25 favor of accepting the report of the Rules

1 Committee signify by saying aye.

2 (Response of "Aye.")

3 ACTING PRESIDENT BENJAMIN:

4 Opposed, nay.

5 (No response.)

6 ACTING PRESIDENT BENJAMIN: The
7 Rules Committee report is accepted.

8 SENATOR GIANARIS: Now,
9 Mr. President, please take --

10 ACTING PRESIDENT BENJAMIN: Senator
11 Gianaris.

12 SENATOR GIANARIS: -- please take
13 up the reading of the calendar.

14 ACTING PRESIDENT BENJAMIN: The
15 Secretary will read.

16 THE SECRETARY: Calendar Number 1,
17 Senate Print 4378, by Senator Parker, an act to
18 amend the Election Law.

19 ACTING PRESIDENT BENJAMIN: Read
20 the last section.

21 THE SECRETARY: Section 3. This
22 act shall take effect January 1, 2022.

23 ACTING PRESIDENT BENJAMIN: Call
24 the roll.

25 (The Secretary called the roll.)

1 ACTING PRESIDENT BENJAMIN: Senator
2 Montgomery to explain her vote.

3 SENATOR MONTGOMERY: Just to
4 explain my vote, Mr. President.

5 I just want to thank Senator Parker.
6 This bill was actually first introduced, I
7 believe, many years ago by Senator Suzi
8 Oppenheimer, who happened to have been my
9 classmate at that time. And I guess we really
10 owe a very special debt to Senator Parker for
11 finally making one of former Senator Suzi
12 Oppenheimer's wishes come true, that this bill is
13 going to pass today.

14 So I vote aye. Thank you,
15 Mr. President.

16 ACTING PRESIDENT BENJAMIN:
17 Senator Montgomery to be recorded in the
18 affirmative.

19 Senator Parker to explain his vote.

20 SENATOR PARKER: Thank you,
21 Mr. President.

22 As everybody knows in this chamber,
23 the right to the franchise in voting is the
24 cornerstone of our democracy. And the more that
25 we can do to expand that franchise, the more we

1 can do to gain participation and increase access
2 to the franchise, it's not really just something
3 that should be done, but really the moral
4 responsibility of this body and the State
5 Legislature to go forward.

6 This bill is important because it
7 finally gains access for college students to vote
8 on their college campuses. It also makes sure
9 that as we're drawing lines that we're making
10 those campuses contiguous, and such that lines
11 aren't being drawn through and around college
12 campuses.

13 I think that this is going to be
14 important not just in terms of increasing voter
15 participation through the State of New York but,
16 more importantly, making young people more active
17 in our democracy at an early time. And we
18 believe that early voting will become a habit for
19 them and improve our democracy as we go forward.

20 So I want to thank everybody for
21 their yes votes, and I'll be voting aye.

22 ACTING PRESIDENT BENJAMIN:
23 Senator Parker to be recorded in the affirmative.

24 Senator May to explain her vote.

25 SENATOR MAY: Thank you,

1 Mr. President.

2 I represent nine college campuses in
3 my district. And our elections commissioner told
4 me last year that 20 percent of the students who
5 tried to vote at one of our colleges had their
6 votes discarded because they went to the wrong
7 polling place. They went with their friends,
8 they all went together to vote, they ended up at
9 a polling place where they were told they could
10 file an affidavit ballot because they were at the
11 wrong polling place. But because they were at
12 the wrong polling place, the affidavit ballot was
13 thrown out.

14 So this is a wonderful opportunity
15 to make it simpler and more obvious to college
16 students about where and how they can vote, and I
17 thank Senator Parker for putting this bill
18 forward. Thank you.

19 ACTING PRESIDENT BENJAMIN: Senator
20 May to be recorded in the affirmative.

21 Announce the results.

22 THE SECRETARY: In relation to
23 Calendar 1, those Senators voting in the negative
24 are Senators Akshar, Amedore, Borrello, Boyle,
25 Flanagan, Funke, Gallivan, Griffo, Helming,

1 Jacobs, Jordan, Lanza, LaValle, Little, O'Mara,
2 Ortt, Ritchie, Robach, Serino and Tedisco.

3 Ayes, 40. Nays, 20.

4 ACTING PRESIDENT BENJAMIN: The
5 bill is passed.

6 THE SECRETARY: Calendar Number 2,
7 Senate Print 6457B, by Senator Gianaris, an act
8 to amend the Election Law.

9 SENATOR GRIFFO: Lay it aside.

10 ACTING PRESIDENT BENJAMIN: Lay it
11 aside.

12 THE SECRETARY: Calendar Number 3,
13 Senate Print 6754A, by Senator Breslin, an act to
14 amend the Election Law.

15 ACTING PRESIDENT BENJAMIN: Read
16 the last section.

17 THE SECRETARY: Section 2. This
18 act shall take effect on the 30th day after it
19 shall have become a law.

20 ACTING PRESIDENT BENJAMIN: Call
21 the roll.

22 (The Secretary called the roll.)

23 ACTING PRESIDENT BENJAMIN:
24 Senator Breslin to explain his vote.

25 SENATOR BRESLIN: Thank you,

1 Mr. Chairman.

2 This bill is one of the first
3 revisions to our voting laws of last year. What
4 it does is says in each county, the first voting
5 station shall be from the largest municipality in
6 that particular county.

7 To use an example, Rensselaer
8 County, in my district, had two voting stations
9 because they had around 100,000 voters, so they
10 got two. Both of them were put in rural areas.
11 The City of Troy, which represents over a third
12 of the population and houses a lot of elderly
13 people, a lot of poor people, a lot of
14 students -- in fact, over 70 percent of the
15 people in Troy don't have cars to use. So they
16 were put in the position that if they wanted to
17 participate, they had to in one instance go to
18 Schodack, which meant two bus rides and a long
19 period of time before they got the opportunity to
20 vote.

21 This law will change that and make
22 sure that that large -- in many cases, a city --
23 the largest municipality in the county will get
24 the first voting machine.

25 I think it's an important, a very

1 important step to make it fairer, to attract all
2 people to vote, to eliminate impediments to that
3 process and make the elections fairer.

4 I vote aye.

5 ACTING PRESIDENT BENJAMIN:

6 Senator Breslin to be recorded in the
7 affirmative.

8 Announce the results.

9 THE SECRETARY: In relation to
10 Calendar Number 3, those Senators voting in the

21 amend the Highway Law.

23 the last section.

24 THE SECRETARY: Section 3. This

16 (The Secretary called the roll.)

17 ACTING PRESIDENT BENJAMIN: Senator
18 May to explain her vote.

19 SENATOR MAY: Thank you.

20 Portable polling places is an idea
21 whose time has come. It's been tried in many
22 other states, and it's a way to bring voting
23 closer to the people.

24 As chair of the Committee on Aging
25 and also chair of the Commission on Rural

1 Resources, I am pleased to bring this bill
2 forward because it enables us to have short-term
3 polling places during early voting in rural
4 areas, in -- near where senior citizens live,
5 near large businesses where there are a lot of
6 employees. It just brings the voting closer to
7 the people.

8 So all of the bills that we're
9 passing today are about making voting more
10 accessible, and I'm proud that this does the
11 same.

12 Thank you.

13 ACTING PRESIDENT BENJAMIN: Senator
14 May to be recorded in the affirmative.

15 Announce the results.

16 THE SECRETARY: In relation to
17 Calendar Number 8, those Senators voting in the
18 negative are Senators Akshar, Amedore, Borrello,
19 Boyle, Flanagan, Funke, Gallivan, Griffio,
20 Helming, Jacobs, Jordan, Lanza, LaValle, Little,
21 O'Mara, Ortt, Ritchie, Robach, Serino and
22 Tedisco.

23 Ayes, 40. Nays, 20.

24 ACTING PRESIDENT BENJAMIN: The
25 bill is passed.

1 THE SECRETARY: Calendar Number 9,
2 Senate Print 6930, by Senator Krueger, an act to
3 amend the Election Law.

4 ACTING PRESIDENT BENJAMIN: Read
5 the last section.

6 THE SECRETARY: Section 2. This
7 act shall take effect immediately.

8 ACTING PRESIDENT BENJAMIN: Call
9 the roll.

10 (The Secretary called the roll.)

11 ACTING PRESIDENT BENJAMIN:
12 Senator Krueger to explain her vote.

13 SENATOR KRUEGER: Thank you.

14 Clearly we're doing a package to
15 improve voter access and to expand on our work in
16 early voting. And one of the things we did was
17 have a hearing after the early voting this year,
18 and we learned that some of the things weren't
19 done exactly right.

20 And so I'm very pleased that we're
21 going to move this bill today, recognizing that
22 asking schools to allow themselves to be used for
23 11 days per election, between start-up and
24 cleanup -- perhaps up to three times a year in
25 2020 -- is not realistic and causes conflict

1 between the role of the school in teaching our
2 children and also being a civic facility.

3 So this bill will say don't use
4 schools for early voting, but we're expanding the
5 opportunities to use other civic and cultural
6 institutions, including getting rid of a
7 ridiculous rule that says if a facility sells
8 liquor, they can't be a voting site. I have
9 images from the 1800s.

10 But really our museums, our cultural
11 institutions very likely do have restaurants that
12 sell liquor somewhere in the building, but they
13 can have the polling sites in their buildings not
14 anywhere near the bar. I don't think we should
15 be concerned about that in the 21st century.

16 I proudly vote yes. Thank you,
17 Mr. President.

18 ACTING PRESIDENT BENJAMIN:
19 Senator Krueger to be recorded in the
20 affirmative.

21 Announce the results.

22 THE SECRETARY: In relation to
23 Calendar Number 9, those Senators voting in the
24 negative are Senators Boyle, Flanagan, Gallivan,
25 Griffo, Jacobs and LaValle.

1 Ayes, 54. Nays, 6.

2 ACTING PRESIDENT BENJAMIN: The
3 bill is passed.

4 Senator Gianaris.

5 SENATOR GIANARIS: Mr. President,
6 please lay the remainder of the noncontroversial
7 calendar aside for the day.

8 ACTING PRESIDENT BENJAMIN: The
9 remainder of the noncontroversial calendar will
10 be laid aside for the day.

11 Senator Gianaris, that completes the
12 reading of today's calendar.

13 SENATOR GIANARIS: Please go to the
14 reading of the controversial calendar.

15 ACTING PRESIDENT BENJAMIN: The
16 Secretary will ring the bell.

17 The Secretary will read.

18 THE SECRETARY: Calendar Number 2,
19 Senate Print 6457B, by Senator Gianaris, an act
20 to amend the Election Law.

21 ACTING PRESIDENT BENJAMIN: Senator
22 Griffo, why do you rise?

23 SENATOR GRIFFO: Mr. President, I
24 believe there's an amendment at the desk. I
25 waive the reading of that amendment, and I ask

1 that you call upon Senator Flanagan.

2 ACTING PRESIDENT BENJAMIN: Thank
3 you, Senator Griffo.

4 Upon review of the amendment, in
5 accordance with Rule 6, Section 4B, I rule it
6 nongermane and out of order at this time.

7 SENATOR GRIFFO: Accordingly,
8 Mr. President, I would appeal that ruling of the
9 chair and ask that you recognize Senator
10 Flanagan.

11 ACTING PRESIDENT BENJAMIN: The
12 appeal has been made and recognized, and Senator
13 Flanagan may be heard.

14 SENATOR FLANAGAN: Thank you,
15 Mr. President.

16 I listened clearly to your ruling,
17 and obviously we disagree inasmuch as we're
18 appealing the ruling of the chair.

19 This amendment, I'm not sure I could
20 find anything that I could offer that would be
21 more germane to the people we represent at a time
22 and place where we should be talking about
23 nothing other than public safety. And I repeat,
24 nothing other than public safety and the
25 well-being of the people that we all represent.

1 So I not only believe it's germane,
2 I believe it should be the number-one priority.
3 And I can base that on a variety of different
4 things, including listening to the people that I
5 actually represent. And what we're hearing from
6 people in our communities -- the emails, the
7 phone calls, the people pulling you aside on a
8 street corner, at a public event, raising
9 concerns about what is happening in our state
10 right now.

11 Today, the Majority brought forth
12 47 bills for consideration for this body. Not
13 one had anything to do with criminal justice
14 reform. Not one. Here we are talking about
15 voting and voting reforms. This on top of the
16 fact that last year a number of reforms were
17 enacted that were deleterious to local
18 governments, costing them tens of millions of
19 dollars without any requisite funding, unfunded
20 mandates on local governments, and yet we have a
21 plethora of legislation here again today which in
22 and of itself is problematic, on top of the fact
23 that it's a whole series of other unfunded
24 mandates on local governments and on taxpayers
25 and I don't think it's going to do anything to

1 help the electoral process.

2 Having said that, what I want to
3 talk about, what I'm concerned about, why we feel
4 this is so germane, it's because New York State
5 is in a crisis at this moment, as we speak, as we
6 deliberate here in the New York State Senate.

7 Now, last year the Majority, along
8 with the Assembly Democrats and the Governor,
9 said we need to have criminal justice reform.
10 And you enacted criminal justice reform that we
11 think is awful. We don't think it's in the best
12 interests of the people we represent, we don't
13 believe it supports law enforcement, we don't
14 believe it supports our judiciary, we don't
15 believe it supports not-for-profits that help
16 crime victims, we don't believe it supports
17 victims of domestic violence, we don't believe it
18 does a lot of things that could have been done
19 properly. There was a rush to judgment. And
20 boy, there was an effort and a movement saying
21 "We've got to do it, we've got to do it, we've
22 got to do it."

23 This amendment is actually offering
24 an amendment to repeal portions of the budget
25 from last year. This is serious public policy

1 legislation that should not have been included in
2 the budget. And I've heard talk about hearings
3 and public input and all those kinds of things.
4 It didn't happen.

5 Go to the DAs, go to the police, go
6 to our fire officials, go to first responders --
7 who are now under more scrutiny than criminals
8 for being out there in the public and trying to
9 help people. Go to criminal defense attorneys
10 who express concerns about what was enacted. And
11 most importantly, go to the public. Get out on
12 the street and listen to what people are saying.
13 They are not only concerned, they're mad, they're
14 frustrated, and they're worried. And they have
15 every right to be worried.

16 You all passed it. You own it. And
17 I know some of you will wear that as a badge of
18 honor. Good luck. There are plenty of problems
19 associated with this legislation.

20 Now, yesterday I got up on this
21 floor and said it was the Governor's day, we
22 could hear his message for the State of New York,
23 the blueprint that he wants to offer. I
24 listened. And in fact, I was seated in a spot
25 where I could read on the teleprompter the entire

1 speech. I watched, I listened, I read, I waited,
2 I hoped. Nothing. Nothing about relooking at
3 the laws that were enacted last year. Despite
4 the Governor making public statements in other
5 places. Despite the Mayor of the City of
6 New York expressing concerns. Nothing. I heard
7 some passing remarks from the State Democratic
8 Party chairman: "Well, you know, maybe -- maybe
9 we're going to have to look at some of this."

10 Why wait? This could have been done
11 the right way last year. I got asked the
12 question today about the law being implemented
13 and seeing the effects. We didn't have to wait.
14 I went home and everyone went home and listened
15 to our DAs, listened to our law enforcement
16 personnel saying "This is going to be an
17 unmitigated disaster." And in less than two
18 weeks, it's already proven to do that. The
19 public is less safe today as a result of the laws
20 that were enacted last year.

21 This is germane. This is important
22 to the people we represent. And this, ladies and
23 gentlemen, should be the number-one priority of
24 the New York State Senate today. Today. This is
25 the first time I can remember in my tenure in

1 this Legislature where we've ever had session the
2 day after the State of the State. A new
3 legislative calendar, I get it. We had a golden
4 opportunity to address the most pressing matter
5 affecting the public.

6 And I could say the second thing is
7 maybe we should be talking about a \$6 billion
8 deficit. No. We're talking about voting
9 reforms. Are you kidding me? I don't think that
10 should be the number-one priority. This is a set
11 of misplaced priorities, as it was last year.

12 Now, we had a press conference
13 following the Democratic press conference today.
14 And during that press conference my colleagues
15 supported everything that we were advancing. I
16 referenced my own home county of Suffolk County.
17 I referenced my own home sheriff, Sheriff Errol
18 Toulon, who is a Democrat, who is a pro of the
19 highest order. He's a complete professional,
20 enjoys respect all across the aisle. He had
21 expressed grave concerns to me personally about
22 what this law would mean.

23 And lo and behold, I brought him
24 up -- and it has nothing to do with me bringing
25 him up, but he issued a press release less than

1 an hour ago, maybe two hours ago. And God, is it
2 relevant to what we're talking about.

3 These are quotes. "'Judges used to
4 have some discretion on whether or not an
5 individual should be held on bail,' says Sheriff
6 Errol Toulon. 'Now, it's black and white -- no
7 bail for these crimes regardless of the impact to
8 the community. The offender will be given a
9 court date and told to come back to court.'"
10 These are not my words. This is a duly elected
11 sheriff who has to administer this ill-conceived
12 law.

13 He also goes on to add and speak to
14 the notion of nonviolent crimes. This is
15 something the average person will listen to and
16 go, No, this can't be for real. Nonviolent. I
17 read: Assault in the third degree, aggravated
18 vehicular assault, aggravated assault upon a
19 person less than 11 years old. Criminally
20 negligent homicide. Aggravated vehicular
21 homicide. Manslaughter in the second degree.
22 Unlawful imprisonment in the first degree.
23 Coercion in the first degree. Arson in the third
24 and fourth degree. Grand larceny in the first
25 degree. Criminal possession of a weapon on

1 school grounds or criminal possession of a
2 firearm. Specified felony drug offenses
3 involving the use of children, including the use
4 of a child to commit a controlled substance
5 offense and criminal sale of a controlled
6 substance to a child. Promoting an obscene
7 sexual performance by a child. Possessing a
8 obscene sexual performance by a child. Promoting
9 a sexual performance by a child.

10 These are not my words, ladies and
11 gentlemen. This is from a sheriff in Suffolk
12 County.

13 Now, yesterday during the State of
14 the State the Governor went at rapid fire and
15 talked about his litany of accomplishments.
16 Rapid fire. In fact, it was so hard for him to
17 keep up on what he thought he accomplished, he
18 almost couldn't do it. I only wish he had taken
19 the time to talk about something like this. Yes,
20 invest in airports, yes, invest in
21 infrastructure. But this is investing in the
22 public and protecting the public.

23 This law is a travesty. And it's
24 our obligation to do something about it now. I
25 don't want to wait to see if it works. It's not

1 working. It was not working when it was enacted.
2 And people are saying, "Well, we've had
3 discussions." It all came after the fact. It
4 all came after the fact. The input that was
5 necessary that should have been sought from the
6 get-go was not done. That's a disservice to the
7 public.

8 Lastly -- this is a direct quote --
9 the release of 301 inmates under this new
10 legislation is deeply concerning to Sheriff
11 Toulon. "As we look at the effects of the
12 official enactment of bail reform, there are
13 clearly serious issues with this state law.
14 Judges must have discretion to determine bail
15 based on a criminal defendant's likelihood to
16 reoffend" -- and I have four pages of people who
17 have reoffended since January 1st, less than
18 10 days -- "and whether or not they will cause
19 further pain to his or her victims and the public
20 at large," says Sheriff Toulon. "The New York
21 State Legislature should amend or repeal bail
22 reform now." Not six months from now.

23 The census in the Suffolk County
24 jail is now down to about 750. They let go
25 30 percent of that population. And I'm sure

1 there are some instances where it was warranted.
2 But in the overwhelming majority of cases, I
3 don't want to have to go back to my residents and
4 read this litany of crimes that are now exempt.
5 This is a grave disservice to the public. We
6 need to act now.

7 Now, not only have I heard the
8 Governor, I've heard the Mayor. I told you I've
9 heard the State Democratic Party chair. And I've
10 listened to my colleagues in both the Senate and
11 the Assembly talking about, Whoa, we might need
12 to make changes. In fact, I'm going to introduce
13 a bill, I'm going to introduce a bill to protect
14 against something that might have happened. That
15 should have been done before. Not now.

16 Every Democrat in this house voted
17 for that legislation, and now a number of them
18 are walking it back. The Senate Democrats, the
19 Assembly Democrats, and the Governor own this.
20 And the public is getting more and more aware
21 every single day. Yes, I feel passionately, as I
22 know my colleagues do who are with me in
23 agreement, and those in opposition. But I know
24 what I'm hearing. And I know what my obligation
25 is. And I couldn't go home to a community event

1 tonight and say, By the way, I wanted to talk to
2 you about polling place legislation, when these
3 types of things are happening.

4 There's a story that just came out
5 of Syracuse today, someone who was released, a
6 Navy vet who was accused of killing his
7 girlfriend, and he says it's accidental. He
8 killed a person. Killed a person and is
9 wholesale released. That is not what the public
10 expects. That is not what the public deserves.

11 I can't think of an issue that is
12 more germane to the first day of this legislative
13 session than criminal justice reform. We are
14 advocating for repeal. And let me be clear, we
15 believe there are opportunities for reform --
16 done the right way, under the right
17 circumstances, by listening to people who are
18 hired and elected to protect us and the public.
19 To not address this and to not address it
20 immediately is malpractice, malpractice on the
21 part of this Majority and the New York State
22 Assembly and the Governor.

23 Mr. President, thank you for your
24 indulgence. I disagree with the ruling of the
25 chair and therefore appeal your decision.

1 ACTING PRESIDENT BENJAMIN: Thank
2 you, Senator Flanagan.

3 I want to remind the house that the
4 vote is on the procedures of the house and the
5 ruling of the chair.

6 Those in favor of overruling the
7 chair signify by saying aye.

8 (Response of "Aye.")

9 SENATOR GRIFFO: Show of hands
10 requested.

11 ACTING PRESIDENT BENJAMIN: A show
12 of hands has been requested and so ordered.

13 THE SECRETARY: Ayes, 20.

14 ACTING PRESIDENT BENJAMIN: The
15 ruling of the chair stands, and the bill-in-chief
16 is before the house.

17 Senator Ortt.

18 SENATOR ORTT: Would the -- through
19 you, Mr. President, would the sponsor yield to a
20 few questions?

21 ACTING PRESIDENT BENJAMIN: Does
22 the sponsor yield?

23 SENATOR GIANARIS: Yes,
24 Mr. President.

25 ACTING PRESIDENT BENJAMIN: The

1 sponsor yields.

2 SENATOR ORTT: Thank you,
3 Mr. President.

4 Could the sponsor -- there was a
5 version of this bill last year that came before
6 this body that would have enrolled every
7 person -- noncitizens, illegal immigrants, what
8 have you -- were they to opt in. Can the sponsor
9 explain the difference between that bill that
10 passed this house and the bill that is before us
11 today?

12 SENATOR GIANARIS: Mr. President,
13 the bill differs in a number of ways. But as
14 relates to the question Senator Ortt is asking,
15 this bill puts the onus on the two agencies that
16 will initially be responsible for implementing
17 automatic registration to not transmit to the
18 Board of Elections any application for which they
19 know that the applicant is not eligible, and that
20 includes if they are not a citizen of the
21 United States.

22 SENATOR ORTT: Through you,
23 Mr. President, if the sponsor will continue to
24 yield.

25 ACTING PRESIDENT BENJAMIN: Does

1 the sponsor yield?

2 SENATOR GIANARIS: Yes.

3 ACTING PRESIDENT BENJAMIN: The
4 sponsor yields.

5 SENATOR ORTT: Through you,
6 Mr. President, could the sponsor tell me how
7 these agencies would be able to determine if they
8 are in fact not eligible?

9 SENATOR GIANARIS: Sure.

10 The two agencies are the Department
11 of Motor Vehicles and the Department of Health.
12 And when one is applying through those agencies
13 for services, whether it be a driver's license or
14 what have you, identification is required. Those
15 two agencies are the two that actually have
16 citizenship information as it relates to people
17 who interact with those agencies.

18 So -- one second to get my list.
19 For example, the Department of Motor Vehicles, if
20 someone is not using -- or if someone is using a
21 noncitizen information, it would take the form of
22 the presentation of a foreign passport, consular
23 ID, a foreign driver's license, permanent
24 resident card, et cetera. There's a list of ways
25 that noncitizens can present identification to

1 the DMV. If the DMV receives that information,
2 it is the obligation of the agency not to pass
3 that application for voter registration along to
4 the Board of Elections.

5 SENATOR ORTT: Through you,
6 Mr. President, will the sponsor continue to
7 yield?

8 ACTING PRESIDENT BENJAMIN: Does
9 the sponsor yield?

10 SENATOR GIANARIS: Yes.

11 ACTING PRESIDENT BENJAMIN: The
12 sponsor yields.

13 SENATOR ORTT: Through you,
14 Mr. President. Under this bill, what is the
15 penalty for an illegal immigrant, noncitizen, who
16 registers to vote and actually casts a ballot?

17 SENATOR GIANARIS: The penalty is
18 the same in existing law for someone who
19 improperly registers or improperly votes. That
20 is contained in the Election Law, Section 5-210.
21 It is already a crime, and nothing as it relates
22 to how we handle voter fraud changes in this
23 bill.

24 SENATOR ORTT: Through you,
25 Mr. President, will the sponsor continue to

1 yield?

2 ACTING PRESIDENT BENJAMIN: Does
3 the sponsor yield?

4 SENATOR GIANARIS: Yes.

5 ACTING PRESIDENT BENJAMIN: The
6 sponsor yields.

7 SENATOR ORTT: Through you,
8 Mr. President. In the sponsor's bill there is
9 language that -- the presumption of innocent
10 authorized error as it relates to someone who is
11 registered to vote that would be a noncitizen or
12 would be an illegal immigrant.

13 Could the sponsor tell me and this
14 chamber what the presumption of innocent
15 authorized error means and how that would impact
16 someone who is found to be unlawfully registered
17 to vote under this law?

18 SENATOR GIANARIS: I believe that
19 the Senator is referring to the section of the
20 bill that says if someone is not found to have
21 intentionally and knowingly improperly
22 registered, that the presumption will be that
23 that was not done intentionally.

24 SENATOR ORTT: Through you,
25 Mr. President, yes.

1 Through you, Mr. President, my
2 question still remains as to how that would
3 impact someone that is found to be unlawfully
4 registered to vote. An illegal immigrant, a
5 noncitizen, how would this language, which is new
6 to this bill, how would that impact a person who
7 would be found on one of those lists?

8 SENATOR GIANARIS: Mr. President,
9 as I'm sure the Senator knows, most criminal
10 allegations require a showing of intent on the
11 part of the accused. So this bill does not
12 change the fact that absent the showing of an
13 intention to improperly register, there is a
14 presumption that that was not the case.

15 So we're not actually changing
16 anything about the way the law functions as it
17 relates to voter fraud other than to clarify,
18 once again, that if there is not an indication
19 that someone intentionally registered and voted
20 improperly, that they will not be deemed to have
21 intentionally voted and registered improperly.

22 SENATOR ORTT: Through you,
23 Mr. President, if the sponsor will continue to
24 yield.

25 ACTING PRESIDENT BENJAMIN: Does

1 the sponsor yield?

2 SENATOR GIANARIS: Yes.

3 ACTING PRESIDENT BENJAMIN: The
4 sponsor yields.

5 SENATOR ORTT: Through you,
6 Mr. President, I want to go back to this
7 question, because there is a distinct difference
8 from current law to what this bill would do.
9 Because under current law, someone has to
10 affirmatively register to vote. They have to opt
11 in. This bill, at its core, changes that to you
12 would have to opt out, otherwise you would be
13 automatically registered to vote.

14 And so again, I go back. By that
15 logic, anyone that's automatically registered
16 would have the presumption of innocence. It
17 would be very, very difficult for someone who
18 wanted to prosecute and enforce existing law in
19 the State of New York and this country, because
20 you'd have the presumption that it was in error.
21 And I view that as certainly as the purpose.

22 I'm curious as to why that language
23 was put into this bill when it was not in the
24 original bill.

25 SENATOR GIANARIS: Mr. President,

1 let me just clarify. That language was in the
2 original bill. That was always a part of what
3 we're trying to do.

4 What we're trying to solve is the
5 fact that there's up to 2 million New Yorkers who
6 are eligible to vote, unquestionably eligible to
7 vote, who are not on the voter rolls. And a
8 number of other states have taken this approach
9 where, once we have the information that someone
10 is an eligible voter and is of age, that they
11 will be added to the rolls once the appropriate
12 government agencies have that knowledge and
13 transmit it to the Board of Elections.

14 SENATOR ORTT: Through you --

15 SENATOR GIANARIS: There -- I'm
16 sorry, I wasn't concluded, Senator.

17 What I -- what I keep hearing, and I
18 remember this from last year's debate as well, is
19 some suggestion that there's a group of people
20 out there who are nefariously organizing to
21 register and go vote under penalty -- I guess,
22 since I believe you're talking about noncitizens,
23 under penalty of deportation. And there's no
24 evidence that that is occurring in New York or
25 anywhere else.

1 Now, mind you, if someone is so
2 motivated to do that, they can walk into the
3 Board of Elections right now and improperly
4 register to vote, and they would be subject to
5 appropriate penalties.

6 All we are trying to do here is make
7 it easier for people to vote. That's what we did
8 last year, and that's what we're doing now.

9 Now, I should also point out that my
10 colleague who is asking his questions is opposed
11 to this bill, clearly, but he also voted against
12 early voting. He voted against our efforts to
13 have no-cause absentee voting. He voted against
14 16- and 17-year-olds being able to preregister to
15 vote. He voted against same-day registration.
16 He voted against mandatory recounts in close
17 elections. And of course he voted against last
18 year's iteration of the Automatic Voter
19 Registration Act.

20 So I guess if I had the ability to
21 ask you to yield and answer a question of mine,
22 why do you oppose democracy so much that you
23 can't find a single one of the bills that we
24 passed to make it easy for people to vote in this
25 state that you could support?

1 SENATOR ORTT: Through you,
2 Mr. President, I will answer the sponsor's
3 question and then we'll get back to his bill,
4 which is why we're here today.

5 None of these Election Law changes
6 today, Mr. President, or last year, had anything
7 to do with democracy, and everyone knows that.
8 This is about the Majority cherry-picking laws to
9 try to drive up turnout in areas that they
10 believe have a partisan advantage to them. Plain
11 and simple.

12 And the bill that we have before us
13 today doesn't increase voting, it increases
14 registration. It has nothing to do with
15 increasing voting. And in fact, when we get to
16 the bill-in-chief and I'm on the bill, I will
17 outline the many things that it will do to
18 encourage, clearly, folks getting registered who
19 either do not want to be or folks getting
20 registered that should not be under federal and
21 current state law.

22 So if we could get back to the
23 sponsor's bill, would he continue to yield for
24 some questions?

25 ACTING PRESIDENT BENJAMIN: Does

1 the sponsor yield? Does the sponsor yield?

2 Sponsor, do you yield?

3 SENATOR GIANARIS: Yes,
4 Mr. President.

5 ACTING PRESIDENT BENJAMIN: The
6 sponsor yields.

7 SENATOR ORTT: Great.

8 Through you, Mr. President, is a
9 signature required to be registered under this
10 law?

11 SENATOR GIANARIS: Yes,
12 Mr. President.

13 SENATOR ORTT: Through you,
14 Mr. President. Just one moment. I would like
15 the sponsor to yield for more questions.

16 ACTING PRESIDENT BENJAMIN: Will
17 the sponsor yield for a few questions?

18 SENATOR ORTT: Through you,
19 Mr. President, in the sponsor's bill --

20 ACTING PRESIDENT BENJAMIN: Hold
21 on. We're waiting for the sponsor to yield.

22 Will the sponsor yield for a few
23 questions?

24 SENATOR GIANARIS: Yes,
25 Mr. President.

1 ACTING PRESIDENT BENJAMIN: The
2 sponsor yields.

3 SENATOR ORTT: Through you,
4 Mr. President. The language in the sponsor's
5 bill -- I would direct him to Section 5-902,
6 "Failure to receive exemplar signature not to
7 prevent registration. If a voter registration
8 exemplar signature is not received from an
9 applicant who submits a voter registration or
10 preregistration application pursuant to this
11 title and such a signature exemplar is not
12 otherwise available," that that would not
13 preclude the individual from being registered.

14 So as I read it, you could have
15 someone end up being registered without a valid
16 signature. Is that accurate? And if not, could
17 the sponsor educate me as to why that's not the
18 case?

19 SENATOR GIANARIS: I believe the
20 section that the Senator is referring to says
21 that in the absence of a signature being
22 transmitted due to the way the applications are
23 processed or transmitted to the board, that the
24 board will notify the registrant within a certain
25 amount of time to have them submit a proper

1 signature and then subsequently allow them to
2 vote by affidavit ballot, if I remember
3 correctly, if they show up to vote before that
4 takes place.

5 That is akin to so many instances
6 where the Board of Elections somehow doesn't have
7 someone's information on their registration form
8 and they go to vote and they are allowed to vote
9 by affidavit ballot, which as the Senator knows,
10 I'm sure, does not count until the board goes and
11 verifies that the person is actually eligible to
12 vote.

13 SENATOR ORTT: Through you,
14 Mr. President, if the sponsor will continue to
15 yield.

16 ACTING PRESIDENT BENJAMIN: Does
17 the sponsor yield?

18 SENATOR GIANARIS: Yes.

19 ACTING PRESIDENT BENJAMIN: The
20 sponsor yields.

21 SENATOR ORTT: Through you,
22 Mr. President, if there is a challenge to a
23 registration or to an absentee ballot -- which,
24 as everyone in this room knows, does happen --
25 would the person bringing the challenge be able

1 to review or to view the signature of a specific
2 registered voter?

3 SENATOR GIANARIS: Yes, I believe
4 so.

5 SENATOR ORTT: That's a yes,
6 Mr. President?

7 SENATOR GIANARIS: Yes.

8 SENATOR ORTT: Through you,
9 Mr. President, if the sponsor will continue to
10 yield.

11 ACTING PRESIDENT BENJAMIN: Does
12 the sponsor yield?

13 SENATOR GIANARIS: Yes.

14 ACTING PRESIDENT BENJAMIN: The
15 sponsor yields.

16 SENATOR ORTT: Through you,
17 Mr. President, what is the -- I have to imagine
18 right now the local Board of Elections are the
19 ones who administer voter rolls. This is
20 changing it where it's calling on the State Board
21 of Elections to administer these rolls. What
22 would the role be for the local Board of
23 Elections? Would they continue to also
24 administer rolls, or would all of that activity
25 transfer to the State Board of Elections?

1 SENATOR GIANARIS: It's my
2 understanding, Mr. President, this would operate
3 through existing procedures the board has under
4 the Help America Vote Act, which has been in
5 place for many, many years. The state board
6 maintains a database, and it can then communicate
7 with local boards as necessary to transmit the
8 appropriate information to them.

9 SENATOR ORTT: Through you,
10 Mr. President. So local Board of Elections would
11 continue --

12 ACTING PRESIDENT BENJAMIN: Are you
13 asking the sponsor to yield?

14 SENATOR ORTT: Yes, through you, if
15 the sponsor will yield.

16 ACTING PRESIDENT BENJAMIN: Will
17 the sponsor yield?

18 SENATOR GIANARIS: Yes,
19 Mr. President.

20 ACTING PRESIDENT BENJAMIN: The
21 sponsor yields.

22 SENATOR ORTT: So through you,
23 Mr. President, local Board of Elections would
24 continue to do what they've done, as well as the
25 State Board of Elections. You'd have two

1 agencies overseeing voter rolls.

2 SENATOR GIANARIS: Yes, they would
3 operate the same way they are already operating
4 as it relates to things of this nature, yes.

5 And I would think the Senator will
6 be pleased with that, since he seems concerned
7 about appropriate oversight to make sure
8 everything is being done properly.

9 SENATOR ORTT: Through you,
10 Mr. President, I am pleased.

11 Through you, Mr. President, would
12 the sponsor continue to yield?

13 ACTING PRESIDENT BENJAMIN: Does
14 the sponsor yield?

15 SENATOR GIANARIS: Yes.

16 ACTING PRESIDENT BENJAMIN: The
17 sponsor yields.

18 SENATOR ORTT: Through you,
19 Mr. President, is there a fiscal impact to this
20 bill? I have to believe that the State Board of
21 Elections, despite existing procedures and
22 practices, there's no question there is an
23 additional workload to administer these voter
24 rolls for new voters. Which, no question, is the
25 goal, to have more people registered. So I find

1 it hard to believe that there's not a fiscal
2 impact to the state, at the least, under this
3 bill.

4 SENATOR GIANARIS: If the question
5 is will there be a fiscal impact, yes, I expect
6 the administration of this system will have some
7 costs associated with it.

8 I should also point out that the
9 legislation does not call for the bill to be
10 implemented for two years, and that does give
11 enough time both for the boards to ramp up and
12 have the proper procedures in place and for the
13 state to determine costs and make the appropriate
14 appropriations.

15 SENATOR ORTT: Through you,
16 Mr. President, on the bill.

17 ACTING PRESIDENT BENJAMIN: Senator
18 Ortt on the bill.

19 SENATOR ORTT: Through you,
20 Mr. President, I would like to thank Senator
21 Gianaris for his answers.

22 But the reality is that everyone in
23 this chamber knows, and people across this state
24 know, last year we made a major shift here in
25 New York State. We passed a law, affectionately

1 known as the Green Light Law, which provides
2 driver's licenses to illegal immigrants. That
3 was the sole point of the bill. And the result
4 of that is we've had tens of thousands of illegal
5 immigrants going to DMVs across the state to get
6 driver's licenses. Not unsurprisingly, the DMV
7 is one of the agencies that any contact would
8 initiate automatic voter registration.

9 And two things I think are important
10 in this bill. One is it says should someone
11 register to vote unlawfully, they may be subject
12 to criminal penalties. There's no "may" about
13 it. I'm not an attorney and I know the
14 difference between "may" and "shall." They shall
15 face criminal penalties. It is a crime. It is a
16 felony. But yet it says "may."

17 Now, the reason it says "may," as
18 the sponsor talked about, is because we have
19 language in here that there's a presumption of
20 innocent authorized error. Which legally means
21 it will be very difficult to prosecute anyone who
22 registers and casts a ballot.

23 Now, I don't know if there are
24 legions of people who are festering to register
25 illegally. But I do know that laws that we are

1 passing in this chamber, including this one, are
2 certainly making it far more likely that someone
3 who is here illegally will be registered to vote,
4 because it automatically registers, it
5 automatically puts them in.

6 And I have some disagreement with
7 the sponsor about the requirement of a signature,
8 because I clearly see here that somebody could be
9 registered absent a authorized signature. And
10 that's the only form of I.D. we have in this
11 state, by the way, is our signatures.

12 So passing this bill today on the
13 heels of last year's Green Light Law, and passing
14 this bill here today instead of addressing
15 greater needs, to me continues the theme of the
16 Majority that there's a greater priority around
17 those who have broken our laws than around those
18 who follow them. That can be, to me, undeniable.

19 We know why this bill is being put
20 forward today. We know last year it passed in
21 the Assembly -- the New York State Assembly,
22 those conservative Democrats from the City of
23 New York in the Assembly, did not pass this bill.
24 They did not pass this bill. And I heard from
25 the Majority Leader over there they haven't even

1 conferenced this bill.

2 But here we are, out of the gate
3 today, passing this bill for one reason only, and
4 that's to further chip away at what it means to
5 be an American citizen, and to further chip away
6 and move towards giving voting rights to
7 noncitizens and those who are here illegally.
8 And there are people on this floor in the
9 Majority who have advocated for exactly that. So
10 we're not making this up.

11 So, Mr. President, I'll be voting no
12 and I encourage all my members, both in my
13 conference and the other conference, to vote no
14 as well.

15 ACTING PRESIDENT BENJAMIN: Senator
16 Jacobs.

17 SENATOR JACOBS: On the bill.

18 ACTING PRESIDENT BENJAMIN: Senator
19 Jacobs on the bill.

20 SENATOR JACOBS: Thank you very
21 much, Mr. President. I just wanted to quickly
22 echo a lot of the fine comments of my colleague.

23 When the Green Light legislation was
24 brought up last year, I talked about it and my
25 concerns in largely my experience as the Erie

1 County Clerk, who ran one of the larger auto
2 bureaus around the state, my concern of illegal
3 immigrants registering to vote at DMVs.

4 Over the years we've made it very
5 easy for individuals to register to vote at DMVs,
6 a very good thing. But the procedures and
7 technologies we put in to make it easy never
8 contemplated that illegal immigrants would be
9 transacting business and getting driver's
10 licenses at the DMV.

11 And the way it is designed right
12 now, there's tablets that have been instituted
13 where a couple of strokes on the tablet will
14 register you to vote. And one of the questions
15 is "Are you a citizen of the U.S.?" If the
16 individual hits -- is not a citizen but does hit
17 yes, that they are, they are registered to vote,
18 that information goes to the Board of Elections,
19 and that person will be able to vote at the next
20 election.

21 I voiced significant concerns about
22 that, that this will cause many of those that are
23 illegal immigrants would be on our voter rolls.

24 What I see here today is the Green
25 Light Bill on steroids. This will remove even

1 that step of them having to hit that stroke on
2 the tablet. They will be automatically
3 registered to vote. And I think it is very clear
4 we will see a significant increase in
5 registrations and, in turn, vulnerability to
6 illegal immigrants actually voting.

7 And I would say that I am heartened
8 to hear that perhaps the Assembly will slow down
9 this process and look to put some, at minimum,
10 requirements that there is a citizenship question
11 like actually the Commonwealth of Pennsylvania
12 has done in amending their automatic voter
13 registration legislation because of concerns and
14 problems they will have.

15 I also just wanted to quote really
16 quickly the Secretary of State of California, who
17 is a Democrat, who has voiced significant
18 concerns about the integrity of the voting
19 process, and I will quote: "My concern is it
20 risks jeopardizing confidence in the electoral
21 process."

22 This is a real serious problem. I
23 had heard one comment that the DMV officials will
24 only forward to the Board of Elections those --
25 those documents of -- those that have transacted

1 business of those that are citizens. But
2 actually my reading and understanding of the
3 Green Light Bill is it prohibited DMV workers
4 from asking that question.

5 So I think for many of these
6 reasons, this is going to exacerbate a problem
7 that was created, started with the Green Light
8 Bill. For all those reasons, I vote no.

9 ACTING PRESIDENT BENJAMIN: Senator
10 Borrello.

11 SENATOR BORRELLO: On the bill.

12 ACTING PRESIDENT BENJAMIN: Senator
13 Borrello on the bill.

14 SENATOR BORRELLO: Thank you,
15 Mr. President.

16 Even though I'm the new guy here,
17 Mr. President, I come here as a 10-year veteran
18 of county government, including two years as
19 county executive in Chautauqua County. And I
20 come here knowing full well that this body often
21 unintentionally likes to create chaos at the
22 local level -- chaos when it comes to unfunded
23 mandates, chaos when it comes to administering
24 the laws that were poorly thought out, without
25 the proper resources.

1 And this is another example of that,
2 Mr. President, where we are going to heave upon
3 local government -- our DMVs, Department of
4 Health, everyone else that works hard every day
5 to deliver the services for counties all across
6 the state are now going to have to deal with this
7 and will likely not get the funding that they
8 need to do so. This is something that I
9 certainly am very concerned with.

10 Also, we are talking about fraud.
11 And although my colleagues believe that there
12 will be no fraud created here, I can tell you
13 again, as a veteran of local government, that
14 this will indeed encourage a tsunami of fraud
15 that the folks in local governments at every
16 small community and county across the state will
17 have to deal with. This is not the way to go
18 about this.

19 It's also interesting to me that
20 this is about people only coming in contact with
21 government in some way. This is not about
22 registering everyone. This is about registering
23 people who have come into contact with government
24 to collect benefits, to perhaps address mental
25 health issues that they have. Those are the

1 folks that are going to automatically be
2 registered -- people that may not even understand
3 the impact of voting. It's about influencing
4 people who otherwise should not understand and
5 will not understand. I find that really
6 abhorrent.

7 So I'll be voting no on this. Thank
8 you, sir.

9 ACTING PRESIDENT BENJAMIN: Are
10 there any other Senators wishing to be heard?

11 Seeing and hearing none, debate is
12 closed.

13 The Secretary will ring the bell.

14 Read the last section.

15 THE SECRETARY: Section 5. This
16 act shall take effect on the earlier occurrence
17 of (i) two years after it shall have become a
18 law.

19 ACTING PRESIDENT BENJAMIN: Call
20 the roll.

21 (The Secretary called the roll.)

22 ACTING PRESIDENT BENJAMIN: Senator
23 Gianaris to explain his vote.

24 SENATOR GIANARIS: Thank you,
25 Mr. President. Let me thank my colleagues who

1 are supporting this important legislation.

2 I guess on this first day of
3 legislative business it's becoming clear we're
4 going to enjoy watching the robust Republican
5 primary for Congress in Western New York
6 unfolding on our floor.

7 (Laughter.)

8 SENATOR GIANARIS: So I guess we're
9 going to get used to hearing the voices of a
10 couple of our good colleagues.

11 Some of the things I heard during
12 the debate were frankly startling, and I just
13 wanted to focus on it.

14 One of my colleagues said that this
15 bill has nothing to do with voting, it has to do
16 with registering to vote. Let me just let that
17 sink in for a second. Because you can't vote
18 unless you're registered to vote. So obviously
19 making more people registered means more people
20 are eligible to vote, which means more people
21 will in fact vote.

22 And we know from other states that
23 have implemented automatic registration -- there
24 are 16 of them across this country -- that that's
25 exactly the effect that it has.

1 I did mention the long list of bills
2 that we have done to make it easier for people to
3 vote and make our democracy work better. And the
4 fact that a number of the bills that we passed --
5 in fact all of them, I think, that I listed --
6 were opposed by some of the same people that were
7 expressing concerns and opposition to this bill.

8 And one of the responses was that
9 this is some kind of diabolical scheme to make
10 sure that more people in areas of the state that
11 are favorable to Democrats are voting. I would
12 encourage my colleagues to look at the data from
13 the November elections. The amount of early
14 votes that were cast in this state were far
15 disproportionately outside the City of New York
16 than in the City of New York. Which means all we
17 really did was make it easier for the over a
18 quarter-million people in the state who took
19 advantage of early voting to vote in parts of
20 upstate New York, in the suburbs of New York.

21 And so I can't imagine for the life
22 of me why some of my colleagues would want the
23 people they represent to not vote. Actually, I
24 can imagine why, but it's exactly for the reason
25 that they suggested they're opposing this bill,

1 which is they only want the people to vote who
2 they think are going to vote for them. And
3 that's what this comes down to.

4 I am glad that people upstate got to
5 vote in bigger numbers, I'm glad that people in
6 Western New York got to vote in bigger numbers
7 because we did early voting. And automatic
8 registration is only going to make that happen
9 all the more. And I would think that's something
10 we should all be able to agree on in this
11 chamber.

12 I do want to stress one other thing,
13 because demagoguery was in effect today here on
14 this floor once again. The agencies
15 responsible -- let me repeat, the agencies
16 responsible for implementing this plan have the
17 responsibility not to transmit applications for
18 registration to the Board of Elections if they
19 know that the person is not eligible to vote.
20 The two agencies that we have in this bill, DMV
21 and DOH, Motor Vehicles and Department of Health,
22 are the two agencies that have that information.

23 So it is not just simply up to the
24 applicant to decide whether they're going to be
25 passed along to the board or not. Government

1 representatives in these agencies will bear that
2 responsibility as well. So there is a safeguard
3 against the types of fraud our colleagues are
4 concerned about. Which, by the way, there's no
5 evidence it's been taking place in all the states
6 that have already implemented automatic
7 registration.

8 And the last point I'd like to make
9 is someone, in speaking on the bill, said that
10 the problem they have is that people who will not
11 understand what it means to vote will be
12 registered to vote. That is a horrible and
13 dangerous reason to deny people the right to
14 vote. That has been used as the basis for all
15 sorts of awful laws in this country to
16 disenfranchise people, everything from tests --
17 I.Q. tests or tests to ensure someone is educated
18 enough to know what they're doing when they vote.

19 And so I would really caution my
20 colleagues. I mean, make your political points
21 and do what you've got to do, we all understand
22 it. But do not harken back to the things this
23 country has left far in the past of establishing
24 some kind of criteria that you decide you want
25 for whether someone should be able to vote or

1 not.

2 If someone is of age and if someone
3 is a citizen, they get to vote in this country.
4 That's how it works. Because everyone deserves
5 representation, and everyone deserves to have
6 their voice heard in our democracy.

7 So I am proud that we're taking this
8 important step today, Mr. President. I thank my
9 colleagues who are making our democracy work that
10 much better. Thank you.

11 ACTING PRESIDENT BENJAMIN: Senator
12 Gianaris to be recorded in the affirmative.

13 Senator Savino to explain her vote.

14 SENATOR SAVINO: Thank you,
15 Mr. President.

16 First, welcome back, everyone. And
17 I want to thank Senator Gianaris for, first,
18 explaining my explanation of the vote, because he
19 covered a lot of the things that I wanted to say.

20 But I also want to say to him that
21 earlier this year when this bill first came out,
22 there was a recognition that there were some
23 errors. And what he did is he took the time to
24 correct it and make it better and answer the
25 concerns that people had.

1 And so let's think about where we're
2 asking people to go. First I want to -- I also
3 want to make one point. Earlier this year when
4 we passed the Green Light Bill, we didn't give
5 anybody driver's licenses. We gave people the
6 opportunity to apply. And on balance, it was the
7 right thing to do, because people are driving on
8 our roads and it's in our interest, as the
9 public, to make sure that they are adequately
10 licensed, prepared and trained and know how to
11 operate a motor vehicle. And, more importantly,
12 if they're caught without a driver's license,
13 there's an aggravated complaint against them.
14 That's why we did that.

15 The two agencies that will
16 administer this automatic voting are the two
17 agencies that are required by law to collect
18 information from people. You have to produce it
19 for them; you cannot get public assistance
20 benefits, you can't get Department of Health
21 benefits unless you prove who you are.

22 So we know that the people who are
23 going to be going in there, they're going to fill
24 out that application and also they are going to
25 have to sign, after having guaranteed that if you

1 are not a citizen of the United States, you must
2 check the box below: Noncitizens who register or
3 preregister to vote may be subject to criminal
4 penalties, and such voter registration or
5 preregistration may result in deportation or
6 removal, exclusion from admission to the United
7 States, or denial of naturalization.

8 Now, I will say this. I've been in
9 the Senate 15 years now, going into my 16th year.
10 I have gone before the voters every two years
11 since 2004. I'm pretty popular. People like me.
12 I haven't met a single person yet who was willing
13 to commit a felony to vote for me or risk
14 deportation, and I'd be damned if anybody else
15 could find a voter who was willing to do that for
16 them.

17 This is common sense. It provides
18 the necessary protections. It does something to
19 address the fact that we are spending millions of
20 dollars every year on elections that nobody is
21 turning out to. We need to find a way to make it
22 easier for people to vote, and this is in the
23 right direction. I vote in the affirmative.

24 Thank you, Mr. President.

25 ACTING PRESIDENT BENJAMIN: Senator

1 Savino to be recorded in the affirmative.

2 Senator Myrie to explain his vote.

3 SENATOR MYRIE: Thank you,
4 Mr. President.

5 I'd first like to start with
6 thanking our Deputy Majority Leader for his
7 sponsorship of the bill, for his explanation and
8 debate of the bill, and really leading the
9 conference in starting off with democracy, as we
10 did last session.

11 I want to ask New Yorkers to pay
12 very close attention to the first debate that we
13 had this year. I want you to listen to both
14 sides of these arguments and ask yourself why
15 New York has been the worst in voter
16 participation for so long. What you hear is
17 apathy and outright disdain for the voter: This
18 is an unfunded mandate. This has nothing to do
19 with voting. You don't understand how to vote.
20 Why are we increasing participation?

21 Is it any wonder why this state has
22 been at the bottom of the entire country? The
23 disrespect for the voter was on full display
24 today.

25 And what this Majority has done, in

1 the face of inaction, in the face of opposition,
2 in the face of apathy, has said, We respect the
3 voter. We want you to participate in your
4 democracy. We want to make it easier for you to
5 do it. You want to talk about unfunded mandates,
6 we put \$10 million in the budget for early
7 voting. You want to ask us, is this a partisan
8 advantage? There were 256,000 New Yorkers who
9 participated in early voting of all parties.

10 This had nothing to do with us
11 trying to gain an advantage. Because guess what?
12 We have the advantage. We're in the majority.
13 This is about increasing participation in our
14 democracy.

15 Now, there were several references
16 to the Green Light Law. And I understand that
17 change is difficult. But what we saw when the
18 Green Light Law went into effect were tens of
19 thousands of our New Yorkers applied for licenses
20 that couldn't do it before. And in every single
21 instance, guess how many instances of fraud we
22 have found?

23 ACTING PRESIDENT BENJAMIN: Senator
24 Myrie, how do you vote?

25 SENATOR MYRIE: I vote in the

1 affirmative.

2 (Laughter.)

3 SENATOR MYRIE: Thank you.

4 ACTING PRESIDENT BENJAMIN: Senator
5 Myrie to be recorded in the affirmative.

6 Senator Boyle to explain his vote.

7 SENATOR BOYLE: Mr. President, to
8 explain my vote.

9 I'd like to speak for the millions
10 of Americans who have not been discussed in this
11 entire debate, those New Yorkers that do not want
12 to be registered to vote. There are many, many,
13 many of them, for many reasons.

14 All of us have knocked on doors in
15 our districts over the years. I've gone to rich
16 places, poor places, and in the middle, and in
17 the houses next door no one's registered to vote.
18 I may see them outside, say, "You know, you're
19 not registered to vote." "Yeah, I don't want to
20 be." "Why not?" I've had a thousand different
21 answers: I don't want to be called for jury
22 duty. I don't want to be put on any list. I
23 don't want to -- I think you're all corrupt. Not
24 you, Phil, but all the rest of the people, all
25 the rest of the politicians are corrupt. I want

1 nothing to do with this system.

2 And so we're going to find in the
3 years to come we're going to have people that are
4 registered to vote that did not want to be
5 registered to vote. And I know you say we can't
6 do it; why are we making them opt out? We've
7 been very good over the last many years about
8 making it easier, more access -- DMV, all the
9 other ways that people can go to register to
10 vote. They can go to the post office. It's
11 very, very simple. Let them opt in and have the
12 freedom to choose whether they want to be
13 registered to vote, and they'll make the
14 decision.

15 I vote in the negative.

16 ACTING PRESIDENT BENJAMIN: Senator
17 Boyle to be recorded in the negative.

18 Senator Funke to explain his vote.

19 SENATOR FUNKE: Thank you,
20 Mr. President.

21 Let me take a little bit broader
22 view of this issue. There's been a lot of
23 discussion about responsibility today, and I wish
24 people would take responsibilities for certain
25 things.

1 I think we should do everything we
2 can to encourage people to vote, I really do.
3 But what we're discussing here is a balance
4 between rights and responsibilities, it seems to
5 me. That's a long-standing discussion that goes
6 back to our founding fathers.

7 Voting is a fundamental right. So
8 is free speech, so is the right to bear arms, so
9 is freedom of religion. However, in every case
10 we balance rights with responsibility. You have
11 the right to free speech; you can't threaten
12 violence and you can't cry "fire" in a crowded
13 theater. If you want to assemble and protest,
14 you need a permit, and that permit may require
15 you to use a different location than the one that
16 you prefer.

17 We have freedom of religion, but the
18 courts have ruled expressions of religion have to
19 be limited in the public square and on the public
20 property. And to the extent that they can
21 happen, they must be done under clear guidelines
22 and with clear limitations.

23 We have the right to bear arms, but
24 we also have numerous restrictions and permits
25 that limit that right. All of which my

1 colleagues on the other side certainly support
2 and constantly argue for more restrictions.

3 So now we come to voting. People
4 should vote. That's the backbone of our
5 democracy. No one should interfere with the
6 right to vote or unduly restrict it. But can
7 anybody say with a straight face that filling out
8 a half-page form is somehow an unreasonable
9 restriction? Does anybody think that it's really
10 too hard to register to vote, that people don't
11 know where they can find a registration form? I
12 doubt anybody sincerely believes that.

13 Instead, we have a situation where
14 of all the rights that exist, my Democratic
15 colleagues want this one unrestricted and free of
16 the responsibility and the accountability that
17 accompanies every other right that we enjoy.
18 They don't want to require even a minimal effort
19 from our citizens. Some may even say they don't
20 even care if somebody is actually a citizen.

21 And why? I'm going to say it again.
22 I think it goes back to politics. It is a state
23 where Democrats already outnumber Republicans
24 almost three to one. God bless you. And now
25 automatically registering the balance of the

1 populace is going to help you even more.

2 ACTING PRESIDENT BENJAMIN: Senator
3 Funke, how do you vote?

4 SENATOR FUNKE: So this isn't about
5 rights or balancing rights with responsibility or
6 overcoming barriers to voting, Mr. President.
7 This is about one political party trying to gain
8 a further advantage. That's why I'm voting no.

9 ACTING PRESIDENT BENJAMIN: Senator
10 Funke to be recorded in the negative.

11 Senator Sanders to explain his vote.

12 SENATOR SANDERS: Thank you,
13 Mr. President.

14 First I want to congratulate my new
15 colleague. I think that was his first speech.
16 Well done.

17 I've heard the arguments, and some
18 of the arguments that are being raised against
19 this really need consideration, and we really do
20 need to give to it, give consideration.

21 However, I am, you know, perturbed
22 when I hear things like people who don't
23 understand how to vote, and things of that
24 nature, because I come at -- my background, my
25 father was a sharecropper and there were laws

1 that they could -- that forbade them from voting.
2 They had to read a section of the Constitution.
3 And no matter how well they read it, they were
4 voted against. It was said no, you didn't do it
5 right. So that argument is very -- it's personal
6 to me.

7 I'm glad that we put in money so
8 that this is not an unfunded mandate.
9 Mr. President, the problems of democracy can only
10 be solved by using democracy, and more democracy,
11 not less. Not taking away freedoms, but more
12 freedom.

13 Under those conditions,
14 Mr. President, I vote yes.

15 ACTING PRESIDENT BENJAMIN: Senator
16 Sanders to be recorded in the affirmative.

17 Senator Hoylman to explain his vote.

18 SENATOR HOYLMAN: Thank you,
19 Mr. President. Happy New Year.

20 I wanted to thank Senator Gounardes
21 and Senator Myrie for their leadership.

22 You know, Happy New Year, everyone.
23 But it is a sad state of affairs for our friends
24 across the aisle when they say more New Yorkers
25 voting creates a partisan advantage for

1 Democrats. That doesn't make sense.

2 To me, our friends across the aisle
3 need to come up with better ideas. I can
4 understand why your leader was so visibly
5 frustrated -- I would argue, incandescent with
6 rage -- that we are taking up an issue that
7 expands the franchise and that allows more
8 New Yorkers to vote. Because, Mr. President,
9 clearly, clearly the ideas on this side of the
10 aisle are prevailing.

11 And I'll point out the fact, when it
12 comes to voter fraud, that incident rates of
13 voter fraud are between 3/10,000ths and
14 25/10,000ths of a percent. So, Mr. President,
15 you are more likely to be struck by lightning
16 than impersonate another voter at the polls.

17 I vote aye.

18 ACTING PRESIDENT BENJAMIN: Senator
19 Hoylman to be recorded in the affirmative.

20 Senator Harckham to explain his
21 vote.

22 SENATOR HARCKHAM: Thank you,
23 Mr. President.

24 Happy New Year, everyone.

25 I just want to follow up on the

1 excellent comments of Senator Gianaris, one
2 specifically, that we somehow should restrict
3 access to voting because people might be applying
4 for mental health services. In New York State we
5 do not disenfranchise people who have mental
6 health issues and who seek services. That's the
7 stigmatization that has killed people for
8 decades, that we fight against.

9 You know, a number of us in a
10 bipartisan way traveled around the state with the
11 Opioid Task Force, and the number-one issue that
12 we heard is stigmatization. And it is rampant
13 across this state with substance use disorder,
14 with mental health issues. And we don't say, in
15 the State of New York, we don't want to offer you
16 the right to register to vote because, by the
17 way, we're concerned you might have a mental
18 health issue. I just had to comment on that.

19 I vote aye.

20 ACTING PRESIDENT BENJAMIN: Senator
21 Harckham to be recorded in the affirmative.

22 Senator Lanza to explain his vote.

23 SENATOR LANZA: Thank you,
24 Mr. President.

25 You know, it seems to me lately I've

1 noticed that the very tolerant left considers any
2 disagreement or opposition as incandescent rage
3 to be stamped out and not listened to. So let me
4 lay a little incandescent rage on the floor here.

5 Let me say I want every eligible
6 citizen, person, who desires to register to vote
7 to register to vote, every single last person
8 here in the state who is eligible. And we should
9 do all we can to make that an easy and fair
10 policy and process.

11 I'm going to vote no on this
12 legislation for one simple reason. In spite of
13 the discussion concerning there being safeguards
14 with respect to those who are not eligible to
15 vote being automatically registered, the very
16 language in this bill circumvents those.

17 Here's the way it will work. Under
18 the Green Light Law, someone appears at
19 Motor Vehicles, applies for a driver's license
20 who is not a citizen. That person will be
21 automatically registered to vote. I take
22 exception to what Senator Savino mentioned as
23 this requirement for a signature. I know,
24 Senator Carlucci, it's early in the year for me
25 to be disagreeing with Senator Savino.

1 (Laughter.)

2 SENATOR LANZA: But the very
3 legislation says whether or not there is a
4 signature on that document, that person is
5 registered to vote.

6 With respect to the sponsor's
7 statement that Motor Vehicles has a
8 responsibility with respect to whether or not
9 someone here is a citizen or not, we know by the
10 original law that they can't even ask that
11 question in terms of whether or not someone is a
12 citizen. So there is no safeguard here that a
13 person who is not a citizen will be registered to
14 vote.

15 Now, I know for many that's okay.
16 For me, it is not, and that's why I'll be voting
17 no.

18 ACTING PRESIDENT BENJAMIN: Senator
19 Lanza to be recorded in the negative.

20 Announce the results.

21 THE SECRETARY: In relation to
22 Calendar Number 2, those Senators voting in the
23 negative are Senators Akshar, Amedore, Borrello,
24 Boyle, Flanagan, Funke, Gallivan, Griffio,
25 Helming, Jacobs, Jordan, Lanza, LaValle, Little,

1 O'Mara, Ortt, Ritchie, Robach, Serino and
2 Tedisco.

3 Ayes, 40. Nays, 20.

4 ACTING PRESIDENT BENJAMIN: The
5 bill is passed.

6 Senator Gianaris, that completes the
7 reading of the controversial calendar.

8 SENATOR GIANARIS: Is there any
9 further business at the desk?

10 ACTING PRESIDENT BENJAMIN: There
11 is no further business at the desk.

12 SENATOR GIANARIS: I move to
13 adjourn until Monday, January 13th, at 3:00 p.m.,
14 intervening days being legislative days.

15 ACTING PRESIDENT BENJAMIN: On
16 motion, the Senate stands adjourned until Monday,
17 January 13th, at 3:00 p.m., intervening days
18 being legislative days.

19 (Whereupon, at 2:09 p.m., the Senate
20 adjourned.)
