(The Secretary called the roll.) 1 2 ACTING PRESIDENT MURPHY: Senator Carlucci to explain his vote. 3 4 SENATOR CARLUCCI: Thank you, 5 Mr. President. I want to thank my colleagues for 6 7 supporting this Toll Payer Protection Act. 8 You know, in New York State you can 9 go from the Tappan Zee Bridge, drive on 95 all 10 the way to Boston before paying another toll. But if you want to drive from Rockland County 11 12 down to Long Island, you're going to pay toll after toll after toll. 13 That's why we've got to make sure 14 15 that we leave no stone unturned in finding ways to reduce the cost to toll payers. And the Toll 16 Payer Protection Act, that's what this does. It 17 18 makes it more efficient. There's been cases 19 where I've gotten so many calls in my office 20 where people were getting excessive fines because 21 of the new cashless tolling process. We're 22 talking about families with \$7,000, \$8,000 worth of tolls that they didn't even know about. 23 And I'm sorry, not just tolls, but the fines 24 25 associated with them.

So what we need to do is streamline 1 2 the process, make sure that people have an option 3 to get notified by text message or email, have a 4 deadline by which the authorities need to notify 5 the toll payer that they have an outstanding bill. And make sure, when there are these 6 7 excessive fines in place, that the toll payer has an ability to dispute it and to dispute those 8 fines online as well as review any records that 9 10 are in place that have shown that they have had these fines in place. 11 12 But also we have a system now where you can have your vehicle registration suspended. 13 14 And that's important to make sure that we're 15 going after chronic toll evaders. However, we've got to make sure that people know if their 16 vehicle registration is going to be suspended. 17 18 What this legislation will do is make sure that before someone's vehicle 19 20 registration is suspended, that they're notified by certified mail and then given the opportunity 21 22 to pay that fine so they don't lose their vehicle registration. 23 24 Look, in Rockland County, if you 25 lose the right to drive your vehicle, you could

1 lose your livelihood. We don't have the mass 2 transit options that many within the MTA district 3 already have. 4 So this is an important legislation. 5 I want to thank my colleagues for supporting it. And this is an effort to streamline the process 6 7 and make sure we're not digging deeper into the 8 pockets of hardworking New Yorkers. 9 Thank you, Mr. President. 10 ACTING PRESIDENT MURPHY: Senator Tedisco. 11 On the bill. 12 SENATOR TEDISCO: ACTING PRESIDENT MURPHY: 13 On the bill. 14 15 SENATOR TEDISCO: I think this is a pretty good bill. You need transparency, you 16 need openness, you need people to be notified. 17 18 But I think I remember back when the Thruway was first being built that they said by 19 20 the end of the 1990s, there would be no tolls on 21 the Thruway, they would all be gone. 22 That really didn't happen. In fact, a couple of years ago I had to have a hearing out 23 here in Albany because there was a proposed 24 25 45 percent trucking increase which was basically

going to be for every orange, for every banana, 1 2 for every product you bought in a grocery store, 3 it was going to be a pass-on to the constituents 4 who went shopping in the grocery stores. And 5 those trucks were going to get off the Thruway and travel through our streets, ruin our roads 6 7 and bridges -- we have infrastructure problems right now, not a good thing -- and endangering a 8 9 lot of young people walking on our streets and 10 going to school.

11 When the government makes a promise, they should follow through with it. I think this 12 is a fine bill, but I'd love to see a bill I've 13 14 got pending right now that says when faceless 15 bureaucrats decide to renege on a promise that's made 25 or more years ago, that we take charge of 16 those Thruway tolls. That if the Thruway toll is 17 18 increased or a proposed increase, it comes back to people who are responsible to the constituents 19 20 we represent. We ratify any large toll increase, and we don't let the bureaucrats tell us how much 21 22 of our taxpayers' dollars should be taken away. And above anything, we ought to have 23 hearings across the State of New York, not leave 24 25 out the Capital District.

| 1 | So I'm going to be supporting this |
|----|---|
| 2 | bill, but I hope at some point we can be |
| 3 | responsible ourselves, and not individuals who |
| 4 | are appointed, because when they come to us and |
| 5 | say you promised tolls well, I didn't promise |
| 6 | that, and now they're being increased. We should |
| 7 | have the opportunity to ratify any of those |
| 8 | increases so they can come to us and say, Why did |
| 9 | you do it, why did you need it? Maybe we did. |
| 10 | But I've got a feeling that if we live up to our |
| 11 | promises more, we'd have more respect and more |
| 12 | confidence from our constituents. |
| 13 | Thank you, Mr. President. |
| 14 | ACTING PRESIDENT MURPHY: Senator |
| 15 | Comrie. |
| 16 | SENATOR COMRIE: Thank you, |
| 17 | Mr. President. |
| 18 | I commend my colleague, the chair of |
| 19 | Consumer Protection, Senator Carlucci, for taking |
| 20 | up the case of cashless tolling reform with such |
| 21 | diligence and passion. |
| 22 | I wholeheartedly support the bill |
| 23 | before us, the Toll Payer Protection Act. I |
| 24 | would note that the Assembly passed provisions in |
| 25 | their one-house budget bill, and I hope that it |
| | |

1 is signed and passed quickly.

| 2 | The cashless tolling system, while |
|----|---|
| 3 | it has been a benefit in terms of congestion and |
| 4 | making sure that traffic moves smoothly, has been |
| 5 | a mess. The implementation has been mishandled, |
| 6 | with serious consequences for our drivers and our |
| 7 | consumers, including those that have E-ZPass |
| 8 | currently that wind up suffering from bills and |
| 9 | fines and fees because the system is so |
| 10 | antiquated. |
| 11 | Right now many consumers first learn |
| 12 | of their toll obligation at the same time a |
| 13 | \$100 fee has been imposed on them for each trip, |
| 14 | resulting in bills that can run into thousands of |
| 15 | dollars. And somehow in 2018, consumers cannot |
| 16 | effectively search for their toll obligations in |
| 17 | advance on the website. These are glaring and |
| 18 | inexcusable flaws. |
| 19 | A Toll Payer Bill of Rights is |
| 20 | exactly what we need. This bill has many |
| 21 | meritorious provisions, including text/email |
| 22 | notifications of toll charges, a formal dispute |
| 23 | resolution process, payment plan options, record |
| 24 | review rights for consumers, better display of |
| 25 | charges and fees on signage, a 30-day grace |

period and notification if one's license is to be 1 2 suspended for nonpayment, and banning excessive 3 fees. 4 In addition to supporting Senator 5 Carlucci's bill, I have also introduced two pieces of legislation: Senate Bill 783, creating 6 7 a toll amnesty program and new caps for unpaid toll fees; and Senate Bill 7854, which would 8 prohibit credit reporting companies from 9 10 factoring late payment of cashless tolls into a consumer's creditworthiness. 11 12 I would urge all my colleagues who are supporting Senator Carlucci's bill today to 13 join the effort to bring tolling amnesty to all 14 15 of the bridges that run throughout New York Too many of our collective constituents 16 State. have been harmed by the perplexingly haphazard 17 18 nature of the present system. Whatever bridge 19 that they cross, they are finding out only too late, and oftentimes after they've been dropped 20 by E-ZPass that they're paying thousands of 21 22 dollars in fees. We used to have the low balance 23 There's been nothing, there have been no 24 alert. 25 PSAs to warn people that they need to adopt a new

1 Even though there is an app for E-ZPass, system. 2 most people don't know it. Most people don't know that they are receiving these bills, as I 3 said earlier, until after fines have been imposed 4 5 and oftentimes they've been dropped out of the E-ZPass system, and they're paying fines and not 6 7 fees. 8 So it's something that needs to be 9 updated. There's no reason in 2018 that you 10 can't go on the website and, if you know you've gone through the toll, be able to pay the toll 11 within 72 hours. 12 13 So I want to thank Senator Carlucci 14 for putting this bill forward today. I hope my 15 colleagues will work on the other two bills that 16 I mentioned. And I want to thank you, 17 18 Mr. President, also for the opportunity to speak 19 on this issue today and also to raise the fact 20 that we need to protect our consumers and our 21 residents that are trying to do the right thing 22 but they can't pay the bill within a period of 23 time. 24 Thank you. 25 ACTING PRESIDENT AKSHAR: Senator

Comrie, do you vote in the affirmative? 1 2 SENATOR COMRIE: Affirmative, yes. ACTING PRESIDENT AKSHAR: 3 Senator Comrie in the affirmative. 4 5 Seeing no other members wishing to be heard, announce the result. б 7 THE SECRETARY: Ayes, 55. ACTING PRESIDENT AKSHAR: The bill 8 9 is passed. 10 Senator Ritchie. SENATOR RITCHIE: Can we lay aside 11 12 Calendar Number 423 for the day, please. 13 ACTING PRESIDENT AKSHAR: Calendar Number 423 will be laid aside for the day. 14 15 Senator Ritchie. 16 SENATOR RITCHIE: I move to adopt the Resolution Calendar, with the exception of 17 18 Resolution Number 3990. ACTING PRESIDENT AKSHAR: 19 All in 20 favor of adopting the Resolution Calendar, with 21 the exception of 3990, signify by saying aye. (Response of "Aye.") 22 23 ACTING PRESIDENT AKSHAR: Negative, 24 nay. 25 (No response.)

1 ACTING PRESIDENT AKSHAR: The 2 resolution Calendar is adopted, with the exception of Resolution 3990. 3 4 Senator Ritchie. 5 SENATOR RITCHIE: Can we now take up Resolution Number 3990 and call on Senator б 7 Murphy. 8 ACTING PRESIDENT AKSHAR: The 9 Secretary will read the resolution in its 10 entirety. 11 THE SECRETARY: Legislative 12 Resolution Number 3990, by Senator Flanagan, honoring St. Patrick and all persons of Irish 13 descent upon the occasion of the 2018 celebration 14 15 of St. Patrick's Day on Saturday, March 17, 2018. 16 "WHEREAS, A native of Roman Britain, Patrick was the son of Calpurnius, a civil 17 18 servant and deacon; and 19 "WHEREAS, Tradition has it that at 20 age 16, Patrick was captured, along with all the 21 servants of his father's estate, by Irish marauders, then sold to a Druid chief and taken 22 23 to what is now known as County Antrim, in the Province of Ulster, Ireland; and 24 25 "WHEREAS, During his six years of

captivity, Patrick's occupation as a slave was 1 2 the tending of flocks of swine and sheep; and "WHEREAS, While in Ireland, Patrick 3 4 learned the Irish language and customs; and 5 "WHEREAS, During this period, Patrick experienced a religious awakening, with 6 7 the Christian teachings of his family and pastors 8 taking hold during his captivity; and 9 "WHEREAS, Driven by visions urging 10 him to return to his native land, Patrick escaped his captors, undertaking a perilous journey in 11 12 the process; and "WHEREAS, Upon his return home, 13 Patrick dedicated his life to religion, studying 14 15 in France, where he was ordained a priest and later consecrated a bishop; and 16 "WHEREAS, It was Pope Celestine I 17 18 who named him Patricius and sent him back to 19 Ireland, where he tangled with the Druids over 20 religious beliefs and where his efforts to convert the Irish to the Catholic faith were 21 22 untiring, as seen today in the significant presence of God in Irish life; and 23 "WHEREAS, It was the example and 24 25 fervor of Patrick's faith that inspired and

rekindled the lamp of learning in Ireland which 1 shone throughout the British Isles and the rest 2 of Europe, and which sustained the people of 3 4 Ireland through famine, oppression and exile; and 5 "WHEREAS, As United States President John Fitzgerald Kennedy observed, Ireland has 6 7 hemorrhaged herself to enrich the life's blood of other nations around the world, where its sons 8 and daughters have risen to prominent positions 9 10 as pioneers, educators, military commanders and government leaders, even ascending to the 11 12 presidency of both France and the United States; 13 and "WHEREAS, It was his faith that 14 15 earned Patrick not only sainthood, but the everlasting love and respect of the Irish people; 16 17 and 18 "WHEREAS, As we honor St. Patrick, whose life mirrored a deep and abiding example of 19 20 the challenges of sainthood, we are mindful of the history of the Irish people and their 21 struggle against oppression, religious 22 intolerance and political, social and economic 23 barriers; now, therefore, be it 24 25 "RESOLVED, That this Legislative

| 3 | St. Patrick and to express its sincerest prayers |
| 4 | and hopes that the 1998 peace agreement, known as |
| 5 | the Good Friday Agreement, will lead to a |
| 6 | lasting reconciliation between the Christian |
| 7 | populations of Northern Ireland and bring true |
| 8 | peace and freedom for all the people of Northern |
| 9 | Ireland; and be it further |
| 10 | "RESOLVED, That copies of this |
| 11 | resolution, suitably engrossed, be transmitted to |
| 12 | Loretta Brennan Glucksman, 257th Grand Marshal of |
| 13 | the New York City St. Patrick's Day Parade, and |
| 14 | to Dr. John L. Lahey, chairman of the New York |
| 15 | City St. Patrick's Day Parade, on the 17th of |
| 16 | March 2018." |
| 17 | ACTING PRESIDENT AKSHAR: Senator |
| 18 | Murphy on the resolution. |
| 19 | SENATOR MURPHY: Thank you, |
| 20 | Mr. President. |
| 21 | It may come as a shock to some of my |
| 22 | colleagues, but I have been taught a thing or two |
| 23 | about St. Patrick during my lifetime with my |
| 24 | family. In fact, I was educated at St. Patrick's |
| 25 | Elementary School. And I've been a parishioner |
| | |

of St. Patrick's Church my entire life. In both 1 settings, I was taught about the history of 2 3 St. Patrick, his years as a slave and his clashes 4 with the Druids as he brought Catholicism to the 5 nation of Ireland. The rich history of the Irish nation 6 7 is directly linked to St. Patrick. But it is his perseverance and the strength of the Irish people 8 across the globe -- that's what we truly stand 9 10 for. The people of Ireland, both present and 11 past, have overcome social oppression, religious 12 intolerance, and broke through barriers on social, economic and political levels. 13 I know this firsthand, not just from 14 15 my parents but also from people like my in-laws, John and Mary O'Connell. Both John and Mary 16 emigrated here back in 1966, straight from 17 18 Ireland. And I was blessed -- they came here to live the American dream. They've had three kids, 19 20 and I was blessed to marry their daughter Caroline, my wife. Now we have three kids. 21 22 John and Mary achieved what they set out for. They achieved what we all set out for, 23 the American dream. It took courage, strength 24 25 and perseverance, all traits of St. Patrick. And

1 this Saturday as we cheer the memory of 2 St. Patrick, at the same time we celebrate the history, the culture and the people of Ireland. 3 4 We will be celebrating the grit and the 5 determination of people like my in-laws and my parents, and remember the sacrifices that were 6 7 made by so many people. Happy St. Patrick's, everybody. 8 9 Thank you, Mr. President. 10 ACTING PRESIDENT AKSHAR: No, thank you, Senator Murphy. 11 12 Senator Savino. SENATOR SAVINO: 13 Thank you, Mr. President. 14 15 I want to thank Senator Murphy for bringing this resolution in honor of St. Patrick 16 and in fact in honor of Irish-Americans 17 18 everywhere. 19 I know some of you look at me 20 sometimes and it's hard for you to realize that I am as Irish as I am Italian. I am a 21 second-generation American, and my grandfather 22 and my grandmother, my mother's parents, both 23 came here as teenagers. My grandparents were all 24 25 Irish. And during the famine, the way the Irish

left Ireland is if you had any money, you came to 1 America. If you had a wee bit of money, you went 2 3 to England -- that's where my grandmother's 4 parents went to. And if you had no money, you 5 went to Glasgow, and that's where my grandfather was born and raised, an Irish Scot. And he left 6 7 Scotland at the age of 18, like many young immigrants, searching for a way out of abject 8 poverty. Because the future for an Irishman in 9 10 Scotland, or an Irishman in Ireland, was that you 11 were going to work hard and die young. 12 And so he decided to leave Scotland at the age of 18, and he got on a boat and he 13 14 came to America and he wound up working in the 15 shipyards of Brooklyn. And he built a life here. My grandmother left England at the 16 age of 16 -- think about that -- 16 years old, 17 18 she left on her own, got on a boat, came to America, and got a job first as a domestic and, 19 20 when she realized she wasn't well-suited for that, she got a job as a hat-check girl at the 21 22 Hotel Astor. And they managed to meet and marry 23 24 and raise three daughters and watch all three of 25 them marry Italians -- quite a shock to them.

1 But that is the legacy of the Irish 2 immigrants. They came here seeking something better, oftentimes with very little in their 3 4 pockets. They built a life. And quite honestly, 5 it's the same legacy of every immigrant group. My Italian grandparents did the same thing. And 6 7 we're watching it happen today, immigrants coming here with very little in their pocket, nothing 8 more than a dream and the hope that they can be 9 10 part of that legacy that so many immigrants have. So thank you, Senator Murphy, for 11 12 reminding us of who we really are. And as we celebrate this Saturday St. Patrick's Day, 13 14 whether you're Irish or not, we're all immigrants 15 under the sun. 16 Thank you. ACTING PRESIDENT AKSHAR: 17 Thank 18 you, Senator Savino. 19 Senator Bonacic. 20 SENATOR BONACIC: Thank you, 21 Mr. President. I want to thank also Senator Murphy 22 for his words about family and the Irish 23 tradition. 24 25 You know, this past Sunday we spoke

| 1 | to a large Irish group before the St. Paddy's Day |
|----|---|
| 2 | Parade in Orange County. And I asked the group, |
| 3 | What do you like the best about St. Patrick's Day |
| 4 | and the parade? I said, Do you enjoy the |
| 5 | children watching the parade and the music? Do |
| 6 | you enjoy getting up dressing like green and |
| 7 | having a good time? You like the partying? |
| 8 | And I said St. Patrick's Day is an |
| 9 | exclamation point of the celebration of our |
| 10 | Christianity. |
| 11 | There is a movement in this country |
| 12 | to take away or diminish religious freedoms. And |
| 13 | just recently Vice President Pence, on the My |
| 14 | View or the Our View show, they ridiculed him |
| 15 | because he mentioned Jesus Christ and his belief |
| 16 | in Christianity, to diminish our feelings and |
| 17 | religion identified with the Irish people, |
| 18 | embracing the Lord and family values and |
| 19 | marriage. |
| 20 | And they keep America strong. We |
| 21 | should never forget that tradition. And I know |
| 22 | that St. Paddy's Day is always portrayed as a |
| 23 | time of partying and we're all Irish for a day. |
| 24 | But the Irish people are the stronghold in our |
| 25 | family values and keeping America strong from one |

Г

generation to the next. 1 2 Thank you, Mr. President. ACTING PRESIDENT AKSHAR: 3 Thank 4 you, Senator Bonacic. 5 Senator Krueger. SENATOR KRUEGER: 6 Thank you, 7 Mr. President. 8 I rise also in honor of St. Patrick's Day and the Irish-American 9 10 community. I don't think I'm Irish, although I haven't taken one of those DNA tests and it will 11 probable prove that I am. At least piece of me. 12 13 But this day also coincides with 14 Women's History Month. And so I was doing a 15 little homework on the role of Irish women and the importance they have played in our history. 16 And I just wanted to highlight a few 17 18 Irish-American women and what they have accomplished. 19 20 So one of the most famous was Mother Born Mary Harris Jones in County Cork, 21 Jones. 22 moved to America after tragedies in her family, got involved in the American labor movement, 23 became a prominent campaigner, labor activist and 24 25 community organizer, and ultimately was given the

nickname Mother Jones because of her care for the 1 2 striking workers. She coordinated major strikes and was a founder of the Social Democratic Party 3 4 and the Industrial Workers of the World. 5 Then we have Mary Lee, one of the first leaders in suffrage movements and the 6 7 women's right to vote. Born in 1821 in County 8 Monaghan. And while not much is known about her early life in Ireland, after she left Ireland she 9 10 became a world leader in the suffrage movement 11 and the fight for women's right to vote. 12 And then perhaps the most famous, the inspiration for Wonder Woman, Margaret 13 14 Sanger. Born to Irish-American parents in 15 New York in 1879, and best known for founding the birth control movement right here in the United 16 17 States. 18 So the Irish-American community have been great leaders throughout the history of this 19 20 country. And I don't want this day to go by without pointing out the women and the men of the 21 22 Irish-American community have so much to be proud 23 of. I support the resolution. 24 Thank 25 you, Mr. President.

ACTING PRESIDENT AKSHAR: 1 Thank 2 you, Senator Krueger. 3 Senator Tedisco on the resolution. 4 SENATOR TEDISCO: Thank you, 5 Mr. President. I too want to commemorate this 6 7 special day, St. Patrick's Day coming up, and 8 wish you best wishes from someone you might be familiar with, a very good friend of mine who 9 10 spent a little time in these chambers, and I was fortunate enough to replace him. They used to 11 12 call us Butch Cassidy and the Sundance Kid in our 13 Assembly and Senate districts, respectively. And 14 he was an attorney, is an attorney, was a 15 professor, a husband, a great father. Also a boxer -- I don't know if you knew that of Senator 16 Hugh Farley. And if you ever talk to him about 17 18 his boxing days, he would go like this and take 19 his nose and wiggle it like this. He goes, "No 20 cartilage. It got busted in the Army." Because he was also a veteran. He stood up for us and 21 22 protected our freedom and liberty. And I'm sure you want to know that 23 this year he will be celebrating the 55th 24 25 anniversary of his 30th birthday. And if you

want to know what he's doing, he's very active --1 2 riding his Skidoo, spending a lot of time with his family, doing a lot of traveling. 3 4 And as I speak with him, he wanted 5 me to wish you all the very best, as I'm sure he has in the past on this special day. I think we 6 7 can say he represents everything good about being not only an Irish public servant, but about being 8 9 a public servant in general. 10 Forty years he spent in this august 11 body serving the people of New York State. And I 12 think that's an example of the great history and the great dedication of those of Irish descent. 13 14 So I thank you, Mr. President, for 15 allowing me to say a few words about my predecessor. 16 ACTING PRESIDENT AKSHAR: 17 Thank 18 you, Senator Tedisco. 19 Senator Kavanagh. 20 SENATOR KAVANAGH: Thank you, Mr. President. 21 I'm feeling a little under the 22 weather today -- so although I don't have a lot 23 of green on my tie, I fear I might actually be 24 25 looking a little bit green today.

(Laughter.) 1 2 SENATOR KAVANAGH: But I just -- I 3 thought as a proud Irishman I would be remiss in 4 not standing up and thanking Senator Flanagan and 5 Senator Murphy for bringing this resolution forth 6 today. 7 My own family came from Ireland, on my mother's side in the '20s, and my father 8 emigrated here in 1958. I'm a holder of an Irish 9 10 passport as well as an American passport, proud of both. 11 12 And, you know, the Irish people in our city and in our state and across the country 13 14 are very proud of our heritage, our values as 15 people who care about and support our often large families. And I think as a people who came, as 16 many Americans came before us, to our cities and 17 18 at first experienced resistance from people who 19 had come here before us and gradually have found 20 America to be a welcome home and have worked very 21 hard to build America into what it is today, I 22 think it's great that so many of us will be celebrating St. Patrick's Day. 23 The American Irish Legislators 24 25 Society, of which I'm a proud member and officer,

1 will have a contingent marching this Saturday in 2 the St. Patrick's Day Parade on Fifth Avenue, and 3 I encourage all of you to join us. 4 Thank you, Mr. President. 5 ACTING PRESIDENT AKSHAR: Thank б you, Senator Kavanagh. 7 Senator Kennedy. SENATOR KENNEDY: 8 Thank you, 9 Mr. President. 10 It is with great honor that I rise 11 to acknowledge this upcoming Saturday, St. Patrick's Day, March 17, 2018. I want to 12 thank my colleagues for bringing this resolution 13 forward. 14 15 You know, every year we have an opportunity to celebrate the Irish. In South 16 Buffalo, where I reside, where I come from, it is 17 18 St. Patrick's Month. We celebrate St. Patrick's Day year-round, actually. But this weekend 19 20 especially, we're looking forward to celebrating everything Irish -- those that are, those that 21 wish they were, and those that just want to 22 celebrate the Irish culture. 23 And if you think about how we all 24 25 have gotten here to this great country and this

great state and this tremendous and glorious, 1 magnificent chamber, we all have our own 2 3 histories. Mine is steeped in Irish history. 4 My grandfather, Martin Kennedy, who 5 shares the name with my father -- my great-grandfather -- came here in October of 6 7 1892. But he had to come through Canada, because during the famine or the Great Hunger, when the 8 Irish were starved out of their own country to 9 10 the tune of over a million that died, perished through starvation, a million that emigrated 11 12 across the globe -- my grandfather, great-great grandfather, couldn't get into this country and 13 14 had to go to Canada, like so many others, because 15 they would not accept him due to disease on the 16 ship. Up in Montreal, Canada, in the 17 18 harbor there, there's 6,000 Irish immigrants that 19 perished there due to disease -- typhoid and 20 other diseases. The Grey Nuns, founded in Montreal by St. Marguerite d'Youville -- that 21 bears the name of D'Youville College, my alma 22 mater -- founded the Grey Nuns in the 1700s. 23 The Grey Nuns in Montreal came to save the Irish on 24 25 the shores, as they came in with disease, and

1 perished with them.

| 2 | Years later, as my great-grandfather |
|----|---|
| 3 | came over and went to work, and then my other |
| 4 | great-grandparents, Patrick Joseph O'Brien and |
| 5 | Katherine O'Brien, came here, found work, found |
| 6 | difficulties, tried to go to work, saw signs that |
| 7 | said "No Irish Need Apply." They were oppressed |
| 8 | in their own nation, they were oppressed when |
| 9 | they came over the 3,000-mile journey in coffin |
| 10 | ships. Banded together, got involved in every |
| 11 | level of society, helped to build this country |
| 12 | from the ground up. Our buildings, our great |
| 13 | state here, from New York Harbor up the Hudson, |
| 14 | across this state to Buffalo, helped to build the |
| 15 | Erie Canal, settling in the Old First Ward, where |
| 16 | this Saturday we'll celebrate, this St. Patrick's |
| 17 | Day, the old neighborhood, the original path of |
| 18 | the old neighborhood parade. On Sunday, the big |
| 19 | parade in downtown Buffalo, down Delaware Avenue, |
| 20 | that was just recently named by a Boston paper as |
| 21 | the best parade in the nation. Coming out of |
| 22 | Boston, I think that has great credibility. |
| 23 | And so the reason I tell this story |
| 24 | is not just to celebrate the Irish, and not just |
| 25 | to celebrate St. Patrick's Day because us |

| Irish in this room and those friends of ours that |
|---|
| know, we celebrate our culture all the time is |
| that this story can be related to what's |
| happening in this country today as immigrants |
| from other nations are fleeing oppression, are |
| fleeing their own genocide, are fleeing war, and |
| look upon our nation as beacon of hope on the |
| globe that the Irish did over the course of the |
| last few hundred years. |
| Now, there's so many different ways |
| that I could go on and on and on. And I won't. |
| We had a tremendous celebration this past Monday, |
| as my colleague and Irish citizen Senator |
| Kavanagh mentioned, at the American-Irish |
| Legislators Society, a bipartisan group started |
| over 30 years ago with a dear friend of mine, my |
| neighbor Buffalonian, Dick Keane, Assemblymember |
| Dick Keane, and others. |
| We had Ciarán Madden, the Irish |
| Consul General based in New York, here with us. |
| The level of cooperation between our great state |
| and our nation and the Irish nation continues, |
| and we must continue to make sure that |
| relationship flourishes. |
| With that, Mr. President, I conclude |
| |

but just want to wish everybody the grandest, 1 happiest, healthiest, most vivacious 2 3 St. Patrick's Day you could ever possibly have. 4 Celebrate the day, whether you're Irish or not. 5 Celebrate your family, celebrate your friends, 6 celebrate your community and, yes, celebrate this 7 great country, the United States of America -and of course, everything Irish. 8 9 Thank you, Mr. President. 10 ACTING PRESIDENT AKSHAR: Thank 11 you, Senator Kennedy. I'm beginning to feel 12 Irish. 13 (Laughter.) 14 ACTING PRESIDENT AKSHAR: Senator 15 Bailey on the resolution. SENATOR BAILEY: 16 Thank you, Mr. President. 17 18 I will be very, very brief. As Senator Krueger alluded to, I may be Irish in 19 20 resume and ancestry DNA only, but I wanted to make sure that I show my respect for my friends 21 22 in the Irish community. And especially Senator Murphy, thank 23 24 you for introducing this resolution, along with 25 Senator Flanagan. You met your wife in the

1 Bronx, so that's something that I'll always make 2 sure I remember. And you knew where to go when it was time to make sure you found a wife, back 3 4 in the boogie-down Bronx. 5 But I just want to make sure that I recognize the accomplishments and the greatness б 7 that your community has done, and I say, on Saturday, Erin go Bragh! 8 9 ACTING PRESIDENT AKSHAR: Thank 10 you, Senator Bailey. So the question is on the 11 12 resolution. All in favor signify by saying aye. (Response of "Aye.") 13 ACTING PRESIDENT AKSHAR: Opposed, 14 15 nay. 16 (No response.) 17 ACTING PRESIDENT AKSHAR: The 18 resolution is adopted. Senator Ritchie. 19 20 SENATOR RITCHIE: Senator Flanagan 21 would like to open this resolution up for 22 cosponsorship. If a member would like to be a cosponsor, they should notify the desk. 23 ACTING PRESIDENT AKSHAR: 24 This 25 resolution is open for cosponsorship. If any

member wishes to be a cosponsor, please notify 1 2 the desk. Senator Ritchie. 3 4 SENATOR RITCHIE: I believe there's 5 a previously adopted resolution by Senator Stewart-Cousins, Number 4031, at the desk. I ask 6 7 that it be read in its entirety and call on 8 Senator Stewart-Cousins to speak. 9 ACTING PRESIDENT AKSHAR: The 10 Secretary will read. THE SECRETARY: Legislative 11 Resolution Number 4031, by Senator 12 Stewart-Cousins, memorializing Governor Andrew M. 13 Cuomo to proclaim March 2018 as Women's History 14 15 Month in the State of New York. 16 "WHEREAS, March is Women's History Month; and 17 18 "WHEREAS, March 8th is International Women's Day; and 19 20 "WHEREAS, Each year New York State 21 officially sets aside time to recognize the unique contributions that women have made to 22 New York State; and 23 "WHEREAS, New York State has a 24 25 distinguished history of monumental achievements

Cuomo, Governor of the State of New York, and the Legislative Women's 11 Caucus of New York State." 12 ACTING PRESIDENT AKSHAR: 13 Senator Stewart-Cousins on the resolution. 14 15 SENATOR STEWART-COUSINS: Thank you, Mr. President. 16 17 And again, before I start, let me 18 also wish everyone a very, very happy St. Patrick's Day. 19 20 So in terms of women's history, you 21 know, every year there's a theme for Women's 22 History Month, and it's selected by the National Women's History Project. Last year the theme was 23 "Honoring Trailblazing Women in Labor and 24 25 Business." And this year's theme is

"Nevertheless, She Persisted, " honoring women who 1 2 fight all forms of discrimination against women. 3 This year's theme is especially 4 significant given what's happening in Washington 5 with the efforts to strip women's rights and what's happening nationally with sexual 6 7 harassment and assault survivors who are coming out of the shadows to share their stories and 8 shine a light on this crisis. 9 10 I think of many of us in this chamber, myself included, who are here because we 11 persisted. I think of my mother and her mother 12 and so many of our parents who we are here 13 because they persisted. 14 15 And so Women's History Month gives us an opportunity to look back at women who 16 inspired us through their actions, their 17 18 dedication, and yes, their persistence. 19 Women who persisted like Ida 20 B. Wells, who was born enslaved, and she was 21 freed after the Civil War. She went on to become 22 an investigative reporter. And part of what she did was expose the horrors of lynching, in 23 addition to being a cofounder of the NAACP and a 24 25 suffragette.

1 Women like Dolores Huerta, who 2 fought for farmworkers, who still we must fight 3 for in this day and age. But in California she 4 cofounded the National Farmworkers Association, 5 which is now the United Farm Workers, with -- she did that with Cesar Chavez. And her phrase "Si, 6 Se Puede, " still resonates today. It was Dolores 7 Huerta who gave us that. 8 9 Women who persisted like Billie Jean 10 King, who in the face of sexism famously won the "Battle of the Sexes" in 1973, showing the world 11 that women were a formidable force in sports and 12 were to be respected. 13 14 Even contemporary women, like the 15 Bronx's own Tarana Burke, whose compassion as it related to a client of hers back in 2006 who 16 talked about sexual abuse -- in 2006, it was 17 18 Tarana's compassion that began the phrase 19 "Me Too." And because of her persistence, even 20 today, even more so today, #MeToo is just a national, national understanding. 21 22 Women also like Saru Jayaraman, who's leading the fight for tipped workers to get 23 fair wages. I had the honor to stand with Saru 24 25 many times, and it's an economic justice fight

that I know that as we persist, we will actually 1 2 succeed. 3 And when I think about women -- and 4 we've talked about the persistence, but I think 5 about Helen Keller, someone who was unable to see, to hear, and yet went on to graduate from 6 7 college, the first person with those types of disabilities to actually be able to graduate from 8 college. And she became a prolific author, an 9 10 outspoken advocate for suffrage, for social justice, and for labor rights. 11 12 These and the stories of so many incredible women are at the heart of Women's 13 14 History Month. 15 So this Women's History Month, let us recommit to persisting in the face of sexism 16 and in the face of injustice. We owe it to our 17 18 daughters and our granddaughters to show them 19 that when women refuse to back down, we can 20 accomplish so many things. And that's why "And 21 Yet She Persisted" is a good thing, because 22 invariably it moves our society forward. 23 Thank you. ACTING PRESIDENT AKSHAR: 24 Thank 25 you, Senator Stewart-Cousins.

Senator Bailey. 1 2 SENATOR BAILEY: Thank you, Mr. President. 3 4 And it's apropos and fitting that I 5 get a chance to sit in this chair and I get to sit next to my leader. 6 7 And the theme of what I'm going to say today is "Representation matters." It 8 matters that we have a woman leading our 9 10 conference. I'm going to start out with a quote 11 from W.E.B. Du Bois: "There is no force equal to 12 a woman determined to rise." And I can say that 13 as a father of two amazing young girls, Giada and 14 15 Carina, and as the husband of the 99 percent better -- not my better half, she's 99 percent 16 better than I am -- my wife, Giamara. 17 18 I understand that they say that "Behind every great man is a great woman." 19 20 That's never been the case, because a woman doesn't belong behind me; at the very least, 21 she's to my side. And most of the times she's in 22 front of me, preventing me from doing something 23 dumb. 24 25 Representation matters, folks.

Representation matters because my 3-year-old, 1 2 Giada, she came to me one day and I told her I 3 had a doctor's appointment and I told her the 4 doctor's name. She said, "Daddy, that's a boy. 5 Boys can't be doctors." "Why, Giada?" "Well, Doc McStuffins is a doctor, and my doctor, 6 7 Dr. Gagne, she's a doctor. So boys can't be doctors. All I know is that girls are doctors." 8 9 And it may seem simple and silly, 10 but for a 3-year-old to understand that she can be something like that is amazing to me, as a 11 12 father and as a public servant. Representation matters because it's 13 14 mattered all my life. I mentioned my wife and my 15 daughters. My mom, I would not be here without her. My grandmothers, I would not be here, 16 17 literally, without them. But not just literally, 18 but the life lessons that they've taught me about how -- treat others as you would want others to 19 20 treat your mother and treat your grandmother, and live by those rules. 21 22 You know, here in the Legislature we -- as legislators, we have to rely on our 23 staff to do what we do. Behind every great 24 25 legislator is an even better staff. And the

| 1 | majority of my staff spoiler alert are |
|----|---|
| 2 | women. They do an amazing job making sure that |
| 3 | I'm where I'm supposed to be, that I'm doing what |
| 4 | I'm supposed to get done, and that I am able to |
| 5 | represent the residents of my district ably. |
| 6 | Representation matters. I was |
| 7 | honored a couple of weeks ago at an event with |
| 8 | somebody that I didn't even believe I should have |
| 9 | been in the same room as: Tonya Boyd, the first |
| 10 | African-American woman to be the female deputy |
| 11 | chief in the FDNY. My daughter was there with |
| 12 | me, and I told her what she did. And glass |
| 13 | ceiling things are not only being broken, they |
| 14 | are being shattered by women like Tonya Boyd. |
| 15 | They're being shattered by women |
| 16 | like Darcel Clark, the first African-American |
| 17 | woman to serve as a district attorney in the |
| 18 | State of New York. |
| 19 | But it's not just those folks who |
| 20 | serve at large positions, it's folks who are in |
| 21 | this very body with us. Not just Senator |
| 22 | Stewart-Cousins, who was our great leader, but |
| 23 | Senator Liz Krueger, Senator Toby Stavisky, |
| 24 | Senator Velmanette Montgomery, Senator Roxanne |
| 25 | Persaud, Senator Marisol Alcantara, Senator Diane |
| | |

1 Savino.

| _ | |
|----|---|
| 2 | And Senator Cathy Young, who along |
| 3 | with Senator Liz Krueger and Assemblymember |
| 4 | Helene Weinstein are a new kind of |
| 5 | three-women-in-the-room. During the budget |
| б | hearings they sit through and sift through so |
| 7 | much testimony. And I have to make sure that |
| 8 | it's not a partisan issue, that my colleagues on |
| 9 | the other side of the aisle, you're accomplishing |
| 10 | great things as women from your communities as |
| 11 | well. |
| 12 | It's about Betty Rosa, Dr. Betty |
| 13 | Rosa, the chancellor of the Regents. It's about |
| 14 | Judge Jenny Rivera, my law school professor who |
| 15 | taught me a lot about the law but I also met my |
| 16 | wife in her seminar, so I owe her a lot more than |
| 17 | just a law degree. |
| 18 | It's about father-daughter duos. |
| 19 | And my wife was speaking about something on our |
| 20 | way home from the Somos el Futuro conference the |
| 21 | other day, and she said, "You know, there aren't |
| 22 | many father-daughter duos in the Legislature. |
| 23 | You know, I see a lot of father-son." And I |
| 24 | said, "Well, Senator Giada Bailey. If my |
| 25 | daughter has anything to do with it, she'll be up |
| | |

1 here soon one day."

| 2 | John Mayer once said "Fathers, be |
|--|---|
| 3 | good to your daughters." But it's important to |
| 4 | be good to not just our daughters, we have to be |
| 5 | good to all of the women in our community. I |
| 6 | referenced Tupac yesterday, so I might as well do |
| 7 | it again. The same exact song, in "Keep Ya Head |
| 8 | Up," he said, you know, we have to you know, |
| 9 | keep your head up and, you know, it's funny, when |
| 10 | it rains it pours. But that's not the important |
| 11 | part about the piece that I'm getting to. I |
| 12 | might get back to that one in a second, because I |
| 13 | forgot that portion. |
| | |
| 14 | But my daughter Giada, she has a |

1 Thank you. 2 "And since we all came from a woman, 3 got our name from a woman and our game from a 4 woman, I wonder why we take from our women, why 5 we rape our women, do we hate our women? I think it's time to kill for our women, time to heal our 6 7 women, be real to our women. And if we don't, we'll have a race of babies that hate the ladies 8 that make the babies. And since a man can't make 9 10 one, he has no right to tell a woman when and where to create one. So will the real men get 11 12 up? I know you're fed up, ladies, but keep your head up." 13 14 And for some, time's up, but for 15 others, it's your time. 16 Thank you, Mr. President. ACTING PRESIDENT AKSHAR: 17 Thank 18 you, Senator Bailey. 19 Seeing and hearing no other members 20 wishing to be heard, Senator Ritchie. 21 SENATOR RITCHIE: Senator 22 Stewart-Cousins would like to open this resolution up for cosponsorship. If a member 23 would like to be a cosponsor, they should notify 24 25 the desk.

So this 1 ACTING PRESIDENT AKSHAR: 2 resolution is in fact open for cosponsorship. 3 All members are going to be listed as cosponsors. 4 If you wish not to be a cosponsor, please notify 5 the desk. Senator Ritchie. 6 7 SENATOR RITCHIE: I believe there 8 is a previously adopted resolution by Senator Breslin, Number 3351, at the desk. I ask that 9 10 the title be read only and to call on Senator Breslin to speak. 11 12 ACTING PRESIDENT AKSHAR: The Secretary will read the title only. 13 THE SECRETARY: 14 Legislative 15 Resolution Number 3351, by Senator Breslin, 16 congratulating the Troy Varsity Football Team and Coach Bob Burns upon the occasion of capturing 17 18 the 2017 New York State Public High School Athletic Association Class AA Football 19 20 Championship on November 26, 2017. 21 ACTING PRESIDENT AKSHAR: Senator 22 Breslin. 23 SENATOR BRESLIN: Thank you very much, Mr. President. 24 25 And welcome, Troy High School

Football Team, who waited patiently, but you've 1 2 heard a lot about the Irish. 3 And if you don't know, Troy has one 4 of the greatest historical parts in Irish 5 history. At one time it had more per-capita Irish than any city in the country. 6 7 And then when we talk about women, Kate Mullaney, back in the 19th century, started 8 the first union of the Troy shirt manufacturing 9 10 workers and now has a home in Troy named after her that's on the federal landmarks. 11 12 But more importantly, or as importantly, Troy football and what they've done. 13 14 Little Troy. And they were -- if we don't know, 15 there are D schools, there are B schools, C schools, A schools and AA. And it really -- you 16 know, it's the size of the school. 17 18 And Troy last year went from an A to a AA. And generally when you move up in class, 19 20 you move down in wins because you're competing with better teams. Not Troy High School. 21 Troy 22 High School went up to a AA last year and proceeded to win all 13 games last year and be 23 the number-one ranked team in the State of 24 25 New York.

So they enter this past year with a 1 2 mark on their back. Everybody's looking out to beat Troy High School. Didn't happen. Troy High 3 4 School won an additional 13 games, to again be 5 the state champions -- the first team in the history of New York to win consecutive state 6 7 titles. A pretty great accomplishment. And I was joyed to be able to watch 8 9 several games and see the amazing cohesiveness of 10 not only your offense but your defense, and the remarkable coaching job that was done. And when 11 12 I think of your team, led by Joey Ward, who came from, I might add -- transferred from a school in 13 14 Albany, where I live -- and Dev Holmes is going 15 to be around here to be a great success at the University at Albany. It's a phenomenal ball 16 17 club, led by Bob Burns, who sits up there, the 18 head coach. 19 And I'd be remiss if I didn't 20 mention others, some of whom I've known for Mike Grasso, Jim Canfield, Mark Galuski, 21 years: 22 Sam Marro, Pat Haggerty, Matt Marsh -- a phenomenal combination of coaches. And I know by 23 24 talking to some of the players how you respect 25 what they have done for you.

And you have now come to the 1 2 pinnacle of state high school football, something 3 that you can be justifiably proud of, to make a 4 difference and bring Troy to the forefront of 5 athletics in the State of New York. I salute each and every one of you. And your future is 6 7 positive, your future is bright. And if I didn't mention him before, 8 Joey Casale -- I waited, because you have 9 10 relationships in the State Legislature. Pat Casale was a dear friend, a member of the 11 12 Assembly, who's retired. The Casale family name, throughout Troy, is renowned. And if I looked 13 14 through, and I did, there are so many others who 15 have histories with Troy. So I salute you for again being 16 17 state champions. And I worry about next year 18 only because there's the talk of going down to 19 Class A again because of size. Because you've 20 demonstrated you belong at the highest levels of state football in the State of New York, and you 21 belong at that level. To go down one because of 22 your population size would be a bad situation for 23 24 the kids you play. 25 So keep it up. You've set the

1 tradition, you've set what is important, and 2 you've done it as student-athletes who make the entire Capital District and the State of New York 3 4 proud of you. 5 I salute you. Thank you. ACTING PRESIDENT AKSHAR: 6 Senator 7 Breslin, thank you. 8 To the Troy Football Team and Coach 9 Burns -- excuse me. I'm sorry. Senator 10 Marchione. My apologies. 11 SENATOR MARCHIONE: Thank you, Mr. President. 12 I rise to salute the Troy team as 13 14 well. And certainly Senator Breslin has said 15 just about every wonderful thing that can be said 16 about this football team, about their coach, Bob 17 Burns. 18 But I just would like to add my 19 congratulations to all of you. This team, as 20 you've heard through Senator Breslin, is 21 talented, incredible athletes, and they exemplify 22 the dedication and determination and teamwork 23 that their school has been exhibiting. Congratulations. This is the second 24 25 year in a row; that is an amazing feat. And I

just want to add my congratulations to each and 1 2 every one of you. My thanks to your coach, who I 3 understand is an amazing coach and a tremendous 4 human being. So congratulations to each and 5 every one of you. ACTING PRESIDENT AKSHAR: 6 Thank 7 you, Senator Marchione. 8 To Coach Burns and the entire team, on behalf of the New York State Senate, we 9 10 congratulate you on all of your accomplishments and all of your teamwork. 11 12 And if everybody could please rise and acknowledge the team and the coaches. 13 (Standing ovation.) 14 15 ACTING PRESIDENT AKSHAR: We of course extend all the privileges and the 16 courtesies of this great house to all of you. 17 18 Thank you. Senator Ritchie. 19 20 SENATOR RITCHIE: Senator Breslin would like to open this resolution up for 21 22 cosponsorship. If a member would like to be a cosponsor, they should notify the desk. 23 ACTING PRESIDENT AKSHAR: 24 The 25 resolution is open for cosponsorship. If you

wish to be a cosponsor, please notify the desk. 1 2 Senator Ritchie. 3 SENATOR RITCHIE: Is there any further business at the desk? 4 5 ACTING PRESIDENT AKSHAR: There is no further business at the desk. б 7 SENATOR RITCHIE: There being no 8 further business, I move that we adjourn until 9 Monday, March 19th, at 3:00 p.m., intervening 10 days being legislative days. ACTING PRESIDENT AKSHAR: 11 On motion, the Senate stands adjourned until Monday, 12 13 March 19th, at 3:00 p.m., intervening days being legislative days. 14 15 (Whereupon, at 12:24 p.m., the 16 Senate adjourned.) 17 18 19 20 21 22 23 24 25
