3 SENATOR KLEIN: Thank you,
4 Mr. President.

5 Today we're here because of one
6 small but very brave little champion named Luis
7 Oyola, also known as Luisito.

8 On a late August afternoon in the
9 Bronx, unfortunately something happened that
10 happens too many times in areas around the City
11 of New York. It was a summer day, and it was
12 coming to an end, and a heated argument broke
13 out between two men in Vidalia Park in the
14 Bronx. At the same time, little Luis was
15 enjoying a happy day with his family just a few
16 feet away. As the argument between the two men
17 intensified, guns were drawn and bullets flew,
18 hitting little Luis in the arm, just three years
19 old at the time.

20 Luckily, Luis was rushed to
21 St. Barnabas Hospital in the Bronx, where the
22 emergency room doctors were able to retrieve the
23 bullet and mend Luis's arm just in time to
24 escape long-term damage, and he was thankfully
25 able to have a full recovery.

1 Unfortunately, this happens quite
2 often throughout areas in our state.
3 Unbeknownst to many, gun violence is something
4 that even occurs in school playgrounds as well
5 as parks. That led myself and I know
6 Assemblyman Luis Sepulveda, who I believe is in
7 the chamber with us today, to collaborate and
8 put forth legislation which we're calling
9 Luisito's Law.

10 One of the things that we have to
11 be very mindful of is that our playgrounds are
12 meant to be playgrounds. They're not supposed
13 to be shooting galleries. And unfortunately,
14 gun violence in my borough of the Bronx is on
15 the rise. Just over the past two years, at
16 least four other young children have been
17 injured by gunfire in Bronx parks, including
18 another incident at the very same park that
19 Luisito was injured in back in 2012.

20 This led us to introduce
21 legislation which I think will go a long way
22 towards curbing gun violence. And I think what
23 we're doing by introducing and passing this
24 legislation is sending a very simple but strong
25 message to criminals: If you take aim at our

1 children, we will fire right back.

2 This legislation would make it a
3 B felony to injure a child under 10 years old
4 with any deadly weapon, with a sentence of up to
5 25 years. It would also increase penalties for
6 violent crimes committed with a gun in or near
7 school grounds or playgrounds, and could carry
8 up to 15 years in prison. These places are
9 sacred ground and need to be immune to senseless
10 crimes, and I think this bill will help keep our
11 schoolyards and playgrounds safe places where
12 children and their families can continue to make
13 happy memories.

14 Mr. President, I vote yes, and I
15 look forward to quick passage in the Assembly as
16 well.

17 Thank you.

19 Klein in the affirmative.

25 SENATOR NOZZOLIO: Mr. President,

1 yes, thank you very much, on Calendar 766.

2 This measure, along with a number
3 of other measures that are being enacted today,
4 are part of an effort established to prevent the
5 very serious crimes of elder abuse.

6 I want to thank my colleagues
7 Senator Valesky, Senator Carlucci and others who
8 participated in helping prevent a serious
9 occurrence that happens virtually every second
10 in America, where a vulnerable senior citizen is
11 part of a fraud, part of an abuse. And that
12 nonetheless, I hope that this measure, along
13 with measures that are being proffered today by
14 a number of our members, are placed with
15 greatest consideration and enacted with very
16 deliberate speed by the New York State Assembly.

17 Our vulnerable senior citizens
18 should not be preyed upon. This is a state that
19 should provide protections to our seniors to
20 ensure that they can live in the quality of life
21 that they deserve.

22 So, Mr. President and my
23 colleagues, I thank all of us for supporting
24 these measures. I also hasten to add that
25 Senator Gallivan was very active in these

1 efforts as well, to ensure that the most
2 vulnerable are cared for in our state, that laws
3 protect them, and that the prosecution of those
4 laws will be to the fullest of those who cross
5 the line and prey on our most vulnerable, our
6 senior population.

7 Thank you, Mr. President. I urge
8 an aye vote on this measure today.

7 (The Secretary called the roll.)

8 ACTING PRESIDENT O'MARA: Senator
9 DeFrancisco to explain your vote.

10 SENATOR DeFRANCISCO: Yes. I
11 certainly have nothing against employees of the
12 Office of Children and Family Services who are
13 added to an ever-growing list of people who, if
14 assaulted, the assault results in an assault in
15 the second degree rather than assault in the
16 third degree.

17 I've spoken on many of these bills.
18 The exception as to who the victim might be that
19 would elevate an assault from third degree to
20 second degree keeps on expanding in many
21 different bills, and we have two more on today.

22 And I just want to indicate that no
23 matter who the victim is, if you're employed in
24 a situation where an assault prevents you from
25 performing your duties, why shouldn't everybody

1 be treated the same way, rather than
2 ever-expanding those privileged victims or the
3 victims who the defendant is going to be charged
4 with a greater assault.

5 So I'm going to vote no.

6 ACTING PRESIDENT O'MARA: Senator
7 DeFrancisco to be recorded in the negative.

8 The Secretary will announce the
9 result.

25 roll.

1 (The Secretary called the roll.)

2 ACTING PRESIDENT O'MARA: Senator
3 Squadron to explain your vote.

4 SENATOR SQUADRON: Thank you very
5 much, Mr. President.

6 There are a lot of good parts to
7 this bill and parts that I agree with and would
8 like to see become law, I know as applies to
9 summer camps and others. Unfortunately, this
10 bill has an additional provision in it, which is
11 that any kid 12 years old or older who refuses
12 to get off a bus when they're told to can be
13 charged with a Class A misdemeanor. You can't
14 do it if you're under 12, but if you're 12 or
15 older you can be charged with a Class A
16 misdemeanor for not getting off a bus.

17 That means kids 12 to 15 in this
18 state would go from school to the juvenile
19 system for literally refusing to get off a bus,
20 criminal trespass of a bus in the second degree,
21 and a 16-year-old at school who didn't get off
22 the bus when they're told to, criminal record.
23 That's not something that I think any of us
24 should support. The path from school to jail
25 doesn't make sense.

1 Otherwise, a very good bill. I'm
2 going to vote no because I don't think we should
3 be sending kids into the juvenile system at
4 12 years old for not getting off the bus. They
5 should get off the bus, but it's not a criminal
6 act. And I look forward to an opportunity to
7 vote for most of the other provisions in this
8 bill in the affirmative.

9 I'll vote no, Mr. President.

11 ACTING PRESIDENT O'MARA: Call the

13 (The Secretary called the roll.)

14 ACTING PRESIDENT O'MARA: Senator
15 Ball to explain your vote.

16 SENATOR BALL: Yeah, just briefly
17 on this piece of legislation.

18 We're working with an organization
19 called Purple Heart Homes, with John Gallina and
20 Dale Beatty, both combat vets that are
21 service-disabled veterans that were injured in
22 combat. They started an organization, they were
23 actually nominated by CNN. And they were here,
24 I think many of you will remember them. And
25 we're working with them to build and renovate

1 homes all throughout the state.

2 In my district we have a Vietnam
3 vet, a service-disabled vet that took shrapnel
4 to the head, was never welcomed home properly.
5 And about six months ago, maybe a little bit
6 more, my office got a call that this veteran was
7 going to become homeless. And that he doesn't
8 even have a functioning shower, works at the
9 local supermarket and uses the local gym early
10 in the morning for his shower.

11 We haven't always done the right
12 thing by our vets, and this organization is
13 picking up that slack, a lot of good work. But
14 the reason why we've done this, and digging into
15 even if you have a not-for-profit that's willing
16 to donate their time, their services, their
17 money, or if you have individuals that are
18 willing to donate property, even in my district,
19 especially in my district, but in all of our
20 districts, we know the expense of property
21 taxes.

22 We had a piece of property that was
23 going to be donated, it was 10 acres that was
24 going to be donated for a service-disabled vet,
25 but the taxes on that property over \$20,000. So

1 even if that service-disabled vet could benefit
2 from that home being donated to them, they
3 wouldn't be able to afford the property taxes.

4 And we have to realize that they're
5 men and women that have had arms lost, legs
6 blown off. And we may think that there's a huge
7 payday. They're lucky if they're making \$2500,
8 \$3,000, \$4,000 a month after they lost both of
9 their legs in service to this country. So they
10 cannot afford those property taxes.

11 Other states, great states, not
12 dissimilar to New York -- and also a great
13 state -- but states like Texas have allowed this
14 exemption. This is critically important. And I
15 hope that at some point -- if not this year,
16 soon -- the Assembly will pass this bill as
17 well.

18 Thanks.

13 ACTING PRESIDENT O'MARA: Senator
14 Carlucci to explain your vote.

15 SENATOR CARLUCCI: Yes, thank you,
16 Mr. President.

17 I want to thank my colleagues for
18 supporting this legislation. This legislation
19 that we're passing here today gives parents
20 another tool to help them pay for their
21 children's education.

22 What we're doing today is setting
23 up a prepay tuition program to allow for parents
24 and family members to be able to buy credits
25 when their children might be attending college

1 10, 15 -- in my case, with my 10-month-old son,
2 he'll be going to college hopefully in the next
3 18 years.

4 And so if we look at the inflation
5 rate of higher education in the United States,
6 we're talking about 7 percent a year. That
7 means by the time that Jack, my son, is ready to
8 go to college, I could expect to pay double or
9 maybe even triple what people are paying today.

10 So this is a tool that I believe
11 will go a long way to help make sure that more
12 families can afford higher education in the
13 coming years and many years to come. So I want
14 to thank my colleagues for supporting this.

15 Mr. President, I'll be in the
16 affirmative.

24 ACTING PRESIDENT O'MARA: Call the

1 (The Secretary called the roll.)

2 ACTING PRESIDENT O'MARA: Senator
3 Montgomery to explain your vote.

4 SENATOR MONTGOMERY: Yes,
5 Mr. President, I would just like to explain my
6 vote.

7 I wanted to compliment Senator
8 Flanagan. He's worked on this issue for some
9 time, some years now, and finally we're voting
10 on it. And I certainly hope that this year it's
11 going to actually pass both houses and be signed
12 by the Governor.

13 It provides for a mechanism for
14 making sure that we have a stream of funding
15 available for a program that our state has
16 instituted in high schools throughout the state,
17 and it's called the Early College High School
18 program, which allows for young people, high
19 school students, to actually take college
20 credits and high schools to be partnering with
21 colleges in a way that allows those young people
22 to have college professors teaching some of
23 their classes.

24 And in fact, in some instances they
25 will be able to graduate from high school with

1 college credits and even, in some cases, a
2 two-year college degree.

3 So this is really a very important
4 program. And again I say to Senator Flanagan,
5 thank you for hanging in there. I know it's
6 been a long time negotiating this legislation.
7 But we now finally have it before us, and I
8 certainly hope that it becomes law this year.

9 Thank you, Mr. President. I vote
10 aye.

11 ACTING PRESIDENT O'MARA: Senator
12 Montgomery in the affirmative.

13 Announce the result.

14 THE SECRETARY: Ayes, 57.

15 ACTING PRESIDENT O'MARA: The bill

17 THE SECRETARY: Calendar Number

20 ACTING PRESIDENT O'MARA: Read the
21 last section.

22 THE SECRETARY: Section 2. This
23 act shall take effect on the first of November.

24 ACTING PRESIDENT O'MARA: Call the
25 roll.

1 (The Secretary called the roll.)

2 ACTING PRESIDENT O'MARA: Senator
3 DeFrancisco to explain your vote.

4 SENATOR DeFRANCISCO: Yes. This
5 is another one of those bills where we keep
6 adding people to the preferred victim list in
7 order to enhance the penalty. And of course
8 firefighters should be at the same level as
9 emergency medical services professionals. And
10 maybe social workers should be as well, to
11 enhance the penalty.

12 I'm voting no because everyone
13 that's assaulted in this regard, no matter who
14 the victim is, should have the defendant's crime
15 elevated to a higher degree. We're getting very
16 close to filling in every single possibility
17 without saying that any potential victim is --
18 the defendant is required to get the enhanced
19 penalty. So I'll vote no for that reason.

20 ACTING PRESIDENT O'MARA: Senator
21 DeFrancisco to be recorded in the negative.

22 Announce the result.

23 THE SECRETARY: Ayes, 53. Nays,
24 4. Senators DeFrancisco, Montgomery, Parker and

5 an act to amend the Education Law.

6 ACTING PRESIDENT O'MARA: Read the
7 last section.

8 THE SECRETARY: Section 2. This
9 act shall take effect on the 60th day.

10 ACTING PRESIDENT O'MARA: Call the
11 roll.

12 (The Secretary called the roll.)

13 ACTING PRESIDENT O'MARA: Senator
14 Grisanti to explain your vote.

15 SENATOR GRISANTI: Thank you,
16 Mr. President.

17 My fellow colleagues, we know that
18 this past budget cycle we did something
19 extraordinary, and that was put a huge dent in
20 the Gap Elimination Adjustment to help school
21 districts get back the money that they needed.
22 Our conference fought for that, over eight times
23 the Assembly doubling the Governor.

24 This is another piece of
25 legislation, however, that allows school

1 districts to advertise on their athletic fields.
2 Now, in the rural areas, some of these athletic
3 fields, that's all that they have in their
4 community. This is what they do on a Friday
5 night, this is what they do on a Saturday night.

6 The advertising, which is
7 restricted from alcohol, tobacco -- sorry, no
8 political advertisements allowed either in the
9 legislation. But the school district decides
10 two things. One, if they want to do it, so it's
11 not a mandate. And two, what ads are going to
12 be placed on these athletic fields.

13 This is a huge revenue source,
14 huge, that the school districts keep 100 percent
15 that they can utilize for any extracurricular
16 activities, keeping a teacher on staff, having
17 after-school programs, have tutoring. This is
18 another tool that they will have to allow them
19 to raise revenue.

20 I vote aye, urge my colleagues all
21 to do the same. And to tell your friends in the
22 Assembly. They've got to get this passed, it's
23 a no-brainer for the school districts.

24 Thank you, Mr. President.

23 ACTING PRESIDENT O'MARA: Senator
24 DeFrancisco to explain your vote.

25 SENATOR DeFRANCISCO: Yes, I'm

1 going to vote no. The same reason, we're making
2 more and more exceptions.

3 I've got to take some time on this,
4 because this is a special bill. I said at one
5 time that we're going to get every single person
6 possible. This bill has done it. So these
7 people, if they're assaulted, result in an
8 assault in the second degree rather than third
9 degree.

10 Currently it's a train operator, a
11 ticket inspector, a conductor, a signal person,
12 a bus operator, a station agent. And we're
13 adding a station customer assistant, any persons
14 whose official duties include the sale of
15 tickets, passes, vouchers, or other payment of a
16 fare to use a train or a bus, any person whose
17 official duties include the maintenance or
18 operation of a train or bus, or any person whose
19 official duties include the maintenance or
20 operation of a train or bus station or terminal.
21 We've got everybody except the rider.

22 So I would hope that very soon we
23 put a bill in to include everybody who's being
24 transported by some transit agency in the State
25 of New York, and then we've got it.

1 So I'm going to vote no.

2 ACTING PRESIDENT O'MARA: Senator
3 DeFrancisco to be recorded in the negative.

4 Announce the result.

5 THE SECRETARY: In relation to

5 ACTING PRESIDENT O'MARA: Senator
6 Carlucci to explain your vote.

7 SENATOR CARLUCCI: Thank you,
8 Mr. President.

9 The issue of the cost of tolls
10 around New York State is a huge problem and
11 something that I believe is really unique to
12 New York and particularly the metropolitan
13 region of this state. In fact, you can drive
14 from Westchester all the way up to Boston and
15 not pay a single toll, but if you want to drive
16 from Rockland to Long Island, you're going to
17 hit toll after toll after toll.

18 That means that middle-class
19 families, their quality of life is being eroded
20 by just the cost of just getting to work. It's
21 costing more and more. So we have to turn over
22 every stone and make sure every option is on the
23 table when it comes to mitigating the cost of
24 tolls.

25 This legislation that we're passing

1 today really brings the rules governing New York
2 into the 21st century, allowing toll-collecting
3 agencies and authorities to work with other
4 agencies in the state to go after and suspend a
5 chronic toll evader's vehicle registration.

6 This is a real important issue, because we're
7 losing -- about \$30 million a year is going out
8 the window. That's \$30 million a year that
9 could be used for infrastructure improvements to
10 make sure that our bridges are safe and secure.

11 So I want to thank my colleagues
12 for supporting this legislation. I believe
13 we'll be able to save money and make sure that
14 we keep our tolls as low as possible.

15 Thank you, Mr. President.

16 ACTING PRESIDENT O'MARA: Senator
17 Carlucci in the affirmative.

18 Announce the result.

19 THE SECRETARY: Ayes, 57.

20 ACTING PRESIDENT O'MARA: The bill
21 is passed.

22 THE SECRETARY: Calendar Number
23 1350, by Senator Ritchie, Senate Print 7036, an
24 act in relation to certain aid.

25 ACTING PRESIDENT O'MARA: Read the

1 last section.

2 THE SECRETARY: Section 2. This
3 act shall take effect immediately.

4 ACTING PRESIDENT O'MARA: Call the
5 roll.

6 (The Secretary called the roll.)

7 THE SECRETARY: Ayes, 57.

8 ACTING PRESIDENT O'MARA: The bill
9 is passed.

10 THE SECRETARY: Calendar Number
11 1351, by Senator Grisanti, Senate Print 7096, an
12 act to amend the Education Law.

13 ACTING PRESIDENT O'MARA: Read the
14 last section.

15 THE SECRETARY: Section 2. This
16 act shall take effect immediately.

17 ACTING PRESIDENT O'MARA: Call the
18 roll.

19 (The Secretary called the roll.)

20 ACTING PRESIDENT O'MARA: Senator
21 Grisanti to explain your vote.

22 SENATOR GRISANTI: Yes, thanks
23 again, Mr. President.

24 My fellow colleagues, you may have
25 remembered last week we had numerous individuals

1 that were here that had flashing hearts on their
2 lapels. That was for this legislation. This
3 legislation is CPR in schools.

4 And I want to mention the American
5 Heart Association for all their hard work, all
6 the other groups -- police, fire, EMTs, veterans
7 organizations -- that put forth a strong effort
8 to get this passed.

9 But I'd be remiss not to mention a
10 couple of things first. I want to acknowledge a
11 constituent of mine, Suzy McCarthy, who lost her
12 5-year-old daughter Madison, who they believe
13 fainted while she was in kindergarten class.
14 She laid there for 16 minutes because they
15 basically just thought she fainted, nobody
16 performed CPR. She ended up passing.

17 In your districts, I want to
18 mention Robbie Levine, from Merrick, New York,
19 9 years old when he died of sudden cardiac
20 arrest. Louis Acompora, from Northport,
21 New York, 14 years old, that died.

22 When they were here in the Well the
23 other day, it was sad, because on one side they
24 had those that survived cardiac arrest because
25 CPR was performed on them, and on the other side

1 on the banners they had kids that died because
2 CPR was not available.

3 This is something that can be
4 taught in less time than it takes to watch an
5 infomercial or Gilligan's Island or The Brady
6 Bunch -- I may be showing my age now. But
7 basically, 30 minutes.

8 And it's not blowing in the mouth
9 anymore, ladies and gentlemen, it's hands-on
10 CPR. It's something that the American Heart
11 Association recognizes. Seventeen other states
12 have enacted this. This is not a mandate. It
13 tells the Board of Regents to go ahead and ask
14 the State Board of Education how to implement
15 this program in a proper fashion. It can be
16 taught in health class, it can be taught in gym,
17 it can be taught after school.

18 But in my district, in my district
19 Molly Budzinski showed how easy it was. She
20 brought it to her own school by getting
21 volunteers from the fire department, EMTs and
22 ambulance workers that came in with the
23 materials to teach this. In 30 minutes, and
24 then you're on your way.

25 So in memory of Madison McCarthy,

1 Julie Hart, who fought hard for this for the
2 American Heart Association -- and yes, her last
3 name is Hart. So when she was born we know
4 where she was going to be in her lifetime now.
5 But in memory of Madison McCarthy, all those
6 that passed because CPR wasn't available, I'm
7 proud to sponsor this legislation.

8 It must move in the Assembly. This
9 is the closest it's ever been. Tell your
10 colleagues there's no reason why we should not
11 teach our students in our schools this vital
12 technique for saving lives that they will carry
13 with them for the rest of their lives and
14 utilize it, whether it's in a school ground, in
15 a movie theater, on the sidewalk or in a
16 restaurant.

17 It's something we should have, and
18 I'm proud to sponsor it.

19 I vote aye, Mr. President.

20 ACTING PRESIDENT O'MARA: Senator
21 Grisanti in the affirmative.

22 Senator Montgomery to explain your
23 vote.

24 SENATOR MONTGOMERY: Yes,
25 Mr. President.

1 This really is a very good bill.

2 I'm very pleased that Senator Grisanti is
3 putting forth this legislation.

4 I would, however, suggest that I
5 have a bill as well which would require first
6 responders to have, as part of their training,
7 CPR. And it's because there was a child that
8 also died in my district, and for the same
9 reason as you express about the child being
10 actually saved because of the ability of someone
11 to administer CPR. Unfortunately, the child in
12 my district did not survive.

13 And so there is legislation which
14 would do exactly the same thing except to add a
15 group of very important people to your bill, to
16 your concept, and that would be first responders
17 in the State of New York.

18 So I'm certainly voting yes on
19 this. I certainly hope that we could consider
20 the possibility of amending this legislation to
21 include the people that would be covered in my
22 legislation as well.

23 Thank you, Mr. President. And I
24 vote aye.

25 ACTING PRESIDENT O'MARA: Senator

1 Montgomery in the affirmative.

2 Senator Boyle to explain his vote.

3 SENATOR BOYLE: Mr. President, to
4 explain my vote.

5 Very quickly, I'd like to
6 congratulate the author of this legislation.
7 It's vital.

8 As a former EMT, I can tell you how
9 important CPR is. And for someone in the EMT
10 business, they always talk about the city of
11 Seattle. If you ever want to have a heart
12 attack -- and you don't want to have one -- you
13 want to have it in the city of Seattle, where
14 almost 70 percent of the population has been
15 trained in the course of their life on CPR.

16 I want to make New York State
17 exactly like Seattle so it is the safest state.
18 You never want to have a heart attack, but God
19 forbid you do, you want to have someone there
20 trained in CPR. And this is going to give us a
21 whole new generation of children to do it.

22 I vote aye.

23 ACTING PRESIDENT O'MARA: Senator
24 Boyle in the affirmative.

25 Announce the result.

1 THE SECRETARY: Ayes, 57.

2 ACTING PRESIDENT O'MARA: The bill

13 ACTING PRESIDENT O'MARA: Call the
14 roll.

15 (The Secretary called the roll.)

16 ACTING PRESIDENT O'MARA: Senator
17 Stavisky to explain your vote.

18 SENATOR STAVISKY: To explain my
19 vote.

20 This is what I call a déjà vu bill.
21 We've seen it before in another context. Very
22 briefly, it would provide a baccalaureate
23 program which would require fewer credits to
24 graduate and in fact would be a three-year
25 graduation.

1 The problem as I see it is that it
2 could jeopardize some of the professional
3 requirements for degrees. It could jeopardize
4 licensure requirements or accreditation
5 programs, as well as admission to graduate
6 schools or for jobs that require a four-year
7 program.

8 It also could affect the TAP award
9 and the Rational Tuition Policy. The cost of
10 this bill is capped at \$12,000 for the
11 three-year period, while the average tuition for
12 a year of on-campus learning is approximately
13 \$5500 a year or so. So there's not a large
14 savings, but there is a savings to the student.

15 However, the student with the
16 online learning is losing the human contact with
17 a professor. And the absence of counseling --
18 which some students may be suited for online
19 classes, some may not. Some require the human
20 touch.

21 The last problem that I see as
22 major problem are the out-of-state students,
23 because we have students from out of state who
24 pay an additional tuition charge. And yet a
25 student in Idaho or North Dakota can log on,

1 take our courses, and at the same time pay the
2 same \$12,000 for the three-year programs.

3 Lastly, SUNY students tend --
4 on-campus students tend to graduate and stay in
5 New York, contribute to our economy, to the
6 economy. They work in New York, stay and pay
7 taxes in New York State. And that's not going
8 to be true necessarily of the online student in
9 North Dakota or some other remote part of the
10 country.

11 So, Mr. President, I vote no.

12 ACTING PRESIDENT O'MARA: Senator
13 Stavisky to be recorded in the negative.

14 Announce the result.

15 THE SECRETARY: Ayes, 56. Nays,
16 1. Senator Stavisky recorded in the negative.

12 THE SECRETARY: Section 2. This
13 act shall take effect immediately.

14 ACTING PRESIDENT O'MARA: Call the
15 roll.

16 (The Secretary called the roll.)

17 THE SECRETARY: Ayes, 57.

18 ACTING PRESIDENT O'MARA: The bill
19 is passed.

20 THE SECRETARY: Calendar Number
21 1364, by Senator LaValle, Senate Print 7795, an
22 act to amend the Education Law.

23 ACTING PRESIDENT O'MARA: Read the
24 last section.

25 THE SECRETARY: Section 2. This

1 act shall take effect April 1, 2015.

2 ACTING PRESIDENT O'MARA: Call the
3 roll.

4 (The Secretary called the roll.)

5 ACTING PRESIDENT O'MARA: Senator
6 Peralta to explain your vote.

7 SENATOR PERALTA: Thank you,
8 Mr. President.

9 I applaud Senator LaValle for this
10 bill that's going to increase TAP for students
11 to a maximum of \$6,470 a year while increasing
12 the income eligibility from \$80,000 to \$100,000.

13 I support this bill because a
14 well-educated workforce, as most of you know --
15 or all of you know -- will be better off, our
16 economy will be better off for it, the city and
17 the state. Because the better educated one is,
18 the higher potential salary one will receive.
19 Then in turn, that will lead to more revenue to
20 the state in the form of taxes. And according
21 to Comptroller DiNapoli, we're talking over
22 \$60,000 over the lifetime of someone who
23 receives a bachelor's degree.

24 A college education is more
25 important today than it ever has been. In

1 today's job market, a college degree is more a
2 necessity now than a luxury. In 2013, a
3 staggering 22 percent of young adults age 25 to
4 32 who had attained only a high school diploma
5 lived in poverty, compared to only 7 percent
6 back in 1979.

7 I also understand that families
8 from all across the state are struggling to pay
9 for college. I support increasing the maximum
10 TAP award. And, given the costs of college
11 these days, taking a look at income-eligibility
12 thresholds makes sense as well, just as this
13 one. But this bill only reinforces the
14 desperate need to open higher education to all
15 young New Yorkers, including the children of
16 undocumented New Yorkers, those kids we call
17 Dreamers.

18 The fact that there are young
19 people from all types of backgrounds struggling
20 to pay for college is not a reason to deny help
21 to these Dreamers, it's a reason to provide help
22 to everyone. As I stated earlier, among the
23 myriad reasons for making college more
24 affordable for everyone is the simple fact that
25 the more educated our workforce is, the better

1 it is for our economy, for our state, and our
2 city.

3 And make no mistake, Dreamers will
4 most certainly be part of our workforce. These
5 are young people who don't know any country
6 other than the United States of America. Their
7 hearts are here, their futures are here. Makes
8 into sense to punish them for something that
9 their parents did. It makes sense to help them
10 succeed so New York as a whole can succeed.

11 So yes, we need to talk about
12 raising the maximum TAP grant. And yes, it,
13 makes sense to consider raising the income
14 eligibility threshold. But we also need to open
15 college up to everyone. We need to pass the
16 Deem Act.

17 I'll be voting yea. Thank you,
18 Mr. President.

19 ACTING PRESIDENT O'MARA: Senator
20 Peralta in the affirmative.

21 Announce the result.

22 THE SECRETARY: Ayes, 57.

23 ACTING PRESIDENT O'MARA: The bill
24 is passed.

25 Senator LaValle.

1 SENATOR LaVALLE: Mr. President,
2 on each member's desk is Senate Supplemental
3 Calendar Number 49A. May we please take up the
4 noncontroversial bills on Supplemental Calendar
5 49A.

6 ACTING PRESIDENT O'MARA: The
7 Secretary will read.

8 THE SECRETARY: Calendar Number
9 1365, by Senator Lanza, Senate Print 5879B, an
10 act to amend the Penal Law.

11 ACTING PRESIDENT O'MARA: Read the
12 last section.

13 THE SECRETARY: Section 46. This
14 act shall take effect on the 90th day.

15 ACTING PRESIDENT O'MARA: Call the
16 roll.

17 (The Secretary called the roll.)

18 ACTING PRESIDENT O'MARA: Senator
19 Lanza to explain your vote.

20 SENATOR LANZA: Thank you,
21 Mr. President.

22 My colleagues, the idea that one
23 person can own another was to have been
24 extinguished in this country 150 years ago.
25 Sadly, some people have not heard the message.

1 Unfortunately, thousands upon thousands of young
2 people, mostly girls, are put into sexual
3 bondage every year in this state. And in fact,
4 our state is the state where it occurs more than
5 any other place in the country.

6 This bill, the Trafficking Victims
7 Protection and Justice Act, would change that.
8 It would finally treat the criminals as
9 criminals and victims as victims. I told the
10 story last year that as I researched this
11 legislation, I came across a story about a young
12 girl who, because of the stress of life, ran
13 away from home. She found herself in the
14 streets, and she was abducted, for all intents
15 and purposes. And she was not able to come and
16 go as she pleased. A man decided that her life
17 and her body belonged to him, and he pressed her
18 into a life of sexual bondage. And when the
19 government finally showed up, they arrested her.

20 And as I read the story, I thought
21 to myself, in which century has this occurred?
22 In which country has this occurred? And the sad
23 fact is that this is occurring in the here and
24 the now, and we need to do something about it
25 and we need to stop it.

1 This bill will do that. It is not
2 often, my colleagues, that we have the
3 opportunity to pass legislation, to make a law
4 that will actually save lives. What wouldn't
5 you do to save one young girl from this horror?
6 What wouldn't you do to save a hundred or a
7 thousand or 10,000? That's what we will be
8 doing if we can make this bill become a law. We
9 will save the thousands, hopefully, who are
10 being treated this way who don't have their own
11 lives any longer, who are pressed into this
12 horror. And I think we will go a long way in
13 ensuring that girls of tomorrow will not endure
14 this hell.

15 And so, my colleagues, I thank you
16 for the bipartisan support we've had on this
17 legislation. In particular, I want to thank
18 Assemblywoman Paulin, who, because of
19 misdirected politics, is having to move
20 mountains in order to achieve what is a very
21 common-sense, long overdue, and critically
22 important piece of legislation in the Assembly,
23 and she's doing it. And I thank her for her
24 leadership there.

25 I thank all the advocates. I thank

1 the leaders in this chamber. And I thank all of
2 you, my colleagues, for your support of this
3 very, very important legislation.

4 Thank you, Mr. President.

5 ACTING PRESIDENT O'MARA: Senator
6 Lanza to be recorded in the affirmative.

7 Senator Savino to explain your
8 vote.

9 SENATOR SAVINO: Thank you,
10 Mr. President.

11 I rise in support of this
12 legislation. And I want to thank my colleague
13 from Staten Island, Senator Lanza, for his
14 leadership on this issue. He's been working on
15 this bill for several years now, as, as has been
16 mentioned, Assemblywoman Amy Paulin, who has
17 been relentless in her efforts to bring a bill
18 like this through both houses of the
19 Legislature.

20 Just about a month ago, many of us
21 in the international community were shocked when
22 we saw what was happening in Nigeria when the
23 Boko Haram had kidnapped 200 schoolgirls from a
24 Catholic school. And they disappeared, not to
25 be found yet, into the sex trades. And I

1 attended several vigils for those young girls,
2 as many of you did, calling on the international
3 community to demand the return of these young
4 girls.

5 And at every one of these vigils we
6 all had a chance to talk about the horror of
7 what was happening there and how we were shocked
8 and aghast about the treatment of these young
9 girls and the plight of young women in some of
10 these far-flung countries. And at each one of
11 these I took the opportunity to remind people
12 that while we were shocked and horrified, and
13 rightfully so, human trafficking is happening in
14 our own communities in right here in New York.

15 In the communities of Sunset Park,
16 where we have a high degree of Chinese
17 immigrants, human trafficking happens every day.
18 We're seeing it in the immigrant communities of
19 Staten Island, young girls are being trafficked
20 every day.

21 So while we express horror about
22 what's happening in Nigeria, we can't ignore
23 what's happening in our own communities. And
24 this bill is a step in that direction. We may
25 not be able to prevent what's happening in those

1 far-flung nations, but we can certainly do more
2 to see to it that young girls, who are usually
3 in this country on their own without protection
4 of family, are not somehow or other brought into
5 the sex trades, into a life they never
6 envisioned when they imagined coming to America.

7 So I want to thank Senator Lanza
8 and Assemblywoman Paulin for their work on this,
9 and I am very proud to cast my vote in favor of
10 this bill.

11 ACTING PRESIDENT O'MARA: Senator
12 Savino to be recorded in the affirmative.

13 Senator Gianaris to explain your
14 vote.

15 SENATOR GIANARIS: Thank you,
16 Mr. President.

17 I want to commend Senator Lanza for
18 his efforts on this bill. I'll be voting in
19 favor of it.

20 But I do want to comment that to
21 suggest it is misguided politics for advocates
22 in the other house to insist that women's
23 reproductive rights are protected, that Roe v.
24 Wade is codified as part of the discussions on
25 this and other bills, is itself misguided and

1 outrageous.

2 We negotiate bills all the time in
3 this house, and there are differences of opinion
4 to be sure. But it is a perfectly legitimate
5 position to insist that we're not going to
6 divide the advocacy community, we're not going
7 to divide the women of this state into 9/10ths
8 of what they should get. And to suggest that
9 that's misguided is itself misguided,
10 Mr. President.

11 I vote in favor of this bill, but I
12 continue to call for the full Women's Equality
13 Act to be adopted.

14 Thank you.

15 ACTING PRESIDENT O'MARA: Senator
16 Gianaris in the affirmative.

17 Senator Robach to explain your
18 vote.

19 SENATOR ROBACH: Yes,
20 Mr. President, I too want to rise, proud to be a
21 cosponsor of this bill, thank Senator Lanza, all
22 the advocates, the Junior League, so many people
23 who got involved in this, as well as many of the
24 other points in this women's agenda on equal
25 pay, other things that I am glad we are taking

1 up in this house and addressing things that most
2 New Yorkers agree on and, more importantly, our
3 constituents want results on.

4 So this bill in particular, so
5 happy to support. As a father, as a legislator,
6 it's almost hard for me to believe -- you would
7 think in today's day and age this would get
8 rarer. Instead, with technology,
9 communications, it's almost become more abundant
10 than it used to be. That a lot of women from
11 foreign countries who were here were the ones
12 being exploited; now it's equally growing where
13 runaways in this country are being exported to
14 other parts of the world. Completely
15 unacceptable.

16 So this bill is great in many ways,
17 but it not only increases appropriate penalties
18 for those that exploit young people, but it even
19 goes further to not doubly victimize those
20 people who are held in bondage, used and
21 trapped, and make them the guilty party.

22 So this is going to go a long way
23 to not only help but also send a clear message
24 that this is going on, it's unacceptable, the
25 world is watching and will take it no longer.

1 Happy to cast my vote in the affirmative.

2 ACTING PRESIDENT O'MARA: Senator
3 Robach to be recorded in the affirmative.

4 Senator Libous.

5 SENATOR LIBOUS: Thank you,
6 Mr. President.

7 I know that a number of members
8 want to explain their vote, as they should, as
9 they're entitled to. I just want to remind them
10 that they have two minutes to do so. And that
11 while we are always lenient and never want to
12 cut anybody off, I would like the chair to try
13 to keep members to the two minute limit.

14 ACTING PRESIDENT O'MARA: I'll get
15 my stopwatch.

16 SENATOR LIBOUS: You're a good
17 man, sir.

18 ACTING PRESIDENT O'MARA: Senator
19 Grisanti to explain his vote. In two minutes or
20 less.

21 SENATOR GRISANTI: Yes, thank you,
22 Mr. President.

23 You know, Senator Lanza, I want to
24 actually commend you and thank you for this
25 piece of legislation. I'm proud to cosponsor

1 it.

2 In Western New York we actually
3 held human trafficking hearings, and we had a
4 few of them. And the first one, really, you
5 know, not too many people showed up. I don't
6 think people actually realize that it exists. I
7 mean, it exists and is multiplying at an
8 alarming rate. And the second hearing we had,
9 more people started showing up, more people
10 started showing up.

11 Then we started seeing billboards
12 of individuals that said "He promised me a job,"
13 "She promised me a job." That's what they do.
14 They lure you in, whether you're coming here,
15 you don't know the language that well, you're
16 coming here, you're taken advantage of, or if
17 you're actually born here, you're taken
18 advantage of. The runaways, as Senator Robach
19 has stated.

20 So this legislation not only
21 increases the penalties, but it brings awareness
22 that human trafficking is alive and well and we
23 have to do everything in our power to stop it as
24 fast as possible.

25 So I vote aye, Mr. President.

1 Thank you.

2 ACTING PRESIDENT O'MARA: Senator
3 Grisanti to be recorded in the affirmative.

4 Senator Peralta to explain your
5 vote.

6 SENATOR PERALTA: Thank you,
7 Mr. President.

8 I too will be voting in the
9 affirmative. I want to thank Senator Lanza for
10 this piece of legislation.

11 As it was clearly stated by some of
12 my colleagues, human trafficking is a growing
13 epidemic. And there are various zones in the
14 City of New York where this is happening. And
15 one of those hot zones happens to be in my
16 district, Roosevelt Avenue, where we have women
17 who are trafficked from different parts of the
18 world -- from Mexico, from China, from the
19 Philippines -- and even locally, from the
20 United States of America, who are coming down to
21 Roosevelt Avenue.

22 And they are promised the world,
23 the American dream. For the most part, their
24 passports are taken, their identification is
25 taken, and they are told, once they get to

1 Roosevelt Avenue, that they have no other
2 alternative. If they want their family to live,
3 if they want their significant others to stay
4 alive, that they will have to pay back the cost
5 of the trip or the support that they are giving
6 them.

7 So these women are slaves. And we
8 have to acknowledge that these women are
9 enslaved, and we have to do something about it.
10 And this piece of legislation will be very
11 helpful in educating those who don't know about
12 the human trafficking world and the hot zones
13 that exist not only in New York City but
14 throughout the State of New York.

15 And it's very important to ensure
16 that we are on the side of the victims. Usually
17 they say this is a victimless crime. It's not a
18 victimless crime, because these women are the
19 victims. And we need to ensure that we protect
20 these women who, by no fault of their own, they
21 are promised this American dream, their
22 passports taken away, and then when they land
23 here or when they get to -- usually, in my
24 district, they are living the American
25 nightmare.

1 And that's something we need to do
2 something about, and I am going to be voting in
3 favor of this.

4 So thank you very much,
5 Mr. President.

6 ACTING PRESIDENT O'MARA: Senator
7 Peralta to be recorded in the affirmative.

8 Senator Dilan to explain your vote.

9 SENATOR DILAN: Yes,
10 Mr. President, I rise in support of this piece
11 of legislation. I'd like to thank all the prime
12 sponsors and those that will be voting.

13 Just last week I met with a
14 constituent who was a victim of sexual bondage.
15 And this piece of legislation will go a long way
16 to ensure that similar victims in the future
17 will not be victimized twice -- once by the
18 perpetrator and then secondly by our own
19 judicial system and, believe it or not, our
20 police department.

21 Hopefully the judicial system and
22 the police academy can also include sensitivity
23 training for those involved in our justice
24 system to ensure that these individuals are not
25 victimized twice.

1 And also, with four days remaining
2 after today, I hope that the whole ten point
3 Women's Equality Act can pass this house.

4 Thank you. I vote yes.

5 ACTING PRESIDENT O'MARA: Senator
6 Dilan to be recorded in the affirmative.

7 Senator Hannon to explain your
8 vote.

9 SENATOR HANNON: Thank you,
10 Mr. President.

11 I just want to commend Senator
12 Lanza for carrying this.

13 And I wanted to add that through
14 some participation with national organizations,
15 I got a chance to know that New York's law,
16 which we had adopted decades ago, had just
17 become outmoded because the people who prey on
18 the innocents have adopted new techniques.

19 And while it's been correctly noted
20 many times this comes about because of
21 immigrants, I was also astounded to find out
22 that the prey comes about from the teenage girl
23 who is in America who is lost, is without goal,
24 and there's a whole concept by these evildoers
25 of grooming.

1 And so it's not just the immigrant
2 population, as vulnerable as they may be, that
3 we have to be concerned about. And it just
4 underscores the need for this legislation to
5 protect the young women of this state from being
6 preyed upon.

7 And I vote aye.

8 ACTING PRESIDENT O'MARA: Senator
9 Hannon to be recorded in the affirmative.
10 Senator Sanders to explain your
11 vote.

12 SENATOR SANDERS: Thank you,
13 Mr. President.

14 I too have to join the chorus that
15 is congratulating Senator Lanza and the others
16 who have put up this magnificent piece of work.

17 I want to say that this is an
18 example of thinking globally but acting locally.
19 That there are many parts in the world we have
20 to do something about, but we should always
21 start with our own backyard. We should always
22 start with where we can actually do something
23 about the issue.

24 And this issue is clear to me. I
25 have Kennedy Airport and other places, and this

1 is going to be one of the targets of this
2 horrible trade.

3 Now, I do want to say that this
4 affects more than women; it also affects young
5 boys and men. So I'm glad that this encompasses
6 all. It's necessary to understand that this is
7 attacking all people.

8 While we are trying to figure out
9 the best ways of dealing with the world
10 situation, again, starting in New York, the
11 Empire State, we have to let people know that
12 this is not going to be the center of this
13 trade, that we in the Empire State have a
14 government that is committed to making sure that
15 this type of crime is stamped out.

16 And this is a great act towards
17 this, and I'm glad to be voting yes.

18 ACTING PRESIDENT O'MARA: Senator
19 Sanders to be recorded in the affirmative.

20 Senator Bonacic to explain your
21 vote.

22 SENATOR BONACIC: Thank you,
23 Mr. President.

24 I also rise to thank Senator Lanza
25 for his hard work on this subject.

1 This body is voting probably
2 unanimously for this bill. We all know that
3 trafficking of women, where it leads them is to
4 a form of slavery, to prostitution, to drug
5 addiction and/or death. Every day that the
6 Assembly delays in passing this legislation is a
7 crime on women.

8 I vote yes. Thank you,
9 Mr. President.

10 ACTING PRESIDENT O'MARA: Senator
11 Bonacic to be recorded in the affirmative.

12 Senator DeFrancisco to explain his
13 vote.

14 SENATOR DeFRANCISCO: I agree with
15 everything that everyone has said. This is
16 obviously an important bill. It's obviously a
17 bill that will save women, young women, young
18 boys. It's obviously a bill that we're all
19 going to support.

20 We could have had a law this time
21 last year -- last year. This could be in law.
22 And the provisions of this bill, because we
23 passed it last year, could be law and could have
24 saved untold number of young women and young men
25 for a year. And why is it not being passed?

1 Because of the political maneuver that we need
2 everything, the 10-point agenda or nothing.

3 Are you kidding me? Are you
4 kidding me? A bill as necessary as this. The
5 same can be said for the other eight points that
6 we passed last year. All or nothing. Because
7 it wouldn't be a woman's agenda.

8 God knows how many young women have
9 been hurt because of this political nonsense
10 about all 10 or nothing. Every bill can stand
11 on its own. If it's a meritorious bill, it can
12 pass in both houses.

13 I see we have Assemblywoman Paulin
14 here. I'm sure she would agree with that. It's
15 her bill; she wants her bill to be passed.

16 So I think if we're this much in
17 favor of this bill, unanimously and
18 passionately, we should all march over to the
19 Speaker and tell him, put the bill on the
20 agenda. Let's vote on this bill and not waste
21 another year because we want to play the all or
22 nothing politics. That's childish, it's
23 dangerous and it's wrong.

24 I vote aye.

25 ACTING PRESIDENT O'MARA: Senator

1 DeFrancisco to be recorded in the affirmative.

2 Senator Martins to explain your
3 vote.

4 SENATOR MARTINS: Thank you,
5 Mr. President.

6 You have to wonder what's going on
7 here in Albany. There are 10 bills out there,
8 nine of them which we have passed in the past.
9 Nine bills that could have prevented people from
10 being taken advantage of, young women, whether
11 it's here, whether it's people who are recently
12 arrived in the country, from being taken
13 advantage of. These bills can make a
14 difference, and yet they're being held up. We
15 have colleagues in the Assembly who have
16 supported each one of these nine bills in the
17 past, but they can't get an opportunity to vote
18 for them because leadership in the Assembly
19 won't allow them on the floor. It's wrong.

20 I join my colleagues here in
21 supporting this bill -- obviously it's
22 unanimous -- and some of our colleagues in the
23 Assembly who are calling for it. But if each
24 one of us does our part on both sides of the
25 aisle, if we take the opportunity to reach out

1 to our colleagues in the Assembly -- aren't our
2 women in New York State worth it? Aren't our
3 children worth it? Isn't the health and
4 integrity of women in this state worth it?

5 We can do this this year.

6 Mr. President, if each and every one of us takes
7 that additional step -- and I'm speaking
8 specifically to both sides of the aisle -- this
9 can happen this year. Not just this bill, but
10 the other eight as well.

11 I vote aye.

12 ACTING PRESIDENT O'MARA: Senator
13 Martins to be recorded in the affirmative.

14 Senator Stavisky to explain your
15 vote.

16 SENATOR STAVISKY: Yes.

17 Mr. President, as I sit here I'm saddened by the
18 interjection of politics into a very significant
19 issue, the issue of trafficking.

20 This is not a political issue.
21 It's really not a women's issue either. It's an
22 issue of the people of the State of New York to
23 oppose the trafficking.

24 And I vote aye.

25 ACTING PRESIDENT O'MARA: Senator

1 Stavisky in the affirmative.

2 Seeing no other Senator wishing to
3 explain your vote -- seeing one more, Senator
4 Parker, wishing to explain his vote.

5 SENATOR PARKER: Thank you,
6 Mr. President, I'd like to explain my vote.

7 Let me add my voice to the chorus
8 of those who are congratulating Senator Lanza on
9 this great bill. And I think none of us
10 disagree about how important it is to protect,
11 you know, particularly women but all members of
12 our society from sex trafficking and the illegal
13 sex trade in not just this state but around the
14 country. So we certainly stand in support of
15 this bill, and I'd like to see us go further.

16 However, I don't think that the
17 women, whether they have been victims of sex
18 trafficking or other crimes, think that it is
19 just politics to protect them from housing
20 discrimination. They don't think that it's just
21 politics that they receive 77 cents on the
22 dollar to every man as they work right this
23 minute and hear this debate. I don't think they
24 think it's just politics when they are denied
25 their reproductive health rights or they are

1 told that they have to go through all these
2 extra hoops to receive reproductive health care
3 in this state.

4 And so I think when we talk about
5 the whole 10 points of the Women's Equality
6 Agenda, those women want to see all of those
7 things being done. Including the women who are
8 being protected by this act, who want to see
9 that entire package go forward.

10 So I join with my colleagues who
11 have been championing the cause of women's
12 equality, not just on the selective morality
13 that we sometimes hear about, but on all the
14 things that are important for women in the State
15 of New York.

16 ACTING PRESIDENT O'MARA: Senator
17 Parker to be recorded in the affirmative.

18 Senator Ball to explain his vote.

19 SENATOR BALL: So as somebody
20 who's not running for reelection, let me just
21 set this straight. The people who are watching
22 right now can be saddened by the politics of
23 what has happened in this state.

24 We're talking about an extreme
25 leftist movement that, out of 10 planks, nine of

1 which protect our families and women in New York
2 State, which the Republicans in this Senate have
3 passed, they hold all that up, including
4 protecting women and children from sex
5 trafficking, and they hold that up for a tenth
6 plank that is not about reproductive health or
7 rights, but it is an assault on women's health
8 and rights because it would actually allow
9 nondoctors to perform abortions until the ninth
10 month.

11 Because on the left in this state,
12 they have gone so far, they have no other
13 issues, they've got to jump off the cliff. In
14 the name of women's health, they not only hold
15 up laws protecting folks against human
16 trafficking, and eight others, but they have a
17 full-out assault on women's health to allow
18 nondoctors to perform abortions until the ninth
19 month.

20 The only extremists in this chamber
21 are on the left, the far left, and that fact is
22 never more clear than right now today.

23 ACTING PRESIDENT O'MARA: Senator
24 Ball to be recorded in the affirmative.

25 Seeing no other Senator wishing to

1 explain their vote, announce the result.

2 THE SECRETARY: Ayes, 57.

3 ACTING PRESIDENT O'MARA: The bill
4 is passed.

5 THE SECRETARY: Calendar Number
6 1366, by Senator Hannon, Senate Print 5880, an
7 act to amend the Executive Law.

8 ACTING PRESIDENT O'MARA: Read the
9 last section.

10 THE SECRETARY: Section 4. This
11 act shall take effect on the 90th day.

12 ACTING PRESIDENT O'MARA: Call the
13 roll.

14 (The Secretary called the roll.)

15 ACTING PRESIDENT O'MARA: Senator
16 Hannon to explain his vote.

17 SENATOR HANNON: Thank you,
18 Mr. President.

19 I rise in support of this
20 legislation which would fill a very serious gap
21 in existing law so that it would end
22 discrimination against women who are pregnant
23 while they're on the job.

24 The results of a study done by the
25 National Women's Center and titled "It Would Be

1 a Heavy Lift" has demonstrated that there are
2 too many situations, far too many situations,
3 where pregnant women are often forced to choose
4 between their health and their job when both
5 could be maintained with modest adjustments,
6 such as bathroom breaks, water breaks, seating
7 accommodations. Reasonable accommodations.

8 Some examples that have been shared
9 with me include a fast-food restaurant worker
10 who was denied permission to drink water and eat
11 during an eight-hour shift. Or a cashier who
12 could easily have been accommodated merely with
13 a stool to sit on.

14 People think that this whole
15 situation had been addressed by a combination of
16 federal and state laws, but it's not. It's a
17 glaring omission. And you think that in the
18 absence of this statute what we're doing is
19 saying to somebody who is pregnant: No, you
20 can't continue to work. No, you can't continue
21 to have your usual routine. And that just puts
22 an economic burden on the rest of society.

23 So I would urge that this measure
24 be passed and it be passed in both houses.
25 Focused on the merits of the measure alone, it

1 will be a substantial addition to the laws of
2 this state but, more importantly, it will be a
3 substantial protection to women who are pregnant
4 and working.

5 Thank you.

6 ACTING PRESIDENT O'MARA: Senator
7 Hannon to be recorded in the affirmative.

8 Senator Little to explain your
9 vote.

10 SENATOR LITTLE: Thank you,
11 Mr. President.

12 Thank you, Senator Hannon, for the
13 bill. And I'm proud to be a cosponsor of it.

14 While this doesn't have as high a
15 profile as the bill that we did just before
16 this, this certainly is an important piece of
17 legislation. We all know today that many more
18 women work and are a large percentage of the
19 workforce, and many women work through their
20 entire pregnancy, right up to being 8½ months,
21 almost to the day that they deliver.

22 And all we're asking for in this,
23 while pregnancy is not a disability, it is a
24 condition that does require some extra
25 considerations. And all we're asking for in

1 this is some reasonable considerations. A
2 professional woman, I would ask, wouldn't be
3 required to go on a conference trip when she's
4 8½ months pregnant. Things like that.

5 Things that are reasonable and yet
6 the person can still get the job done, but a
7 woman would not have to then consider her health
8 and the condition of the delivery and how soon
9 the delivery was, how she felt, all of those
10 things, at the detriment of her job. That's all
11 we're asking for.

12 It also requires some
13 responsibility on the part of the employee that
14 they show the need for these reasonable
15 accommodations. But it's really a very good
16 bill and very considerate.

17 It takes me back to I did a paper
18 on the history of women in the Legislature, and
19 a very, very long time ago, women legislators,
20 one in the Assembly, one in the Senate, proposed
21 a bill that would require a stool for all retail
22 clerks who may be on an eight-hour shift in a
23 store and never had a chance to sit down, and
24 for elevator operators. And until our elevators
25 were automatically operated, you must have

1 noticed there was always a stool there.

2 And so that was for men and for
3 women, but it was an accommodation to a job.
4 And I think that that's exactly what this is,
5 and I vote aye and encourage all of my
6 colleagues to vote aye.

7 Thank you.

8 ACTING PRESIDENT O'MARA: Senator
9 Little in the affirmative.

10 The Secretary will announce the
11 results.

12 THE SECRETARY: Ayes, 57.

13 ACTING PRESIDENT O'MARA: The bill
14 is passed.

15 Senator Libous, that completes the
16 reading of the supplemental calendar.

17 SENATOR LIBOUS: Mr. President,
18 could we return to motions at this time.

19 ACTING PRESIDENT O'MARA: Motions
20 and resolutions.

21 Senator Libous.

22 SENATOR LIBOUS: On behalf of
23 Senator LaValle, Mr. President, I wish to call
24 up his bill, Calendar Print Number 1348,
25 Assembly Print Number 9258.

1 ACTING PRESIDENT O'MARA: The
2 Secretary will read.

3 THE SECRETARY: Calendar Number
4 1348, by Member of the Assembly Thiele, Assembly
5 Print 9258, an act to amend the Domestic
6 Relations Law.

7 SENATOR LIBOUS: I now move to
8 reconsider the vote by which this Assembly bill
9 was substituted for Senator LaValle's bill,
10 Senate Print 6942, on June 12, 2014.

11 ACTING PRESIDENT O'MARA: The
12 Secretary will call the roll on reconsideration.

13 (The Secretary called the roll.)

14 THE SECRETARY: Ayes, 57.

15 SENATOR LIBOUS: Mr. President, I
16 now move that Assembly Bill Number 9258 be
17 recommitted to the Committee on Judiciary and
18 that Senator LaValle's Senate bill be restored
19 to the order of the Third Reading Calendar.

20 ACTING PRESIDENT O'MARA: So
21 ordered.

22 Senator Libous.

23 SENATOR LIBOUS: On behalf of
24 Senator Martins, Mr. President, on page 5 I
25 offer the following amendments to Calendar

1 Number 78, Senate Print 1178A, and ask that said
2 bill retain its place on the Third Reading
3 Calendar.

4 ACTING PRESIDENT O'MARA: So
5 ordered.

6 Senator Libous.

7 SENATOR LIBOUS: Also on behalf of
8 Senator Martins, on page 31 I offer the
9 following amendments to Calendar Number 826,
10 Senate Print 6603, and ask that said bill retain
11 its place on the Third Reading Calendar.

12 ACTING PRESIDENT O'MARA: So
13 ordered.

14 Senator Libous.

15 SENATOR LIBOUS: On behalf of
16 Senator Seward, on page 50 I offer the following
17 amendments to Calendar Number 1131, Senate Print
18 7276A, and ask that said bill retain its place
19 on the Third Reading Calendar.

20 ACTING PRESIDENT O'MARA: So
21 ordered.

22 SENATOR LIBOUS: And on behalf of
23 Senator Ranzenhofer, Mr. President, I wish to
24 call up his bill, Senate Print 6718B, recalled
25 from the Assembly, but it's now at the desk.

1 ACTING PRESIDENT O'MARA: The
2 Secretary will read.

3 THE SECRETARY: Calendar Number
4 333, by Senator Ranzenhofer, Senate Print 6718B,
5 an act to amend Chapter 154 of the Laws of 1921.

6 SENATOR LIBOUS: Mr. President, I
7 now move to reconsider the vote by which this
8 bill was passed.

9 ACTING PRESIDENT O'MARA: The
10 Secretary will call the roll on reconsideration.

11 (The Secretary called the roll.)

12 THE SECRETARY: Ayes, 57.

13 SENATOR LIBOUS: Mr. President, I
14 offer up the following amendments.

15 ACTING PRESIDENT O'MARA: The
16 amendments are accepted.

17 Senator Libous.

18 SENATOR LIBOUS: Mr. President,
19 before I ask you if there's any further business
20 at the desk and before we adjourn, I would like
21 you to call on Senator Farley for an
22 announcement.

23 ACTING PRESIDENT O'MARA: Senator
24 Farley.

25 SENATOR FARLEY: Thank you,

1 Mr. President.

2 On a point of personal privilege,
3 I'd like to take this moment to tell you about I
4 think one of the most beloved ex-presidents of
5 the United States, President George H.W. Bush,
6 who's having his 90th birthday today. And
7 incidentally, he just parachuted out of a
8 helicopter at 90 years of age in Maine today.

9 And what a remarkable man he is.
10 He's beloved by both sides of the aisle.
11 President Clinton considers him one of his
12 dearest friends. And he's been a personal
13 friend of me and my family for 35 years.

14 And I'm sure that chamber wishes
15 George H.W. Bush a very happy 90th birthday.

16 (Applause.)

17 SENATOR FARLEY: On an equally
18 pleasant note, I'd like to acknowledge that
19 there's another beloved Senator in this house
20 that is having her birthday today. I think
21 she's around 39. It's Senator Marchione's
22 birthday today.

23 (Applause.)

24 ACTING PRESIDENT O'MARA: Senator
25 Libous.

1 SENATOR LIBOUS: Mr. President, I
2 have about 60 people in my district -- no, no,
3 only kidding -- whose birthdays are today.

4 Is there any further business at
5 the desk?

6 ACTING PRESIDENT O'MARA: There is
7 no further business at the desk.

8 SENATOR LIBOUS: There being no
9 further business, I move that the Senate adjourn
10 until Monday, June 16th, at 2:00 p.m.,
11 intervening days being legislative days.

12 ACTING PRESIDENT O'MARA: On
13 motion, the Senate stands adjourned until
14 Monday, June 16th, at 2:00 p.m., intervening
15 days being legislative days.

16 (Whereupon, at 1:39 p.m., the
17 Senate adjourned.)
