTLE: Yes, these are called snocross events. They're similar to an 19 20 ATV event, which children under the age of 14 are allowed to participate in these -- they're 21 like races, show classes, activities that they 22 They're pretty much a family activity. 23 There are rules and regulations. 24 25 have lists of rules and regulations.

not talking about a 4 to 6 to 10-year-old 1 getting on a full-size snowmobile and being 2 3 able to operate it in a race. There are limitations on the size of the snowmobile. 4 5 The junior classes have smaller snowmobiles. They're limited as to how fast they can go. 6 7 They have throttle restrictions on even the 8 14-year-old classes and under 14. 9 So this is not a free-for-all race 10 where you put a 4-year-old on a snowmobile and 11 say "have fun." This is a supervised, family 12 recreation event where they participate. some cases, they may just operate the 13 snowmobile from here -- from me to you. 14 15 it's how they are able to do it, start and stop and that kind of thing. 16 17 It's not a major part of a snocross 18 event, but it will allow younger children in to have junior classes within the snocross 19 20 event. SENATOR LIZ KRUEGER: 21 Through you, Mr. President, if the sponsor would 22 continue to yield. 23 ACTING PRESIDENT GRIFFO: 24 Senator

Little, do you continue to yield?

1 SENATOR LITTLE: Yes. 2 ACTING PRESIDENT GRIFFO: Senator 3 Krueger. 4 SENATOR LIZ KRUEGER: Thank you. 5 Does the bill that we're discussing today actually explicitly say that these kinds 6 7 of special events can't be any kind of 8 snowmobile racing event? Does it lay out in the bill the specifications that you just 9 10 described to us in follow-up to your last 11 question? SENATOR LITTLE: 12 I believe it Under D, Section 1(D), it talks about a 13 special event defined by subdivision 16 of 14 Section 21.05 of this title. And the special 15 event must be held in accordance with any 16 relevant statutes, rules or regulations. 17 18 has to be authorized by the commissioner of Parks, Recreation and Historic Preservation 19 20 and provided for in that section. And it has to have, as I said, written consent of his or 21 22 her parent or legal guardian. 23 And the commissioner adopts the rules and regulations relating to such 24 25 participants, and in doing so shall review and

consider for adoption those rules and 1 2 regulations that have been published by the 3 international organizations that promote such 4 events, including but not limited to the 5 International Series of Champions and the International Snowmobile Racing Association. 6 7 And I believe there's also an East Coast 8 Snocross Association that uses those rules. 9 SENATOR LIZ KRUEGER: Thank you. 10 Mr. President, on the bill. ACTING PRESIDENT GRIFFO: 11 Senator 12 Krueger on the bill. SENATOR LIZ KRUEGER: I want to 13 14 thank the sponsor for her explanation. 15 to say this is a bill that would give associations outside the authority of the 16 State of New York's Legislature the ability to 17 18 make their own rules, change their own rules as to what kind of special activities or 19 20 special events took place. I am not in opposition to 21 snowmobiling. But in fact, without explicit 22 23 statutory regulation, snowmobiles nowadays 24 average 600 pounds. They go as fast as 25 60 miles per hour. The Pediatric Association

of America argues strongly against children under 16 being allowed to ride snowmobiles because the risk of damage and death is proportionately out of -- is inconsistent with other safety activities that young children are allowed to perform.

The Mayo Clinic, a 2006 report, snowmobiles are a significant source of multitrauma for children. Orthopedic injuries predominate, especially in older children, and can lead to long-term disabilities. Helmet use significantly reduces injuries. However, vulnerable younger patients do not frequently wear helmets.

It is reported that 18 percent of snowmobile-related injuries were in children younger than age 14 and that 48 percent of all snowmobile-related injuries occurred in people between age 15 and 24 years old.

I personally don't believe we should allow anyone under the age of 18 to be driving snowmobiles in a racetrack type of setup. And while I appreciate that the sponsor believes that there would be limitations drawn on what kinds of

snowmobiling races took place for younger children, I don't think, as a perspective of child welfare or child safety, that the State of New York should either support or encourage children under the age of 14 to be racing snowmobiles.

And I know that snowmobiling can be a fine activity, a family activity. My understanding is that there are snowmobiles where children can be the passengers as opposed to the drivers. I understand that the current law has limitations in it, but the concept that we are going to pass a law that would say as long as the commissioner of Parks, Recreation and Historic Preservation signs something saying okay, that anything goes for children as young as 4 years old -- I personally hope that there aren't any parents who would allow their children on these machines to race at such young ages.

But I don't believe that in the

State of New York we should pass a law

allowing children under 14 to be the drivers

and sole passengers on vehicles that can in

fact be as large as 600 pounds, go 60 miles an

1	hour and do lifetime damage to themselves if
2	they get into accidents.
3	My understanding also is that
4	snocross racetracks consist of
5	artificially-made tracks consisting of tight
6	turns, banked corners, steep jumps and
7	obstacles. And again, when you visualize
8	this, or if you've watch snocross on TV, which
9	I have occasionally done I have not
10	participated in real life these are
11	potentially very fast and very dangerous
12	sporting activities.
13	So I would urge my colleagues to
14	vote no on this bill to ensure the safety and
15	the welfare of children under 14 in the State
16	of New York.
17	Thank you, Mr. President.
18	ACTING PRESIDENT GRIFFO: Senator
19	Libous.
20	SENATOR LIBOUS: Thank you,
21	Mr. President. May I speak on the bill?
22	ACTING PRESIDENT GRIFFO: Senator
23	Libous on the bill.
24	SENATOR LIBOUS: I want to
25	applaud Senator Little for bringing this bill

1 to the floor.

And certainly while I have great respect for Senator Krueger, I think this once again shows the great upstate/downstate divide, if I may.

You know, snowmobiling is an industry in upstate New York. It helps many businesses. We have thousands of individuals in upstate New York who enjoy going to these events, as Senator Little talked about, and they come in from other states around. It brings people into the state --

ACTING PRESIDENT GRIFFO: Excuse me, Senator Libous. May we have some order in the chamber, please.

Senator Libous.

SENATOR LIBOUS: It brings people into the state.

These are great events. I've attended these events. I have constituents that participate in these events. I was just sharing with Senator LaValle that I have a very good friend who owns a restaurant, and he's on a snowmobile trail, and they all visit that restaurant on Saturday mornings and

afternoons.

Recently we were going to have a -when they had the meet, we were going to have
an ice sculpturing contest. And I was going
to be the judge, by the way. But we had to
cancel it because it rained for three days and
there was no snow left. And unfortunately
we've had three months of snow, and that was
the weekend that he had picked.

But, you know, safety is something that we do care about as it pertains to snowmobiling. And I think that there are precautions that are taken. I think it's like any sport or event or activity. Certainly if you're moving on a snowmobile at a higher rate of speed, certainly there are training requirements and things just as if you're on a motorcycle or driving an automobile or any object that is moving that you're controlling.

But I think that Senator Little's bill is right to the point, it addresses an issue and events that we take great pride in in upstate New York, and they help our upstate economy.

So while certainly maybe Senator

Little could invite Senator Krueger to one of those events, so that she could see for herself that it is indeed an economic development event for upstate New York where people from all over come in and that it is not as dangerous as maybe one might think.

ACTING PRESIDENT GRIFFO: Thank you, Senator Libous.

Senator Little.

SENATOR LITTLE: Thank you. If I may, I would like to speak on the bill for clarification, because I don't want people to go away thinking this is one big free-for-all where you put a 4-year-old on a great big snow machine and let them go.

There is a learning component to this, there is a training component to this. The children, when they first start out at a very young age, their machine is smaller, it is limited to -- the highest speed could be 12 miles an hour. This is all very restricted. They are required to wear helmets, shoulder pads, all kinds of paddings and equipment.

And the parent enjoys having the

child participate in this sport with them, and certainly at a very beginning level. So we're not talking about something that is unsafe.

And it is not like what you see on television.

We're talking about things that we have in our area where families come.

And maybe the higher-level races race at a higher speed, but these children at this age do not. But they are allowed to participate, and also to grow into that sport and to be able to participate in it at a higher level as they grow older.

It does definitely have an economic development component. Winters are long in the North Country. Tourism season is very slow. So this kind of event brings people into our area, allows people to enjoy the outdoors, enjoy winter experience, and also gives safety, training and education to young children on how to operate a snowmobile.

So I would encourage everyone to vote for this. This is allowed in other states. This would increase the participation in our state and make it even more of a family event and, as I said, help these kids grow

ı	
1	into this sport.
2	Thank you.
3	ACTING PRESIDENT GRIFFO: Thank
4	you, Senator Little.
5	Is there any other Senator wishing
6	to be heard?
7	Seeing none, debate is closed.
8	The Secretary will ring the bell.

10	SENATOR LIBOUS: Mr. President, I
11	believe all the Senators are in the chamber.
12	If they are not in their seats, please get to
13	your seats so we can vote, because the Senate
14	rule does say we have to be in our seats. So
15	we do want to obey the Senate rules, don't we?
16	Griffo, you're excused from being
17	in your seat.
18	Thank you, Mr. President.
19	ACTING PRESIDENT GRIFFO: I would
20	ask all Senators to please remain in their
21	seats for the vote.

23	Sampson, Senator Skelos and Senator Sampson

25	assignments.

Senator Skelos also hands up the 1 following committee changes, and we ask that 2 they all be filed. 3 4 ACTING PRESIDENT GRIFFO: So 5 ordered. SENATOR LIBOUS: 6 Mr. President, 7 before I call on Senator Ruth Hassell-Thompson 8 for an announcement that she'd like to make, I 9 just want to end the session letting everybody 10 know that Frank W. Buckles passed away on Sunday. Frank was the last survivor of World 11 12 War I before he passed. Some 5 million Americans served 13 14 this great country in World War I. And while 15 time tends to go on and life tends to move forward, I guess it's important that we just 16 pause for a second and say thank you in our 17 18 hearts to not only Frank Buckles but also to every man and woman who served us, all 19 20 5 million of them, in World War I. So could I ask that everybody 21 22 please stand for a moment. 23 ACTING PRESIDENT GRIFFO: We ask all to rise in honor of all those who served 24 25 our nation so valiantly in World War I.

1	(Whereupon, the assemblage
2	respected a moment of silence.)
3	SENATOR LIBOUS: Thank you,
4	Mr. President.
5	At this time would you call on
