1
                  SENATOR MURPHY:
                                     Thank you,
 2
     Mr. President.
                  It is my distinct honor and
 3
 4
     privilege to recognize a hero from my district
 5
     and the community of Mount Pleasant.
                  Today the sad reality is that the
 6
 7
     heroin epidemic continues to spread throughout
 8
     our state. And as the vice chair of the New York
     State Senate Task Force on Heroin and Opioid
 9
10
     Abuse, it is my responsibility and our
     responsibility to protect our communities and
11
12
     shed the light on this incredible danger.
13
                  One way we can raise awareness on
14
     this issue is by acknowledging life-saving
15
     actions of our law enforcement and our first
     responders. And here today I would ask to stand
16
     Chief Oliva, from the Mount Pleasant Police
17
18
     Department, and Officer Franco, who is here
19
     today.
20
                  Heroes.
                           I believe our state should
21
     take time to recognize you and thank you.
22
     you very much.
23
                  (Applause.)
24
                  SENATOR MURPHY:
                                     On January 5,
25
     2015, Officer Franco responded to a call of an
```

```
1
     unresponsive male in a house in Valhalla, where
 2
     he found a young man literally blue. Using his
     training and the Narcan literally saved this
 3
     kid's life and brought him back to life.
 4
 5
                  Officer Franco, I thank you on
     behalf of myself, as your State Senator, and the
 6
 7
     New York State Senate. Thank you.
 8
                  And Chief Oliva, thank you for
9
     coming up and allowing us to present this to him.
10
                  Thank you very much.
11
                  (Applause.)
12
                  ACTING PRESIDENT VALESKY:
                                               Thank
     you, Senator Murphy.
13
                  We certainly welcome our special
14
15
     guests here to the chamber and hope that you
     enjoy your day here at the State Capitol.
16
17
                  The question is on the resolution.
18
     All in favor signify by saying aye.
19
                  (Response of "Aye.")
                  ACTING PRESIDENT VALESKY:
20
                                               Opposed,

                                              Senator
20
    Klein to explain his vote.
21
                  SENATOR KLEIN: Thank you,
    Mr. President.
22
23
                  Last Sunday, myself, Senator Marty
     Golden and Senator Diane Savino released a report
24
25
     which is certainly important in light of what
```

we're finding day after day, year after year, that unfortunately we need to protect our young people from dangerous sexual predators.

What we found was that presently there's dangerous sexual predators, Level 2 and 3 sexual predators that actually committed heinous crimes against children, living near universal pre-K programs. As a matter of fact, my office found that 13 sex offenders are presently residing within a thousand feet of UPK programs, because these programs were not affiliated with an actual grade school.

Most of these sexual predators lived in Brooklyn, a total of six. We also found that five sex offenders living near pre-Ks and kindergartens that do not partner with public schools.

You know, clearly the law that we presently have is clear: A dangerous sexual predator can't live within a thousand feet of a school. The problem is with the proliferation of all of our wonderful UPK programs, especially in the City of New York, any UPK program that's not affiliated with a public school, a stand-alone site, is not protected.

So what we're doing right now is allowing ticking time bombs to have access to our kids, and that needs to stop. I think we have taken this issue very seriously, especially in this house. We've already passed a lot of different bills that I think, not necessarily overall are Megan's Law in New York, but really I think make some changes, which is something that's very important.

It's clear we still have to protect our young people from dangerous sexual predators. The facts bear me out by stating that when you look at the facts here in New York, according to the Division of Criminal Justice Services, a dangerous sexual predator, upon their release from prison, if you look over an eight-year period, is 48 percent more likely to commit the same or similar crime.

So this is one of the only crimes that seems to exacerbate with age. So I think it's important that we continue to monitor them and continue to protect our children to make sure they're not in harm's way.

So of course I vote yes on this important piece of legislation, Mr. President.

1 ACTING PRESIDENT VALESKY: Senator 2 Klein to be recorded in the affirmative. 3 Senator Sanders to explain his vote. 4 SENATOR SANDERS: It's sad that we 5 have to make laws about what seems to be common But I'm very grateful that the sponsors 6 sense. 7 have put these bills together, I'm grateful they 8 have. 9 In my own district I had a sexual 10 predator living in a homeless shelter, a homeless 11 shelter that had children and women. And you 12 would think that there would be some type of rule 13 or some common sense that would stop people from 14 even saying this is a place where we should put 15 such a person. But that did not -- that didn't 16 happen. 17 So these laws that we're coming up 18 with are actually very useful, and in my own district I have found the usefulness. So I 19 certainly want to applaud the sponsors for coming 20 21 up with these. 22 Thank you very much. 23 ACTING PRESIDENT VALESKY: Senator Sanders to be recorded in the affirmative. 24 25 Announce the results.

                  ACTING PRESIDENT VALESKY: Read the
 8
     last section.
 9
                  THE SECRETARY:
                                   Section 4.
                                               This
10
     act shall take effect on the first of November.
                  ACTING PRESIDENT VALESKY: Call the
11
     roll.
12
13
                  (The Secretary called the roll.)
                  ACTING PRESIDENT VALESKY:
14
15
     Rivera to explain his vote.
16
                  SENATOR RIVERA:
                                    Thank you,
     Mr. President.
17
18
                  I stand, as I've done in years past,
19
     to make a distinction. We are voting on many sex
20
     offender bills today. And certainly I thank
21
     Senator Klein for introducing the bill we just
22
     passed a second ago, and I concur both with his
     comments and the comments of Senator Sanders.
23
                  The issue that I've made in the
24
25
     past, and I want to make sure that it's for the
```

```
1
     record, the distinction about the bill that we
 2
     just passed, the Senator Klein bill, is very
     specific about Level 2 and 3 sex offenders. And
 3
     I certainly think -- I share the concerns of
 4
 5
     everyone in this house that we need to make sure
 6
     that people are protected from folks that are
 7
     predators.
 8
                  However, when the distinction is not
 9
     made, then the conditions are very broad. And in
10
     this particular instance, the limitation that is
     trying to be established here -- I believe if it
11
     had the distinction of Level 2s and 3s, I would
12
     be voting in the affirmative. I believe in this
13
     particular instance it is too broad a
14
15
     determination, and so I will be voting in the
     negative.
16
                  Thank you, Mr. President.
17
18
                  ACTING PRESIDENT VALESKY:
                                               Senator
     Rivera to be recorded in the negative.
19
20
                  Senator Golden to explain his vote.
21
                  SENATOR GOLDEN:
                                     Thank you,
22
     Mr. President.
23
                  As Senator Klein has said, in the
24
     report that was out there the number just in
25
     Brooklyn was about six. Those are the ones that
```

we could track down that we knew they were on our registry that didn't reregister.

That doesn't account for untold numbers that are throughout our city today, and throughout our state, that are living near our pre-Ks. And pre-Ks are popping up left and right in our communities. And it's unfortunate we're not able to track these individuals any better than we have been able to in the past.

I think the bill that I have protects our children from becoming prey to sex offenders, and is a priority. I believe this bill further protects our children from sex offenders from prohibiting all sex offenders from living within 1,000 feet of a school. And this includes sex offenders who offended in other states. You can move in from Pennsylvania and New Jersey, you can move next door and not register. It's crazy.

We need to put a set of real legislation out there, that we're doing today with Senator Avella, Senator LaValle, Senator Klein, myself, Senator Murphy, Senator Ortt, Senator Lanza, Senator Venditto, Senator Seward and other Senators, and protecting our children

```
and keeping our children safe across our city and

     our state. It's a priority. That's what we are
     elected to do, is to keep our families and our
 3
 4
     children safe.
 5
                  And this is a good bill. And many
     of the bills here today I hope do become law,
 6
 7
     because they would help protect those children.
 8
                  I want to thank Senator Klein and
     the Majority Leader, Senator Dean Skelos, for
 9
10
     putting that study together and coming up with
     facts, some real facts that we could look at and
11
12
     actually review and actually be able to come up
     with some good legislation that will in fact
13
     protect our children and our families.
14
15
                  I vote yes.
                  Thank you, Mr. President.

 9
                  SENATOR VENDITTO:
                                      Thank you very
10
     much, Mr. President.
                  As we know, and as many people
11
     around the state know, the State Court of Appeals
12
     recently ruled unanimously that only the state
13
     has the power to determine where sex offenders
14
     can and cannot live. This invalidated
15
16
     effectively about 130 local laws that were more
     restrictive than the state law and what it said
17
18
     on the subject.
19
                  Many residents spoke out in a loud,
20
     clear voice -- I know they certainly did in
21
     Nassau and Suffolk counties, I'm sure they have
22
     around the state -- in opposition to the decision
23
     that was made. Today we are responding with very
     swift and very effective legal action.
24
25
                  It is the legislative intent of the
```

law to empower local municipalities to decide 1 where sex offenders can and cannot live. 2 we leave it in the hands of our cities, our 3 4 towns, our counties, our villages, their 5 legislatures, their executives, to be as restrictive as need be, to work with the 6 7 residents of the jurisdictions that they represent and to come up with sensible laws in 8 drawing the lines. 9 10 You know, whatever our politics may be, and it's said in so many different ways 11 12 today, we can all agree that there is no more valuable commodity, no more precious gift than 13 our children here in New York State. 14 We hear it 15 said, we say it ourselves around our districts every day: The future is only as bright as our 16 17 young people.

Today we take an important step in securing that future and doing the right thing as far as the safety and protection of our children is concerned.

As a new Senator, more importantly as a new father, I'm very thankful and proud to be sponsoring this legislation and will be very happy when it's signed into law.

1 And thank you all for a few moments 2 of your time. Mr. President, I vote in the 3 affirmative. 4 ACTING PRESIDENT VALESKY: Senator Venditto to be recorded in the affirmative. 5 Senator Serino to explain her vote. 6 7 SENATOR SERINO: As some of you 8 know, before being elected to the State Senate I 9 served as both a town board member and as a 10 county legislator. Ensuring that our localities 11 have the tools they need to meet the unique needs of their communities will remain a priority to 12 13 me. 14 When it comes to keeping our 15 children safe from predators of any kind, it is especially critical that we empower our 16 municipalities. This bill guarantees that our 17 18 localities have the power to do all that they can 19 to protect the most vulnerable members of our 20 communities. 21 I am proud to cosponsor this critical piece of legislation. I vote yes. 22 23 Thank you. ACTING PRESIDENT VALESKY: 24 Senator 25 Serino to be recorded in the affirmative.

                                         Thank you.
 5
                  While we are still awaiting our

 5
     Peralta on the resolution.
                  SENATOR PERALTA: Thank you,
 6
 7
     Mr. President.
 8
                  It is truly an honor to have the
     great Pedro Martinez here. In the immortal words
 9
10
     of Saturday Night Live parody character Chico
     Escuela that said "Baseball has been berry, berry
11
     good to me" -- but in this case we can say that
12
     Pedro has been very, very, very good to baseball.
13
14
                  He has been very good to not only
15
     baseball but to the Dominican Republic. He's
     been good to all of us for honoring us with his
16
     presence today here.
17
18
                  Thank you so much, Pedro.
     Bienvenido, Pedro Martinez. Welcome to the
19
20
     Capitol. It is truly an honor to have you here
21
     with us today as we celebrate Dominican Heritage
22
     Month in our great Empire State. As a Dominican,
     I am proud to stand here with you today.
23
                  And as you know, Dominicans love two
24
25
     things: baseball and politics.
```

(Laughter.)

SENATOR PERALTA: And tomorrow we celebrate the 171st anniversary of the independence of the Dominican Republic.

For you, Pedro, it has been a long trip from Manoguayabo, a journey that will reach its highest altitude when you are inducted into the Baseball Hall of Fame in July. You will be the second Dominican to enter such a prestigious group, following the footsteps of Juan Marichal -- right now who is the only Dominican Hall of Famer, but in July there will be two.

You are one of the best pitchers our national pastime has ever had. Growing up in Manoguayabo, you learned our amazing game of baseball using broomsticks and tree branches for bats. You probably also made gloves out of milk cartons, played with baseballs made out of socks or hardened lemons. For us Dominicans, I understand that.

Your life became an inspiration to countless kids who dream of one day becoming Pedro Martinez. You had an outstanding career, a career spanning 18 seasons playing at the highest level, winning 219 games, three Cy Young Awards,

```
and striking out 3,154 batters. But who's
 1
 2
     counting?
 3
                  (Laughter.)
 4
                  SENATOR PERALTA: Your engaging
 5
     personality brought pride and joy to millions.
     You are truly an example for all of us on and off
 6
 7
     the field. And playing in New York, in Queens,
 8
     you understood what New York fans were all about.
 9
                  I want to read a couple of quotes
10
     that you were quoted in throughout your career.
     The first one is: "I actually realized that I
11
12
     was somebody important because I caught the
     attention of 60,000 people, plus the whole world
13
14
     watching a guy that, if you reversed time back
15
     15 years ago, I was sitting under a mango tree
     without 50 cents to pay for a bus." That was one
16
17
     of the quotes. But you are very special today.
18
                  Second quote: "I doubt that I will
     get involved with politics. That's something I
19
20
     don't have in me."
21
                  We're very glad that you did not get
     involved in politics, because if you dominated
22
     politics the way you dominated baseball, some of
23
     us would have a lot to worry about.
24
25
                  (Laughter.)

1
                  SENATOR PERALTA:
                                     And third:
                                                  "Some
 2
     of the things that I have done are really, really
     special."
 3
                  You are special, Pedro Martinez.
 4
 5
     Thank you so much for what you have shown us on
     the field and off the field.
 6
 7
                  We are so proud to present to you
 8
     this resolution as we congratulate you, Pedro
     Martinez, on your election to the National
 9
10
     Baseball Hall of Fame. Congratulations,
     felicidades, Pedro {in Spanish}.
11
12
                  (Standing ovation.)
                  ACTING PRESIDENT CARLUCCI:
13
                                                Thank
14
     you, Senator Peralta.
15
                  Senator Espaillat on the resolution.
                  SENATOR ESPAILLAT:
16
                                       Thank you,
     Mr. President.
17
18
                  I rise to recognize a great
     Dominican American, a great Dominican, someone
19
20
     that now will join the high-kicking Dominican
21
     Dandy in Cooperstown, Juan Marichal.
22
                  For over three decades, Juan
23
     Marichal, who pitched for the San Francisco
     Giants, stood alone as the only Dominican in the
24
25
     Hall of Fame. And who could have thought that
```

```
with the likes of the Alou brothers, the great
 1
 2
     Rico Carty, the great Manny Mota and so many
     others, there would be only one for 30 years.
 3
 4
     But he will no longer be alone, because now he
 5
     will be there with the great Pedro El Grande.
     That's what they call him, Pedro El Grande.
 6
 7
     Pedro the Great.
 8
                  And who could forget -- and it hurts
 9
     me deeply to say it, because I am a pinstripe
10
     guy --
11
                  (Laughter.)
12
                  SENATOR ESPAILLAT: -- but who can
     forget the day he struck out 17 Yankees.
13
14
                  (Laughter; catcalls, applause.)
15
                  SENATOR ESPAILLAT:
                                       Who could
     forget that, Pedro?
16
17
                  But I am also a Licey-ista.
                                                And
18
     that's his team in winter baseball in the
19
     Dominican Republic, where he did his own thing
20
     over there.
                  Tremendous.
21
                  But we can never forget the day he
     struck out 17 Yankees. And Pedro is a major, a
22
23
     major impact on baseball and sports. I'm glad to
     say here today in Albany, Pedro, today, that
24
25
     today you are our daddy.
```

(Laughter; applause.) 1 2 SENATOR ESPAILLAT: And so some of the things that he's done, an eight-time All-Star 3 4 player, All-Star Game baseball player. Obviously 5 a World Series Champion, 2004, who can forget This is very painful, Pedro, but I love 6 that. 7 you. 8 (Laughter.) 9 SENATOR ESPAILLAT: A three-time Cy 10 Young Award winner. Three times. The Triple Crown in pitching. For you to win the Triple 11 12 Crown in pitching is accomplished only by those pitchers who lead the league in wins, strikeouts, 13 and earned runs. So three times Pedro El Grande 14 15 won the Triple Crown of pitching. And so he was also many times an 16 He won an American League Championship. 17 MVP. 18 And of course for five years, five seasons, he 19 won the ERA, the Earned Run Average Championship 20 for his league, as well as a three-time Strikeout 21 King. Now, Pedro is known for his 22 splitter, his fast ball. But if he got a little 23 bit nutty with you, he would also pitch high on 24 25 you. And so Pedro is a guy that was respected on the mound.

You know, the great Juan Marichal and Sandy Koufax and Bob Gibson, they pitched with a high mound, and they were high-kicking pitchers. The mound was lowered, so it became more difficult for pitchers to dominate the game. But even with a lower mound, Pedro El Grande dominated baseball.

And so we're happy to have him here celebrating Dominican Heritage Month. Tomorrow, the 27th, is the anniversary of Dominican independence.

Pedro is a national, a national hero in the Dominican Republic. After he was approved to be inducted into the Hall of Fame, thousands of people went through the streets to receive him at the airport, and a major concert with hundreds of thousands of people were there to share that special moment with him and his lovely wife Carolina, who's here with us today as well.

So we are happy to have you here.

You are a special person anywhere in New York or in Massachusetts. And, Mr. President, let me just finish by saying these words in Spanish, because I think that they are emblematic of the

```
way we all feel today, those of us that had the
 1
 2
     privilege to be born in that small island called
     the Dominican Republic {in Spanish}.
 3
 4
                  (Applause.)
 5
                  ACTING PRESIDENT CARLUCCI:
                                                Thank
 6
     you, Senator Espaillat.
 7
                  Senator Seward on the resolution.
                  SENATOR SEWARD:
 8
                                     Thank you,
     Mr. President.
 9
10
                  I'm delighted to rise to extend my
11
     support for the resolution honoring Dominican
12
     Heritage Month and also, of course, our special
     guest, Pedro Martinez.
13
14
                  You know, I stand before you to do
15
     so because -- a couple of reasons. First of all,
     my son-in-law is from the Dominican Republic, and
16
     so my two granddaughters are half-Dominican.
17
18
                  And I've visited the Dominican
     Republic, and I've always been struck by
19
20
     certainly the pride that the Dominican people
     have in their independence and in their democracy
21
22
     in the DR. It's a wonderful country, and a very
     hospitable country, and very hospitable people.
23
                  But also I rise as a resident of the
24
25
     Cooperstown area, and very, very proud to
```

represent the National Baseball Hall of Fame here in the State Senate.

And I want to, on behalf of all of the residents in that part of the state, in the Cooperstown area, Pedro, we want to welcome you to the Baseball Hall of Fame, where you will be enshrined, your plaque will be enshrined in the last weekend in July.

And I stand to applaud you here today, and I will be there in July to applaud your induction into the National Baseball Hall of Fame.

You know, Juan Marichal has been mentioned, the other Dominican -- the Dominican Dandy, who's in the Hall of Fame, returns every year for the induction ceremony. And it's great to see him in Cooperstown. The fans love him. And I know, Pedro, you will, along with Juan, carry on that great tradition of coming back to Cooperstown every year to honor baseball and to honor baseball legends. It's great for the community, it's great for baseball, it's great for all baseball fans.

So I rise in full support of this resolution. This is a great day, certainly for

```
1
     the Dominican community here in New York State.
 2
     It's a great day for the baseball Hall of Fame to
 3
     be able to count you among its esteemed members.
 4
                  Congratulations, and thank you.
 5
                  (Applause.)
                  ACTING PRESIDENT CARLUCCI:
 6
                                                Thank
 7
     you, Senator Seward.
 8
                  Senator Gianaris on the resolution.
 9
                  SENATOR GIANARIS:
                                       Thank you,
10
     Mr. President.
                  I also rise to welcome our esteemed
11
12
     guest to the chambers today. I understand there
     were some fans outside with Red Sox paraphernalia
13
14
     waiting for him. I don't know what they were
15
     doing in the State of New York, but apparently
     there are some. And as you would expect, the
16
     Yankee fans had a strong reaction to that.
17
18
                  But I wanted to speak, as a
     representative from Queens, on behalf of all the
19
20
     Mets fans in New York State to say --
                  (Laughter; applause.)
21
22
                  SENATOR GIANARIS:
                                    -- to say thank
     you, thank you for the great joy that you brought
23
24
     us for the years you were pitching for the Mets,
25
     and hopefully they'll get back to the status they
```

```
had when you were playing for them soon enough.
 1
 2
                  Muchisimas gracias, Pedro Martinez.
 3
                  (Applause.)
 4
                  ACTING PRESIDENT CARLUCCI:
                                                Thank
 5
     you, Senator Gianaris.
                  Senator Díaz on the resolution.
 6
 7
                  SENATOR DIAZ:
                                   Thank you,
 8
     Mr. President.
                  Let me wait till they're finished so
 9
10
     they could listen too.
11
                  (Pause.)
12
                  SENATOR DIAZ:
                                   Thank you,
     Mr. President.
13
                  Ladies and gentlemen, today I join
14
15
     my colleagues Senator Adriano Espaillat and
     Senator Jose Peralta in cosponsoring this great,
16
     outstanding, marvelous, brilliant and wonderful
17
18
     resolution honoring Mr. Pedro Jaime Martinez.
19
                  Mr. Pedro Jaime Martinez started his
20
     career in the Major League with the Los Angeles
21
     Dodgers and played with the Expos of Montreal,
     the Boston Red Sox, the New York Mets and the
22
     Philadelphia Phillies. Today this chamber "ha
23
     tirado la casa por la ventana, " meaning this
24
25
     chamber has thrown the house through the window.
```

Today, as a proud Puerto Rican, I am 1 2 honored to join not only my colleagues Senator Espaillat and Senator Peralta, but I am also 3 4 proud to join other Dominican elected officials 5 in the state and the city such as Guillermo Linares and Victor Pichardo in the State 6 7 Assembly; Fernando Cabrera, Rafael Espinal, Julissa Ferreras and Ydanis Rodriguez in the 8 City Council, and Antonio Reynoso also in the 9 10 City Council. Today is a day to remember. 11 12 is a day for the history books. And today is a day for every Hispanic to feel proud and grateful 13 for all the achievements obtained by Mr. Pedro 14 15 Jaime Martinez. 16 Thank you, Mr. Martinez, for accepting Senator Espaillat's invitation to be in 17 18 this chamber. And thank you, Senator Espaillat and Senator Peralta, for allowing us to be part 19 20 of this unique day that even one of my staff members, Angel Gaud, a Dominican, came all the 21 22 way from the City of New York to be a witness of this event. 23 I want to conclude by saying, in 24 25 Spanish: {reciting Dominican National Anthem}.

```
(Applause; shouts from the gallery.)
 1
 2
                  ACTING PRESIDENT CARLUCCI:
 3
     you, Senator Díaz.
 4
                  Senator Serrano on the resolution.
 5
                  SENATOR SERRANO:
                                     Thank you,
     Mr. President.
 6
 7
                  How do I possibly follow that?
 8
                  (Laughter.)
 9
                  SENATOR SERRANO:
                                     That was
10
     wonderful, Senator Díaz.
                  But I just wanted to lend my voice
11
12
     to congratulating and honoring the Dominican
     community as a whole, and thank the sponsors of
13
     this resolution for once again giving us the
14
15
     opportunity to say thank you for all the
16
     significant contributions that the Dominican
     community has made to our specific districts but
17
18
     to the entire state and nation as a whole.
19
                  And what a special treat to have
20
     Pedro Martinez here today. As many of you know,
21
     I represent the South Bronx, I represent Yankee
     Stadium, and I'm a die-hard Yankee fan. And I
22
23
     always remember whenever Boston was coming to
     play at the stadium, there was this buzz in the
24
25
     neighborhood. Hours before the game started,
```

1 there was this excitement. And whether you were a Boston fan or a Yankee fan, it didn't matter, 2 3 because there was this party atmosphere along 4 161st Street. 5 And I live right up the block from the stadium, so when a big play happens on TV and 6 7 I'm watching the game, I turn down the volume, I hear out the window the cheering. So that's how 8 close I am to the stadium. 9 10 But especially when Pedro Martinez 11 was pitching, there was this excitement, there 12 was "what's going to happen." And whether you're a Yankee fan or not, you have to respect 13 14 greatness. And though I forever will be a Yankee 15 fan, I respect greatly great baseball players. And you, Pedro Martinez, respected 16 17 the sport, you respected your craft, and you 18 really uplifted baseball for generations to come. So thank you for being here. 19 20 (Applause.) ACTING PRESIDENT CARLUCCI: 21 Thank you, Senator Serrano. 22 Seeing no other Senators wishing to 23 24 be heard, the question is on the resolution. All 25 in favor signify by saying aye.

```
(Response of "Aye.")
 1
 2
                  ACTING PRESIDENT CARLUCCI:
 3
     Opposed, nay.
 4
                  (No response.)
 5
                  ACTING PRESIDENT CARLUCCI:
                                                The
     resolution is adopted.
 6
 7
                  (Applause.)
 8
                  ACTING PRESIDENT CARLUCCI:
                                                Senator
9
     Marcellino.
10
                  SENATOR MARCELLINO: Yes,
     Mr. President.
11
12
                  (Noise from the gallery.)
13
                  ACTING PRESIDENT CARLUCCI:
                                                Senator
     Marcellino.
14
15
                  SENATOR MARCELLINO: Yes, thank
16
     you, Mr. President.
17
                  I am sure Pedro will be here to take
18
     pictures with those who wish to do that, so that
     will be great.
19
20
                  We want to open this resolution, at
21
     the request of the sponsors, for cosponsorship,
22
     the usual procedure to be involved. Anyone not
     wishing to be on the resolution notify the chair.
23
                  Mr. President, is there any more
24
     business before the house?
25

ACTING PRESIDENT CARLUCCI:

                                                Senator
 2
     Marcellino, there is no further business at the
 3
     desk.
                  SENATOR MARCELLINO:
                                         Then I move
 4
     that we adjourn until Monday, March 2nd, at

 7
     days.
 8
                  ACTING PRESIDENT CARLUCCI:
                                                On
9
     motion, the Senate stands adjourned until Monday,
