13 No, in seriousness, in the absence  
14 of clergy, let us bow our heads in a moment of

12 SENATOR SERRANO: I now offer the

14 ACTING PRESIDENT BAILEY: The  
15 amendments are received.

16 Senator Serrano.

17 SENATOR SERRANO: Please take up  
18 Resolution Number 807, by Senator Rhoads. Please  
19 read that resolution title only and recognize  
20 Senator Rhoads.

21 ACTING PRESIDENT BAILEY: The  
22 Secretary will read.

23 THE SECRETARY: Resolution 807, by  
24 Senator Rhoads, commending Timothy Jaccard upon  
25 the occasion of his designation as recipient of a

1 Liberty Medal, the highest honor bestowed upon an  
2 individual by the New York State Senate.

3 ACTING PRESIDENT BAILEY: Senator  
4 Rhoads on the resolution.

5 SENATOR RHOADS: Thank you,  
6 Mr. President.

7 I rise today to recognize  
8 Nassau County Police Department -- now retired --  
9 Captain Timothy Jaccard for the amazing work that  
10 he has done in his professional and civilian  
11 life, and in recognition of his receipt of the  
12 2025 Liberty Medal from the New York State  
13 Senate.

14 I have had the honor of knowing  
15 Tim Jaccard since I was three years old. Tim and  
16 I actually were backyard neighbors. My parents'  
17 house backed up against his. In fact, our first  
18 puppy as a kid came from his dog's litter.

19 So we know each other a long time.  
20 Even though he's probably about 15 years older  
21 than I am, he is truly an exceptional individual.  
22 And to give you a set of circumstances, it was  
23 1998 and Captain Timothy Jaccard, who at that  
24 point was a 25-year veteran of the Nassau County  
25 Police Department, found himself in the middle of

1 a circumstance unimaginable to most people.

2           Called to a crime scene as a member  
3 of the Nassau County Police Department's  
4 ambulance medical technician team, he discovered  
5 the body of a dead infant in a garbage can. Not  
6 for the first or last time, he was moved with  
7 compassion for an innocent life cut short. And  
8 so began the AMT Children of Hope Baby Safe Haven  
9 Foundation.

10           Tim Jaccard's initial mission was to  
11 bury every infant in Nassau County who was  
12 abandoned and died or had been killed. To bury  
13 the babies, however, Captain Jaccard had to  
14 become their legal guardian. And since that day,  
15 Tim has adopted and provided dignified burials  
16 through his foundation of hundreds of children,  
17 all with the surname Hope.

18           "What is heartbreaking over the  
19 years is that I have buried more than 200  
20 babies," Captain Jaccard said in 2023. "We bury  
21 these children with honors. We have a ceremonial  
22 baptism where the babies are dressed in a tuxedo  
23 or baptismal gown and placed in a casket. We  
24 usually have 50 to a hundred motorcycles that  
25 escort the babies from the funeral home to the

1 church."

2 But as the AMT Children of Hope  
3 Foundation grew, Captain Jaccard was moved beyond  
4 that noble mission, realizing that the parents  
5 who committed these unthinkable acts of cruelty  
6 often did so because they made the wrong  
7 decision, thinking they had no other option. And  
8 so Tim asked himself, What if I provided that  
9 other option?

10 And Tim began pushing for what he  
11 called safe haven laws that would allow women who  
12 have just given birth, or a father, to surrender  
13 their infant at a hospital, firehouse or police  
14 station, no questions asked, without penalty.

15 In 1999 he found an ally in  
16 Texas Governor George W. Bush, pointing out that  
17 the City of Houston had more than a dozen infant  
18 abandonment deaths a year earlier. And  
19 Captain Jaccard lobbied the governor to make a  
20 safe haven law a legislative priority.

21 That year Texas adopted the  
22 Baby Moses Law, named after the biblical hero who  
23 had been abandoned at birth.

24 With the help of my predecessor,  
25 Senator Chuck Fuschillo, New York enacted its

1 version of the law in 2000.

2           And thanks to his efforts, by 2008  
3 all 50 states had enacted baby safe haven laws.  
4 The only jurisdiction that hadn't was Washington,  
5 D.C. And on Christmas Eve of that year, then  
6 President George W. Bush called Tim to let him  
7 know that he had signed a proclamation creating  
8 the program in the District of Columbia,  
9 completing his nationwide quest.

10           To date the AMT Children of Hope  
11 Baby Safe Haven Foundation -- founded to bury  
12 babies that were lost -- together with its  
13 160 volunteers, has saved over 5,000 babies, and  
14 he has personally rescued over 300, delivering a  
15 hundred of those babies personally.

16           For his part, Tim Jaccard's greatest  
17 joy is watching youngsters like  
18 Brandon Laracuente grow up with parents who adore  
19 them. Ilene Laracuente and her husband, Ed, who  
20 live in Bethpage, in my district, adopted young  
21 Brandon, who had been relinquished to the  
22 Children of Hope when he was 6 weeks old.

23           "It was a godsend for us," said  
24 Ilene, who was also adopted. "He's wonderful,  
25 wonderful, wonderful, a smart, smart, smart child

1 and a loving child."

2 And Brandon, who is now a teenager,  
3 hopes to be a doctor. "I'm happy that they care  
4 for me and that they love me," he said of his  
5 parents.

6 One of the most often told stories  
7 is of a baby named Molly, who was born a day  
8 before 9/11 in New York's Central Park. Molly's  
9 biological mother gave birth to her in  
10 Central Park just before sunrise on September  
11 10th, with the aid of Medical Officer Tim  
12 Jaccard. Molly was not abandoned but was legally  
13 relinquished by law, through the NYPD and the  
14 AMT Children of Hope Foundation. She is now  
15 20 years old and living happily with her adopted  
16 parents in New York.

17 Tim Jaccard, to me, is not only a  
18 great friend, but he is a true hero. In a world  
19 where the value of life is sometimes called to  
20 question, he has dedicated first his professional  
21 career, but now his career in retirement to  
22 saving and preserving lives, making an  
23 immeasurable difference in the lives of thousands  
24 of babies who now have a chance to grow up and  
25 contribute to this world.

1                   It is our hope that we can always  
2 use the gifts and talents that we've been given  
3 to try and make our corner of the world a little  
4 better place. Tim Jaccard has dedicated his life  
5 to making our nation a better place, and has made  
6 a tremendous difference.

7                   And so, Mr. President, Tim Jaccard  
8 unfortunately was a little under the weather and  
9 is not able to be here today. I will be  
10 presenting the Liberty Medal to him back in the  
11 district. But I know that he is watching on  
12 television.

13                   I would just ask that you extend  
14 congratulations on behalf of the Senate to Tim in  
15 absentia and know that we gratefully appreciate  
16 everything that he has done for the people of the  
17 State of New York and for our nation.

18                   Thank you, Mr. President.

19                   ACTING PRESIDENT BAILEY: Thank  
20 you, Senator Rhoads.

21                   First and foremost, Mr. Jaccard, get  
22 better. We thank you for your service and  
23 appreciate your heroic actions.

24                   And even though you're not in the  
25 chamber, we do extend you the privileges and

1 courtesies from your couch or wherever it is that  
2 you may be viewing.

3 This resolution was adopted on  
4 April 29th.

5 Senator Serrano.

6 SENATOR SERRANO: Thank you,  
7 Mr. President.

8 Let's take up previously adopted  
9 Resolution 1131, by Senator Rolison. Please read  
10 that resolution title only and call on  
11 Senator Rolison.

12 ACTING PRESIDENT BAILEY: The  
13 Secretary will read.

14 THE SECRETARY: Resolution 1131, by  
15 Senator Rolison, posthumously honoring the life  
16 and service of United States Army Air Forces  
17 Staff Sergeant Eugene J. Darrigan, who was laid  
18 to rest in his hometown of Wappingers Falls,  
19 New York, on May 24, 2025, more than  
20 eight decades after his death in World War II.

21 ACTING PRESIDENT BAILEY: Senator  
22 Rolison on the resolution.

23 SENATOR ROLISON: Mr. President and  
24 my colleagues, it is an honor for me today to  
25 essentially tell a story, to tell a story about

1 an individual who, 81 years after he was shot  
2 down over the South Pacific -- this is Staff  
3 Sergeant Eugene Darrigan, a native of Wappingers  
4 Falls in Dutchess County, in my district, he was  
5 found, 81 years later.

6 And the story of his service is the  
7 story of so many of our service members, their  
8 service, their commitment, their bravery, their  
9 heroism, and so many who have lost their lives.

10 So this past Memorial Day was a very  
11 special Memorial Day in Wappingers because  
12 Staff Sergeant Darrigan was buried Memorial Day  
13 weekend. And he served in the Army, in the  
14 Army's Air Service. And he was in New Guinea,  
15 with other bombers. They were B-24 Flying  
16 Fortresses. And even though the war was winding  
17 down in Europe, it was not winding down in the  
18 South Pacific. Actually, it was raging.

19 And on March 11th, he and his  
20 10 crew members, brothers, went up from  
21 New Guinea with multiple other B-24s to conduct a  
22 bombing mission.

23 And he was a radio operator, and we  
24 believe that he actually was radioing the bombers  
25 that were behind, because they were in front,

1 that -- where the enemy aircraft guns were. And  
2 tragically, that anti-aircraft gunnery got that  
3 B-24, and they went down in the South Pacific.

4 And because the other B-24s knew it,  
5 they actually circled the area for a while and  
6 marked where that B-24 had gone down. And for  
7 81 years, he was missing, he was gone, along with  
8 his comrades.

9 And because of Project Recover,  
10 which is a nonprofit organization dedicated to  
11 recovering service members, they found the  
12 remains of that plane in 2017. And five years  
13 later they actually, with the assistance of the  
14 Defense POW/MIA Accounting Agency, which is DPAA,  
15 and researchers from the Scripps Institution of  
16 Oceanography, they were able to go down there.

17 It was the deepest-ever recovery  
18 mission held. Elite Navy divers went down to  
19 where the plane was, and they collected material  
20 from the ocean floor. And among those recovered  
21 items were Staff Sergeant Eugene Darrigan's tags.

22 And he had a son when he went to  
23 World War II, who was six months old. He's since  
24 gone. His wife, since gone.

25 But interestingly enough, his

1 goddaughter, his niece, Ginny Pineiro -- who I  
2 knew as a patrol officer in the 1980s, who was  
3 the branch manager of a bank in Poughkeepsie --  
4 was still alive. At age 85, she got to be in  
5 Wappingers to welcome home the remains of her  
6 uncle and her godfather.

7                   And her two daughters, who I think  
8 are listening today, Lisa Vetter and  
9 Susan Mitchell, had been friends of mine since  
10 then.

11                   I never knew about Eugene until they  
12 brought him home. And in conversations that I  
13 had around the Memorial Day weekend, both with  
14 Susan and Lisa, and then actually seeing  
15 Mrs. Pineiro, which was actually heartwarming --  
16 they gave her the flag, full military honors --  
17 that I heard that he actually sent her cards from  
18 New Guinea for like her birthday. And I believe  
19 she still has one from New Guinea from her uncle  
20 Eugene.

21                   So as I conclude these remarks, I  
22 mean certainly this is a great story. People  
23 came from all over the Wappingers Falls area.  
24 Over 200 people were there at the church for the  
25 military funeral.

1                   But here is something that I find  
2 just absolutely just -- it's beautiful. The name  
3 of that B-24 was called Heaven Can Wait. And  
4 here we are, 81 years later. Heaven was waiting  
5 for him. And heaven continues to wait and will  
6 wait for every service member, Mr. President, who  
7 has not come home.

8                   We cherish them. We thought of them  
9 over Memorial Day. But today, for me, and for us  
10 as a body, we get to think about Eugene Darrigan.  
11 Without his sacrifice and the sacrifice of so  
12 many others, we wouldn't be here talking about  
13 it.

14                   Thank you, Mr. President.

15                   ACTING PRESIDENT BAILEY: Thank  
16 you, Senator Rolison.

17                   The resolution was previously  
18 adopted on June 5th.

19                   Senator Serrano.

20                   SENATOR SERRANO: Thank you.

21                   At the request of the sponsors, the  
22 resolutions are open for cosponsorship.

23                   ACTING PRESIDENT BAILEY: The  
24 resolutions are open for cosponsorship. Should  
25 you choose not to be a cosponsor, please notify

1 the desk.

2 Senator Gianaris -- Senator Serrano,  
3 sorry.

4 SENATOR SERRANO: Thank you.

5 Please take up the reading of the  
6 calendar.

7 ACTING PRESIDENT BAILEY: The  
8 Secretary will read.

23 is passed.

24 THE SECRETARY: Calendar Number  
25 464, Senate Print 55, by Senator Fernandez, an

1 act to amend the State Finance Law.

4 THE SECRETARY: Section 4. This  
5 act shall take effect immediately.

6 ACTING PRESIDENT BAILEY: Call the  
7 roll.

8 (The Secretary called the roll.)

9 ACTING PRESIDENT BAILEY: Senator  
10 Fernandez to explain her vote.

11 SENATOR FERNANDEZ: Thank you,  
12 Mr. President.

13 This bill creates what we're going  
14 to call the Overdose Prevention and Recovery Act,  
15 a bill that meets the moment in the fight that we  
16 are against with the opioid crisis.

17 Overdose deaths have soared across  
18 New York State, devastating families and  
19 communities alike. And even as the crisis grows  
20 and actually fluctuates -- some numbers did go  
21 down -- funding for recovery support services,  
22 which is a lifeline that helps people rebuild  
23 their lives, remains fragile and unsustainable.

24 As we've seen over the last few  
25 months, federal services are being cut and

1 without prejudice. Without permanent, reliable  
2 funding, these essential services cannot be there  
3 for every person in need.

4 This legislation changes that. It  
5 makes the Opioid Stewardship Fund permanent and  
6 ensures that at least 20 percent of its resources  
7 go directly to support recovery services, with a  
8 matching investment in harm reduction.

9 At a time when indiscriminate cuts  
10 are coming from the federal government,  
11 stabilizing this funding is more critical than  
12 ever. It's not enough to fight addiction on one  
13 front; we must support every step of someone's  
14 recovery journey.

15 I proudly vote aye.

16 ACTING PRESIDENT BAILEY: Senator  
17 Fernandez to be recorded in the affirmative.

18 Announce the results.

19 THE SECRETARY: In relation to  
20 Calendar 464, voting in the negative:  
21 Senator Walczyk.

22 Ayes, 52. Nays, 1.

23 ACTING PRESIDENT BAILEY: The bill  
24 is passed.

25 THE SECRETARY: Calendar Number

1 518, Senate Print 5835, by Senator Skoufis, an  
2 act to amend the Environmental Conservation Law.

3 ACTING PRESIDENT BAILEY: Read the  
4 last section.

5 THE SECRETARY: Section 2. This  
6 act shall take effect immediately.

7 ACTING PRESIDENT BAILEY: Call the  
8 roll.

9 (The Secretary called the roll.)

10 ACTING PRESIDENT BAILEY: Announce  
11 the results.

12 THE SECRETARY: Ayes, 53.

13 ACTING PRESIDENT BAILEY: The bill  
14 is passed.

15 THE SECRETARY: Calendar Number  
16 601, Senate Print 5551, by Senator Cleare, an act  
17 to amend the New York State Urban Development  
18 Corporation Act.

19 ACTING PRESIDENT BAILEY: Read the  
20 last section.

21 THE SECRETARY: Section 5. This  
22 act shall take effect immediately.

23 ACTING PRESIDENT BAILEY: Call the

9                   ACTING PRESIDENT BAILEY:   Read the  
10  last section.

11                  THE SECRETARY:     Section 2.  This  
12  act shall take effect on the 120th day after it  
13  shall have become a law.

14                  ACTING PRESIDENT BAILEY:   Call the  
15  roll.

16                                   (The Secretary called the roll.)

17                  ACTING PRESIDENT BAILEY:   Senator  
18  Sepúlveda to explain his vote.

19                  SENATOR SEPÚLVEDA:    Thank you,  
20  Mr. President, for allowing me to explain my  
21  vote.

22                                   All too often the debate around  
23  incarceration is reduced to cold statistics,  
24  budgets and regulations.  But at the heart of  
25  this issue are people, and we must never lose

1 sight of that. People who have made mistakes --  
2 of course they have -- but people who are still  
3 fathers, mothers, sons, daughters, mentors,  
4 friends, and are human beings. And like all  
5 human beings, they deserve something basic and  
6 essential: The dignity of human connection.

7           Protecting in-person visitation is  
8 not a minor bureaucratic adjustment, it is a  
9 profound affirmation of our values. This  
10 proposal assures that every person deprived of  
11 their liberty has the right to real, meaningful  
12 and humane in-person visits.

13           We are talking about visits that can  
14 take place on weekends, at times that are  
15 accessible to working families. Visits that last  
16 more than just a few minutes. Visits that foster  
17 real, lasting bonds. And visits that cannot be  
18 arbitrarily suspended for administrative reasons  
19 made without transparency or fairness.

20           Why does this matter? Because study  
21 after study has shown what we already know in our  
22 hearts: People who remain connected to their  
23 loved ones while serving a sentence are more  
24 likely to rehabilitate, less likely to reoffend,  
25 and more likely to rebuild their lives upon

1 release.

2 This is a policy of humanity. It is  
3 a policy of public safety. It is a policy of  
4 common sense. That is why, as a New York State  
5 Senator and a proud representative of the Bronx,  
6 as a proud servant, and as a human being, I am  
7 proud to sponsor this legislation and ask my  
8 colleagues to support it by voting aye and join  
9 my conviction.

10 Let's make New York a model of  
11 connection, compassion and dignity. Let's  
12 protect in-person visitation. Let's protect our  
13 families. Let's protect the right not to be  
14 forgotten.

15 Thank you.

10 Borrello to explain his vote.

11 SENATOR BORRELLO: Thank you,  
12 Mr. President.

13 I want to thank the sponsor for this  
14 bill.

15 In 2020, it was my first year as a  
16 State Senator, and a longtime friend, mentor and  
17 teacher, my math teacher Tom Harvey, reached out  
18 to me to tell me a story about how he had  
19 remarried and he wasn't able to change who his  
20 beneficiary is on his teacher pension. He told  
21 me the story, we wrote a bill, we introduced the  
22 bill. It got the support of NYSUT.  
23 Unfortunately, it didn't make it.

24 A year later he called me to tell me  
25 that he had terminal cancer and that he didn't

1 have long to live. But we introduced the bill  
2 again; unfortunately, it didn't make it.

3 But I'm glad it's passing today  
4 because there are so many others that are in the  
5 same situation. You know, we live longer now.  
6 We retire. Life changes. You get divorced, you  
7 get remarried. They should have the opportunity  
8 to change who their beneficiary is. They worked  
9 hard. They paid into that pension system 20,  
10 30 years or more.

11 It was a simple request. I wish we  
12 could have done it for Tom Harvey, but I'm glad  
13 we're doing it today. Thank you.

14 I'll be voting yes.

18 ACTING PRESIDENT BAILEY: Senator  
19 May to explain her vote.

20 SENATOR MAY: Thank you,  
21 Mr. President.

22 It is with great delight that I rise  
23 to vote aye on this bill and to thank the arts  
24 and music educators from all over the state who  
25 have advocated so relentlessly for this change in

1 policy.

2 Our schools all around the state  
3 teach art and music but because the subjects are  
4 not required in statute, when there are  
5 rollbacks, cutbacks in a school district, one of  
6 the first things to go tends to be art and music  
7 education.

8 When I think about my experience in  
9 elementary school, I can't remember any facts I  
10 learned, but I remember every song we sang. And  
11 I remember that glow of pride when the teacher  
12 hung one of my pictures on the wall.

13 Arts and music develop us as  
14 human beings. They develop the whole child. For  
15 some kids, they are the only reason they show up  
16 at school, or the only thing they look forward to  
17 in the school day. Arts and music are just part  
18 of what makes us human.

19 I'm very grateful to my colleagues  
20 on both sides of the aisle who support this bill,  
21 to the Education chair and the Education staff  
22 who helped get it to this point.

23 This has been a multiyear effort,  
24 and I am thrilled to vote aye.

25 ACTING PRESIDENT BAILEY: Senator

1 May to be recorded in the affirmative.

2 Senator Cooney to explain his vote.

3 SENATOR COONEY: Thank you,  
4 Mr. President.

5 I rise in strong favor of this  
6 legislation. It is a wonderful bill and needed  
7 more than ever. As a proud graduate of a  
8 performing arts high school in the City of  
9 Rochester, I can tell you firsthand that we were  
10 very privileged to be exposed to arts curriculum  
11 at an early age. But every child in New York  
12 State, whether they are interested in individual  
13 arts or the performing arts alike, should be  
14 exposed and should have this as part of their  
15 education.

16 This creates the citizens that we  
17 want to see in this world. And it's something  
18 that we should guarantee. With all of the  
19 changes that are happening at the federal level,  
20 with all the changes and cuts that we're seeing  
21 to our arts organizations, we must not forget  
22 that the artists who are part of our vibrant  
23 civil society start at their educational level.

24 And I want to thank our education  
25 chair, I want to thank Senator May, I want to

1 thank our leadership for bringing this forward.

2 Thank you.

4       impact of the crisis that we know that enters the  
5       workplace.  Because if you're suffering with  
6       addiction, it's not just something you do at home  
7       or in your time off.  It can happen in the  
8       workplace.

9                   And this bill makes sure that when  
10      emergencies strike, every second counts.  We  
11      already require that first aid materials in  
12      certain workplaces to handle injuries and  
13      emergencies are available, and this bill would  
14      require that the same workplaces also have  
15      opioid antagonists on hand and in the area.

16                  It is a simple lifesaving step.  It  
17      ensures that if someone suffers an overdose in  
18      the workplace, help is immediately available,  
19      giving them a fighting chance for survival.

20                  The legislation is about building  
21      workplaces that are supportive of those most in  
22      need.  It recognizes that addiction doesn't  
23      discriminate.  It affects coworkers, employees  
24      and their families.

25                  By making opioid antagonists a

1 required part of the workplace safety planning,  
2 we are affirming our commitment to protecting  
3 New Yorkers.

4 I thank the leader for bringing this  
5 bill to the floor, and I urge my colleagues to

24 (The Secretary called the roll.)

25 ACTING PRESIDENT BAILEY: Senator

1 Serrano to explain his vote.

2 SENATOR SERRANO: Thank you,  
3 Mr. President.

4 Few things are as foundational as  
5 access to healthy and nutritional food. And that  
6 is so important in communities like the ones I  
7 will represent in East Harlem and the South  
8 Bronx, and communities all across the State of  
9 New York.

10 But we've seen a very troubling  
11 trend when it comes to skimming of EBT benefits,  
12 SNAP benefits on EBT cards. And the way that we  
13 remedy that, that we help remedy that, is by  
14 using technology that is available to us in the  
15 form of chip technology on these cards, to ensure  
16 that these needed benefits help those who are the  
17 most vulnerable in our society to access their  
18 healthy food and nutritious foods.

19 So I'm grateful that we are passing  
20 this bill here today. I'm very grateful for the  
21 leadership of Assemblymember González-Rojas in  
22 the Assembly, so that we can ensure that our  
23 communities are able to not have their benefits  
24 stolen and be able to support themselves, support  
25 their families.

1                   And I vote aye. Thank you.

2                   ACTING PRESIDENT BAILEY: Senator  
3 Serrano to be recorded in the affirmative.

4                   Senator Murray to explain his vote.

5                   SENATOR MURRAY: Thank you,  
6 Mr. President.

7                   I would like to echo the comments of  
8 Senator Serrano and thank him for bringing this  
9 to the floor, and thank all of my colleagues for  
10 supporting this.

11                   As was mentioned, since 2022  
12 New Yorkers have lost \$40 million in stolen  
13 benefits. This has become a growing trend, and  
14 this is the step that we can take to correct it.

15                   Also good news, while it will  
16 cost -- and I've heard estimates anywhere from  
17 20 to 40 million initially to institute this --  
18 the federal government will split that  
19 fifty-fifty with us.

20                   So while the bill does ask that we  
21 get this done no later than June 21st of 2027,  
22 for any of the departments listening, please  
23 don't wait that long. Let's get this done as  
24 soon as possible. You've got needy New Yorkers  
25 who are counting on this.

1 I proudly vote aye.

2 ACTING PRESIDENT BAILEY: Senator  
3 Murray to be recorded in the affirmative.

4 Senator Krueger to explain her vote.

5 SENATOR KRUEGER: I also rise to  
6 thank my colleague and, I hope, all of us for  
7 voting yes on this.

8 You know, I spent many years of my  
9 life advocating for the predecessor to SNAP, the  
10 Food Stamp Program, helping hundreds of thousands  
11 of New Yorkers to successfully apply and  
12 participate.

13 It's scary enough that we're now  
14 facing a federal government who's proposed  
15 dramatic and dangerous cuts to SNAP program  
16 dollar benefits and eligibility. But the concept  
17 that we know that there are thieves stealing  
18 these benefits from the debit cards, called EBT,  
19 that we could stop because the technology exists.

20 I challenge any of my colleagues to  
21 open their wallets right now, look at their  
22 credit cards, and find a non-chipped card.  
23 Everyone has moved to a chipped card because it  
24 is so much harder to scam them at a register when  
25 you are shopping.

1                   And yet the state keeps promising to  
2 move forward with the exact same technology for  
3 EBT used for SNAP, public assistance, and I  
4 believe WIC benefits, and these people are the  
5 people who are least able to afford to lose these  
6 benefits.

7                   So I'm very glad that we're passing  
8 this, and I hope the Governor understands we're  
9 all on the same side. We just need to move  
10 faster. We just have to move faster.

11                   Thank you. I vote yes.

12                   ACTING PRESIDENT BAILEY: Senator  
13 Krueger to be recorded in the affirmative.

14                   Announce the results.

15                   THE SECRETARY: Ayes, 53.

16                   ACTING PRESIDENT BAILEY: The bill  
17 is passed.

18                   THE SECRETARY: Calendar Number  
19 1476, Senate Print 2278, by Senator Webb, an act  
20 to amend the Public Health Law.

21                   ACTING PRESIDENT BAILEY: Read the  
22 last section.

23                   THE SECRETARY: Section 2. This  
24 act shall take effect on the 180th day after it  
25 shall have become a law.

1                   ACTING PRESIDENT BAILEY:    Call the  
2    roll.

3                   (The Secretary called the roll.)

4                   ACTING PRESIDENT BAILEY:    Senator  
5    Webb to explain her vote.

6                   SENATOR WEBB:     Thank you,  
7    Mr. President.

8                   I rise today to lift up this  
9    important legislation that recognizes something  
10   we know to be true and, quite frankly, we should  
11   have done a long time ago, and that is we  
12   recognize that nurses are the backbone of our  
13   healthcare system and their voices belong in  
14   every room where decisions are made, especially  
15   at the highest levels.

16                   This bill would require hospitals to  
17   include a registered professional nurse as a  
18   sitting and voting member of the governing body  
19   responsible for shaping the hospital's strategic  
20   plan, their systems and policies.

21                   It is a simple but powerful change,  
22   and one that is long overdue. Nurses bring a  
23   unique and essential perspective to patient care.  
24   And as frontline providers, they offer hands-on  
25   support, they identify early signs of

1 complications, they advocate for patients and  
2 their families, and uphold the safety and dignity  
3 of everyone who enters a hospital.

4 Yet, far too often their voices are  
5 excluded from key decisions that shape how care  
6 is delivered. Mr. President, by adding a  
7 registered nurse to the hospital governance  
8 structure, we ensure that decisions around  
9 staffing, quality of care, and patient safety are  
10 grounded in real-world clinical experience.

11 This isn't just good for nurses,  
12 it's good for our patients, families, and the  
13 entire healthcare system.

14 I want to thank all the nurses  
15 across our state for their tireless advocacy on  
16 this issue, but also for the care that they  
17 provide. I am proud to stand with them today and  
18 also offer that, yes, they deserve a seat at the  
19 table.

20 I vote aye, and I encourage my  
21 colleagues to do the same. Thank you.

22 ACTING PRESIDENT BAILEY: Senator  
23 Weber to be recorded in the affirmative.

24 Announce the results.

1 act shall take effect immediately.

2 ACTING PRESIDENT BAILEY: Call the

4 (The Secretary called the roll.)

5 ACTING PRESIDENT BAILEY: Senator  
6 Fahy to explain her vote.

7 SENATOR FAHY: Thank you,  
8 Mr. President.

9 I rise today in support of this  
10 legislation, and I just want to note that this is  
11 about providing dental loan repayment and  
12 practice support for dentists who agree to serve  
13 in underserved areas.

14 Right now dental deserts are in  
15 about 161 areas across New York State. We are  
16 about 500 dentists short in order to just meet  
17 current standards. And we only graduate about --  
18 of the dentists we have, only about one in five  
19 take Medicaid recipients.

20 In one of my counties, in  
21 Montgomery County, we have just 19 registered  
22 dentists in the entire county of 50,000 people,  
23 which is a ratio of about one dentist to every  
24 2600 persons with access to those dentists.

25 And again, because our Medicaid

1 reimbursement rates are so low -- often  
2 40 percent of what insurance covers -- they are  
3 refusing to take Medicaid.

4 This would create a loan repayment,  
5 and it would urge those to serve in rural  
6 New York as well as our underserved urban areas.  
7 It is very similar to the successful program of  
8 Doctors Across New York. And we hope that this  
9 will go a ways toward filling a very serious  
10 crisis.

11 With that, I vote in the  
12 affirmative. Thank you, Mr. President.

13 ACTING PRESIDENT BAILEY: Senator  
14 Fahy to be recorded in the affirmative.

15 Announce the results.

16 THE SECRETARY: Ayes, 53.

17 ACTING PRESIDENT BAILEY: The bill  
18 is passed.

19 THE SECRETARY: Calendar Number  
20 1494, Senate Print 5538, by Senator Baskin, an  
21 act to amend the Public Health Law.

22 ACTING PRESIDENT BAILEY: Read the  
23 last section.

24 THE SECRETARY: Section 2. This  
25 act shall take effect immediately.

1                   ACTING PRESIDENT BAILEY:    Call the  
2    roll.

3                   (The Secretary called the roll.)

4                   ACTING PRESIDENT BAILEY:    Senator  
5    Baskin to explain her vote.

6                   SENATOR BASKIN:    Thank you,  
7    Mr. President.

8                   I rise today with gratitude to the  
9    lawmakers of New York State, our Leader  
10   Stewart-Cousins, and public health advocates from  
11   Buffalo, Erie County, and again across the state.

12                   I also rise today as a mother who  
13   was at one time told by my son's pediatrician  
14   that his blood lead levels had spiked while at a  
15   doctor's visit. I rise as the sister of younger  
16   siblings who contracted lead poisoning when they  
17   were toddlers. I rise today, Mr. President, as  
18   the district representative of Buffalo, New York,  
19   where children in Black communities are 12 times  
20   more likely to contract lead poisoning than  
21   children in predominantly white communities.

22                   I rise today as the representative  
23   of Buffalo, New York, the home of some of  
24   New York State's oldest housing stock.

25                   I rise today, Mr. President, feeling

1 accomplished. As a county legislator back in  
2 2019, I introduced a resolution calling on  
3 New York State to make early intervention  
4 services automatically available to children with  
5 elevated blood lead levels.

6 As it stands, early intervention  
7 services are reserved for babies, children who  
8 are born with very specific disabilities. The  
9 law currently reads: Fetal alcohol syndrome,  
10 physical or mental conditions or sensory  
11 delays are the sole circumstances in which a  
12 child in New York State can receive early  
13 intervention services.

14 As it stands, before today's vote, a  
15 child who has lead poisoning is not automatically  
16 allowed to have early intervention services.

17 Early intervention services allow  
18 children who have been identified as having  
19 delays because of environmental disorders the  
20 services that they need to get prepared to become  
21 quality students when they then enter into grade  
22 school.

23 I passed this resolution in 2019,  
24 and today I'm no longer a county legislator, I'm  
25 a State Senator who's sponsoring the bill that I

1 called on the state to pass. And so I'm pretty  
2 proud of April Baskin, my team, and my community.

3 (Laughter.)

4 SENATOR BASKIN: I also want to  
5 shout out my colleague from Western New York who  
6 is sponsoring the bill in the Assembly,  
7 Assemblymember Karen McMahon.

8 And I have to acknowledge all of the  
9 advocates who have helped me and my community  
10 understand the impacts of lead poisoning in the  
11 City of Buffalo.

12 I want to thank County Commissioner  
13 of Health Dr. Gale Burstein. I want to thank the  
14 Partnership for the Public Good; a community  
15 organization, LEAD716; and also Dr. Mindy Cameron  
16 of the University of Buffalo, Dr. Leah Bartlo of  
17 the University of Buffalo, Dr. Kim Diana Connolly  
18 of the University of Buffalo, and local advocate  
19 and attorney Anna Falicov.

20 Today, as a mother who once had a  
21 child who had elevated blood lead levels, and as  
22 a district representative who represents so many  
23 children who have irreversible brain damage that  
24 is preventable as long as we in this honorable  
25 body continue to uplift lead remediation, I am

1 so, so proud to vote in the affirmative and to  
2 get done what I told the state to get done five  
3 years ago.

4 Thank you, Mr. President.

5 ACTING PRESIDENT BAILEY: Senator  
6 April Baskin to be recorded in the affirmative.

7 (Laughter.)

8 ACTING PRESIDENT BAILEY: Senator  
9 May to explain her vote.

10 SENATOR MAY: Thank you,  
11 Mr. President.

12 I rise to say I am proud also of  
13 Senator Baskin and very grateful for this bill.

14 I sadly represent some of the  
15 zip codes in the country with the highest  
16 incidence of elevated blood lead levels in  
17 children, and a lot of children who have suffered  
18 and families who have suffered from this. And it  
19 is so important that we get them the care that  
20 they need immediately.

21 I also am the mother of a child who  
22 had elevated blood lead levels. And we did get  
23 those instant interventions, and it made all the  
24 difference.

25 And so I am thrilled that we are

1 passing this today. Congratulations.

2 And I vote aye.

3 ACTING PRESIDENT BAILEY: Senator  
4 May to be recorded in the affirmative.

5 Senator June -- I mean Senator  
6 Cleare to explain her vote.

7 SENATOR CLEARE: I want to  
8 congratulate and thank Senator Baskin for  
9 bringing this very important legislation.

10 I too am the mother of a child  
11 impacted by lead poisoning, and part of a  
12 coalition that passed the most comprehensive lead  
13 poisoning prevention bill in the country but was  
14 unable to get it outside of New York City, the  
15 five boroughs. And I know the challenges. This  
16 is just an added barrier, trying to get your  
17 child the services and the remediation that is  
18 necessary.

19 Lead poisoning is a housing fight,  
20 it's a health fight, it's an education fight.  
21 And especially for the people who are impacted  
22 the most by this, which are Black and brown  
23 children, it's just another struggle. And you  
24 have just made it easier for some of them.

25 So I congratulate you, and I thank

1 you. Thank you for bringing this legislation.

2 I will be voting aye.
