NEW YORK STATE SENATE

THE STENOGRAPHIC RECORD

ALBANY, NEW YORK

June 4, 2018

3:32 p.m.

REGULAR SESSION

SENATOR JOSEPH GRIFFO, Acting President

FRANCIS W. PATIENCE, Secretary

P R O C E E D I N G S

ACTING PRESIDENT GRIFFO: The Senate will come to order.

I ask all present to please rise and join with me as we recite the Pledge of Allegiance to our Flag.

(Whereupon, the assemblage recited the Pledge of Allegiance to the Flag.)

ACTING PRESIDENT GRIFFO: Today's invocation will be offered by the Reverend Dr. Daniel DeJesus, senior pastor of The Ark of Salvation Family Worship Center, and General Presbyter for the Spanish Eastern District Assemblies of God in Oceanside.

Reverend.

REVEREND DeJESUS: Good afternoon, everyone.

As a pastor who was born and raised here in the great State of New York, I'm honored and privileged to have been invited by Senator Kaminsky to lead today's session in prayer.

So please join me as we come before He who sits on the throne high and lifted up. Let us pray.

Heavenly Father, we humbly come

before Your throne of grace and mercy. And Lord, we thank You, for we know that Your eyes are open and Your ears are attentive to the prayer that is made from this chamber.

Lord, we thank You for the privilege You have given us to serve the people of New York for such a time as this. Your word exhorts us to offer prayers for all that are in authority, that we may lead a quiet and peaceable life in all godliness and honesty, for this is good and acceptable in Your sight.

And so today we pray for the work of this legislative body, every Senator and their support staff. God, we ask that You bless them with good health and prosperity. Give them the strength to walk before You in faithfulness, in righteousness, and in uprightness of heart toward You.

Give them an understanding mind to govern Your people, that they may discern between good and evil so that Your people can perceive that the wisdom of God is in them to do justice.

Give them the courage that they need to make the decisions they've been empowered to make for the betterment of each community. And

help us understand that whatever we do for one of the least of our brothers and sisters, we do it for You.

Unite us, and tear down the strongholds that divide us, so that this season be one of great prosperity for our state.

Respectfully, I ask these things in Jesus' name. Amen.

The Amistad Commission was created in 2005, and it addresses the slavery in the

United States and the State of New York. Previously the commission was not meeting, and I'm glad today we have changed that so that the Secretary of State would not be in charge of the commission, but the New York Department of Education.

Next year we will hit a historical landmark in this country. In 2019, it will represent the 400 years of slavery, when slavery started in this country.

So I just want to thank my colleagues in the New York State Senate for voting for this Amistad bill.

ACTING PRESIDENT GRIFFO: Senator Krueger to explain her vote.

SENATOR KRUEGER: Thank you, Mr. President.

You know, this bill is very similar to a law that was in the press in the last week or two involving 485-a. This would be an expansion of 485-r. And what we learned with 485-a was that in the City of Syracuse, 40 properties were approved under a similar program and cost the city I think $50 million in lost tax revenue for incredibly minor adjustments to the property.

This is a bit different, and again it's at local option. But my concern is it would

actually allow people to buy a house that had perhaps almost no value, tear it down, and then get 25 years tax-free on the increased value of the land from building a house.

Now, I understand why localities would want old homes that are no longer sellable to be torn down. But the concept of a 100 percent tax exemption for 25 years translates into other people in the area having to pay more property tax for 25 years to make up for that lost property tax.

So I think it goes too far. This would take an existing law that applies to one small town and apply it to the entire state -- again, at local option. I'm hoping most localities will think through this carefully if it becomes law.

But I'll vote no, Mr. President. Thank you.

This is a bill that we've had and have passed in the Senate a number of times, but I think it's all the more important as we hear about sexual harassment, sexual abuse occurring within our communities and even within our schools.

This bill says that whether a student has reached the age of 17 or 18 where they would have consent, that it is not allowed to have a relationship with any employee of the school who can be in a position of trust or a position of authority or a position of being able to bargain with that student.

(The Secretary called the roll.)

ACTING PRESIDENT GRIFFO: Senator Hamilton to explain his vote.

SENATOR HAMILTON: Mr. President, I rise to vote in favor of this bill, which was passed last year unanimously by this chamber.

And it all started when a young lady came to Albany and asked me: "Senator Hamilton, why is black history only about slavery, Dr. Martin Luther King, Harriet Tubman, and Frederick Douglass?"

In Brownsville I took some young ladies from Brownsville to Medgar Evers College for a hackathon, and I asked the young ladies, "Where are you?" And they said, "We're at Medgar

Evers College." And I asked them, "Who was Medgar Evers?" And no one knew who Medgar Evers was. There was only one young lady who knew about Medgar Evers -- who wasn't born in this country, but she knew that Medgar Evers was a freedom fighter.

And I said, How come black history is only taught one month a year, the shortest month of the year? So what this bill does, it would incorporate black history into our curriculum from kindergarten through the 12th grade, to liberate the young minds of boys and girls who have to see more positive images about themselves, to learn more about the Harlem Renaissance, to learn more about the Buffalo anti-slavery movement, to learn more about African-American Long Islanders' fight for suffrage.

So today I am happy and delighted that this chamber has voted again unanimously for this bill. But unfortunately, when the bill passed last year, I was excited, I was encouraged to do more, and I started getting hate mail to my office, calling me the N word: How dare you want to introduce this N history to our boys and girls

in New York State?

And so we can't let ignorance and bias and bigotry control the history of this state and this country. African-Americans have contributed so much to this country and this state that the history has to be recorded. And it helps all people, all boys and girls to know that people of color in this country have made a difference.

So today I stand here honored again that this chamber has voted to make sure that history, black history, African-American history, be incorporated into our curriculum. And hopefully this year I won't get hate mail, I won't be called the N word for trying to have diversity within the state's curriculum.

Thank you, Mr. President.

ACTING PRESIDENT GRIFFO: Senator Hamilton to explain his vote.

SENATOR HAMILTON: Yes,

Mr. President, I rise for this bill.

Right now in my district we are facing one of the most severe homeless populations in the state. In some parts of my district I have over 51 percent of the children coming from homeless shelters. I have five new hotels in my district, in the Brownsville section, which is for homeless shelters.

Homeless shelters are a place that breaks down your spiritual, your physical and your moral mindset. And so what this bill is trying to do is to have more land banks to have more affordable housing in the Borough of Brooklyn, in the City of New York, and throughout the State of New York.

So I thank my colleagues again for voting to establish more land banks in the State of New York for populations more than a million people.

Thank you, Mr. President.

SENATOR MONTGOMERY: Yes, thank you, Mr. President.

I am certainly voting to support this bill because I think it's important for us to designate our waterways for -- as they relate to development in the different areas of our state.

But I just want to mention that I also have waterfront in my own district, and I have legislation that would allow us in my district and other communities in the City of New York to be eligible for support for exactly what this bill will do for Senator Valesky's district.

So I just want to say that I think this is the time for us to consider our state as a whole. It's not north, south, east, or west; it is New York State, as one of our former presidents would say about America.

So I want to make sure that this body considers the bill that I have introduced, which would allow New York City, the community boards in the City of New York, to be eligible for the same program that Senator Valesky's bill will do.

So with that, I vote aye, Mr. President.

Senator DeFrancisco.

SENATOR DeFRANCISCO: Mr. President, if we can hold the noncontroversial reading for a moment, there have been people in the chambers for some time now, and I'd like to have two Senators make two very brief introductions because of how busy we are today.

The first is Senator Tedisco.

ACTING PRESIDENT GRIFFO: Senator Tedisco.

SENATOR TEDISCO: Thank you, Mr. President.

On behalf of Senator Amedore and myself, we're truly honored and privileged to today to have with us members of the Schenectady County Human Rights Commission and the Martin Luther King Coalition.

Earlier this year I was proud to join with my colleagues in adopting a resolution commemorating the observance of the 33rd annual Martin Luther King, Jr., Day in the State of New York.

Our guests who are here with us today are members of a nonpartisan organization that works with everyone to help build and strengthen our communities. The purpose of the Martin Luther King Coalition is to advance the teachings, principles and doctrines of Dr. King through activism in the City of Schenectady and Schenectady County.

The coalition also coordinates and facilitates educational programs and awareness events in the community to promote the ideals of Dr. King, which stood for equality, tolerance, acceptance, unity and humanity.

Last year was the 30th anniversary of the Martin Luther King Coalition, which was founded by the late Reverend Eloise Frazier. The Schenectady County Human Rights Commission and Martin Luther King Coalition ceremonially renamed lower portions of Albany Street in Schenectady as Martin Luther King, Jr., Way.

This ceremony marked a historical moment and milestone in the coalition's 30-year history, and the unveiling of the street sign was performed at the corner of Craig and Albany Street in Schenectady.

This year they commemorated the fiftieth anniversary of Martin Luther King, Jr.'s death, a great American who was taken from us too soon because of an act of violence. I was proud to attend that fiftieth anniversary event to not only remember the life of Dr. King, but also to ensure his dream of equality becomes a reality.

I would ask those individuals who we're honored to have here to stand up, please. With us today are Ange Morris, executive director of the Schenectady County Human Rights Commission; Randy McGough, a leader in the Martin Luther King Coalition; and Karim Adeen Hasan.

Mr. President, I would ask you to welcome them to this house and afford them all the cordialities of this august body.

ACTING PRESIDENT GRIFFO: Thank you, Senator Tedisco.

We welcome the Schenectady Commission on Human Rights and the Martin Luther King, Jr., Coalition to the chamber today. We thank you for your work, we appreciate you here, and we extend all the privileges and courtesies of the house to you today. Thank you for being here.

Let's recognize our guests.

(Standing ovation.)

ACTING PRESIDENT GRIFFO: Senator DeFrancisco.

SENATOR DeFRANCISCO: Yes, please recognize Senator Jacobs for a briefer introduction.

(Laughter.)

ACTING PRESIDENT GRIFFO: Senator Jacobs.

SENATOR JACOBS: Thank you, Mr. President.

ACTING PRESIDENT GRIFFO: Some order in the house, please.

SENATOR JACOBS: Thank you, Mr. President, for allowing me the opportunity to introduce our guests from Western New York in the balcony today.

Today we have with us the Frontier High School advanced placement United States history class and members of the Frontier student government, accompanied by their teacher, Jean Baker, Frontier High School Principal Daniel Charland, Board Member Dave Podkulski, and Superintendent Dr. Richard Hughes.

I wanted to thank them all for coming all the way from Western New York today, getting up early. And I hope you've found experiencing the work of the legislative body here very interesting, and learning what we do here on a daily basis. Maybe one of these days some of you will be down here doing the people's work.

I apologize I was not able to be with you at the luncheon in my office for pizza. I would have loved to talk to you a little more, and I rarely like to miss an opportunity for pizza. But please enjoy your stay here.

Thank you, Mr. President.

ACTING PRESIDENT GRIFFO: Thank you, Senator Jacobs.

We also want to extend the privileges of the house to our guests from Frontier High School, the students, the teachers and administrators who are with us today. You appear to be very engaged and still awake, so that's a good sign.

Please stand and be recognized.

I rise to just remind my colleagues that here is one more opportunity -- Senator Young will be designating one of the waterways in her district as an inland waterway, and therefore that particular community is eligible to participate in the consolidated funding application process as a local waterfront revitalization program.

So just about every member on the other side has been able to apply for this program, based on their legislation which designates a particular body of water as an inland waterway, yet the people in my district

and in other communities in the City of New York are not eligible for this because they are not designated as being eligible as a community board, which in fact represents all of the planning that goes on around waterfront revitalization.

So Mr. President, I'm just saying yes, I'm voting for Senator Young's bill. I want her constituents to have access to this. But I hope that my legislation, which does this for people in my district, will be considered in this particular --
